Physique, Health & Nature

Born under the Scorpio sign, you will be blessed with an impressive personality comprising a well knit, muscular body tending to stoutness, long arms and short, curly hair. The overall picture you present is that of a self-assured individual who brooks no nonsense from any quarter.

Since Scorpio denotes generative organs, you will have to be particularly careful, especially from the middle age.

You have two sides to your nature. You don't believe in cutting into others path unnecessarily, as you are primarily interested only in your own affairs. But if others try to get funny with you, then you will make them repent their actions by stinging like a scorpion. You are quick, shrewd and a keen individual. You have a penetrative mind and incisive judgement regarding men and matters. What can serve you best in your pursuits is your strong, forceful mind which has the ability to take its own decisions without having to rely on others guidance. You have very strong likes and dislikes. If you favour anything you will back it to the very last. But if you are averse to something, then you will spare no effort to demolish it. You will be a very good friend to a true friend, but a dreadful adversary to a foe. Since you lay great stress on enjoying sex, your image may be sullied.

You are prone to disease like insomnia and somnambulism. So take due precautions.

Jupiter in Scorpio Ascendant not only guarantees a full, fruitful and healthy life for you, it also promises to satisfy your love lust which is your prime aim. There are positive indications of your being involved in many affairs, but being an intelligent and calculating individual, you will manage to ensure that your sexual orgies don't create any problems at home. It is only in later years that you may rue your hypersexed actions as you may then realise that your health is not as good as it otherwise would have been.

Personality Analysis

The astrological configuration at the time of your birth was Scorpio Ascendant (Lagna) rising with Sagittarius Navamsa and Pisces Dreskana in the first Pad of Jyestha, indicating you are a person who is a master in saying one thing and doing exactly the opposite, to achieve your aim of earning a substantial amount to lead a life of comfort and pleasure.

Outwardly you seem to be highly religious. You talk convincingly about rights and wrongs, morals and religion, and appear highly virtuous, but inwardly you harbour ideas which are contrary to what you preach. Actually you are a person bent upon being wealthy and eager to enjoy life to the full.

You are able to get away with your misleading appearance as you are well read, intelligent, clever and have the advantage of attracting public attention because of your interest in literature, poetry and the arts in general. The professions that suit you are the press, advertising and publicity, book publication and manufacturing musical instruments. You can also fare well as an engineer if you so desire.

There is every chance of your earning well. But a good bit of it will be spent, as you want to look impressive in public and maintain a comfortable house with costly furniture and modern gadgets.

Few can match you in love-making. Very passionate, you adore your partner; but if, as ill luck would have it, you were to get a passive spouse, you will feel miserable. To avoid such an eventuality, you had better do your home work properly before choosing your life partner. Note that you can find a good match from those born under the Scorpio, Cancer, Taurus, Virgo or Capricorn signs.

Your mania for sex can cause health problems for you, like affecting your private parts. So better go slow on the romantic front. The other diseases for which you may be prone are piles and tumour. Right through, you will have to be very careful as your health may suffer during your 13th, 27th, 31st and 49th years. If you take proper care, you can get over them.

The colours that favour you are orange, red, yellow and cream; those you have to shun are white, green and blue.

Numbers 1, 2, 3, 4 and 9 suit you admirably; the ones you have to avoid are 5, 6 and 8.

Your lucky days are Sunday, Monday, Tuesday and Thursday whereas Wednesday, Friday and Saturday are inauspicious.

After drying the skin turns black and grooves appear on the surface running from apex to the bottom, there by demarcating clear areas called 'Mukha or faces'. The Rudraksha are classified on the basis of number of faces, which can range from one to twenty one.

Sometimes Rudraksha are found in twins which are considered to be symbols of Lord Shiva and Parvati (Goddess). They are known as Gauri Shankar Rudraakshas.
