# Gem Selection

Gems are advised to increase the benefic effects in a natives life. Scientifically, Gems are capable of collecting the cosmic rays of the planet concerned and pass on to one's body to enhance the effect of that planet. That is why, we only recommend Gem for a planet benefic to the horoscope. A planet is benefic if it is placed or is lord of Lagna, Trikona or Kendra and is malefic if it is lord of 6, 8, 12 houses. It is benefic if it is placed with or aspected by friends. It is considered malefic if it is lord of Badhak house that is 11th lord for moveable, 9th lord for fixed and 7th lord for mixed ascendants. Above considerations define the goodness of the planets for Gem Selection.

Table below describes the area of work and benefic factor of the planet is percentage along with graphical display. Power of different Gems in different dashas is given in the other table. # Personality Analysis

The combination of Leo Ascendant (Lagna) rising with Scorpio Navamsa and Aries Dreskana in the fourth Pad of Poorva Phalguni shows that if you move with caution and proper planning, you will attain success in life. But, for that, your earnest contribution is essential, as there is the possibility of your encountering a couple of problems in your path to prosperity.

The conjunction actually presents a picture of the good, the bad and the ugly. The excellent aspect that is discernible in your star is that you will enjoy a high position close to the throne, earning, in the bargain, a substantial amount. You are capable of being a top administrator or director of a big company or corporation, which will bestow on you wealth, prestige and influence in society.

Leo Ascendant also points in the same direction, displaying promise of a cozy life, with plenty of money and a good family life.

The above two also show you will enjoy generally good health, but with a remote chance of some heart ailment or spinal trouble in your old age, due to your hectic work schedule and your fiery temper.

But it is Scorpio Navamsa which paints a different picture, pointing to the possibility of the native having a defective limb, diseased and being poor.

So, it is up to you to chalk out your strategy properly so that the ill effects of the Navamsa are mitigated and you will lead a good life. One of the things to concentrate straightaway should be regarding health. Give your mind adequate rest by relaxing as much as possible and sticking to a controlled diet, keeping clear of intoxicating drinks. Another aspect is to be careful in your movements so that you don't sustain any kind of physical harm.

Regarding poverty, undue alarm is not called for, as you have many splendid qualities which, if put to proper use, can make you wealthy. Here it would be advisable to keep a check on your purse, as you will spend a lot to maintain a majestic appearance in public. If you indulge in a spending spree now, you may regret it later, as your assets would have dwindled.

You can have a happy home with a loving spouse and adorable children. With sufficient financial resources at your command, you can provide them with all worldly comforts.

The lucky days for you are Tuesday, Sunday and Thursday whereas

Monday is average. The other three days are not too favourable as they will prove expensive.

Numbers 1, 4, 5, 6 and 9 will prove beneficial, but not 2, 7 and 8 which don't suit you.

Avoiding blue, black and white, go in for orange, red and green, which will prove advantageous.

# Rudraksha

Rudraksha is a Sanskrit word. If we split this word into two we get these two words Rudra and Aksha. Rudra means Lord Shiva and Aksha means Aansu(tears) of Lord Shiva. According to Hindu Mythology tears of Shiva fell on earth in the form of Rudraksha tree. The Rudraksha tree belongs to Elaeocarpaceae family and is as huge as the Banyan tree which has seed covered with pulp and outer skin. After drying the skin turns black and grooves appear on the surface running from apex to the bottom, there by demarcating clear areas called 'Mukha or faces'. The Rudraksha are classified on the basis of number of faces, which can range from one to twenty one.

Sometimes Rudraksha are found in twins which are considered to be symbols of Lord Shiva and Parvati (Goddess). They are known as Gauri Shankar Rudraakshas. ### Prediction For January 2025

A favourable set of circumstances should see you do well in your problems during the coming month. The expected gains would accrue to you, and that too with no particular effort, or with just about the normal kind of work. What is more the working climate would remain free of tension, and make work a pleasure.

Some female colleague or associate would render an important favour which would be quite helpful. There would also be a modicum of travel which too, would be quite beneficial. Overall a satisfactory month during which you could achieve significant success.

### Prediction For February 2025

Your professional prospects are quite bright during the coming month. Expected gains would accrue to you, though the work-load might increase substantially. But work would tend to become a pleasure, since the atmosphere would be free of tension and smooth.

Some of your female colleagues or associates would be quite helpful to you, and do you a significant favour. This would give a boost to your career prospects. Look forward to a quantity of gainful travel. The most advantageous direction would be south. Overall, a gainful month.

### Prediction For March 2025

The combination of stars facing you is hardly favourable for your career

prospects. Despite a great deal of hard work, expected gains would not accrue to you. Travel of short-duration is also indicated. But this again is not conducive to the realization of targets, though there may be some percentage for you in a sojourn towards the west.

Yet with all this you may enjoy a pleasant working atmosphere. This would remain one source of satisfaction. With contacts also not being very helpful, this month, you would do well to rely on your own ability to handle difficult situations.

### **Prediction For April 2025**

Very little percentage for your professional prospects this month in the combination of stars facing you. In fact if you are not careful, not only is there little possibility of betterment, but there is a distinct chance of going several rungs down the ladder. There are grounds to believe that some of you may tend to operate outside the law for quick profits.

This must be avoided, failing which your difficulties would have no end. Work-load will also increase in a big way. You must patiently cope with this, contacts, also won't help you much, and as such you would have to draw on all your reserves to face up to the situations this month will throw at you.

### **Prediction For May 2025**

A month that holds few encouraging prospects for your professional betterment. Despite a lot of hard work, it is very unlikely that expected gains would materialize, though work may remain a pleasure, because of excellent working conditions.

Contacts would not be very helpful during the coming month. As such it would be a good idea to rely mainly on your own capacity to work your way out of difficult situations. Travel would also fail to bring in expected gains, though a sojourn towards the north would benefit you. Overall a month during which you would have to tread carefully and rely on your own effort.

### **Prediction For June 2025**

Career prospects are fairly bleak during the coming month. You would be working quite hard for relatively meagre return. Expected gains would not be

realized, though the working climate may remain excellent and free of tension.

Travel also would not bring in gains you would look forward to though, here again, a sojourn towards the south may bring in some advantages. Contacts, too, would be unhelpful, and it would be a good idea to rely mainly on your own skill to handle difficult situations. And, during this month, circumstances being what they are, in the final analysis it is this capacity of yours that will stand you in good stead.

### **Prediction For July 2025**

Nothing very encouraging about your career prospects this month according to the augury from the stars. With a much increased work-load you would labour for what would be definitely inadequate returns. The pleasant and tension free working climate would to some extent redeem the situation. But only so much and no more.

Travel would also fail to generate the rewards expected by you, though a sojourn to the south would lead to some gains. Not enough to compensate for the whole lot, it must be emphasised. Contacts also will not be very helpful, making a difficult situation somewhat more of a burden. Also refrain from any illegal operations, which could greatly compound your woes.

### **Prediction For August 2025**

The combination of stars facing you does not augury well for your professional betterment. There would be a quantum of short-duration travel, which would not bring expected gains. A sojourn to the north would, however, prove beneficial. There is little chance of contacts being able to do much for you during this period of time.

Therefore, it would be a good idea to rely on your own capacity to resolve difficulties. There are grounds to believe, however, that the working conditions would remain quite good and the atmosphere pleasant. This would give much cause for satisfaction. Overall a month during which you would have to tread carefully on a number of sensitive issues.

### **Prediction For September 2025**

The combination of stars facing you does not augury very well for your

professional attainments. There would be a lot of hard work, but the rewards would be nowhere near the effort put in. Similarly, travel is also indicated, but this again would fail to fulfil expectations to any worthwhile extent.

Generally speaking contacts would also not work for you during this period, though some female colleagues or associate would try to promote your professional attainments. It would be better to rely mainly on your own skill and efforts. A month during which you would have to make a good deal of effort to keep going.

### **Prediction For October 2025**

Nothing very favourable about the professional prospects during the coming month. The gains you set out to realize would in all probability elude you and this despite the fact that you would work exceptionally hard for success.

There would be a fair amount of travel, which would, however, also fail to deliver according to expectations, though there is reason to expect some beneficial results from a sojourn towards the south. Contacts also would not be as helpful as usual. Therefore, it would be a good idea to rely mainly on your own skill and resources. Overall a month, during which you would have to be quite careful in handling difficult situations.

### **Prediction For November 2025**

A fairly beneficial month, during which there is every possibility of success in your professional endeavours. Most important there is a good chance of achieving the gains that you set out to achieve. And this without too much of effort or struggle.

There is the further possibility of enriching your life in a satisfying manner, through interaction with learned people. This would give to your overall working a much sought after dimension. A certain amount of travel would also be quite beneficial. The most advantageous direction would be west. Some female colleagues or associates could do you a favour that would turn out to be significant.

### **Prediction For December 2025**

A month that is fairly satisfactory in so far as your professional attainments are concerned. There is every likelihood that you would realize the gains that set out to achieve, though with a good deal of hard work. There may also be an element of risk involved in some of your plans. But, this being a favourable month, there would be practically no chance of anything untoward happening.

Still, it would be best to avoid risks. Travel will also bring in the expected gains. The working climate would be full of conflicts and politicking. Further, some female colleague or associate would do you a significant favour that would help you in a big way.

## Profession - 2026

This year would bear fruits of average size in regard to work and profession perspective. Transit of Saturn and Rahu being unfavorable, you would not have success in domain of your work. Latent foes and opponents would be at their toes for creating problems in your work. There would be mental stress regarding business. During this period neither vest faith in anybody nor take any important decision hastily.

After June 02, time period would be affected adversely. At that time you could be cheated or face losses in business. Always have positive thanking as in the end of the year transit of both Rahu and Jupiter would turn favorable. At that time gains would start inflowing from your business and domain of work.

### Prediction For January 2026

Nothing particularly auspicious about the augury for your professional prospects this month. There is a distinct possibility that you would get into serious differences with your superiors. Such an eventuality should be averted, no matter what the effort involved, because should this happen, it can only be disastrous for your professional prospects.

You would also be influenced by a deep-seated feeling of insecurity throughout the month and this could fuel the pitch of your entire professional conduct. You could tend to opt for quick changes of job or business operations. Whatever change you make should only be done after proper careful deliberation. The most favourable direction would be west.

### Prediction For February 2026

A good month to go places in your professional endeavours. Those inclined towards artistic activity and practitioners of the fine arts can look forward to a period of extremely satisfying creative pursuits. In fact, some of you may well go on to make a mark for yourselves with your contributions.

There would also be a good deal of travel, which would also prove quite beneficial. The most advantageous direction would be south. Apart from travel, there is the likelihood that you would shift the venue of your operation, whether it is for business or a job. However, deliberate carefully before making any change, since any hasty step could well undo much of your good efforts.

### Prediction For March 2026

A fruitful month in so far as your professional prospects are concerned. Practitioners of the fine arts and others of their ilk would have an extremely satisfying time. In fact, some of you may well go on to make a mark for yourselves with your contributions. There are indications that you would tend to work quite hard and go for your objectives efficiently. And in this you shall succeed.

There may even be a shifting of the venue of your operations, whether business or service. Though it might be a good idea to change only after careful and serious deliberation.
