Rudraksha is a Sanskrit word. If we split this word into two we get these two words Rudra and Aksha. Rudra means Lord Shiva and Aksha means Aansu(tears) of Lord Shiva. According to Hindu Mythology tears of Shiva fell on earth in the form of Rudraksha tree. The Rudraksha tree belongs to Elaeocarpaceae family and is as huge as the Banyan tree which has seed covered with pulp and outer skin. After drying the skin turns black and grooves appear on the surface running from apex to the bottom, there by demarcating clear areas called 'Mukha or faces'. The Rudraksha are classified on the basis of number of faces, which can range from one to twenty one.

Sometimes Rudraksha are found in twins which are considered to be symbols of Lord Shiva and Parvati (Goddess). They are known as Gauri Shankar Rudrakshas. In the same way if three Rudrakshas are together they are considered the symbol of Shiva, Shakti and Ganesha or Bramha, Vishnu, Mahesh. But these types of Rudrakshas are very rarely available. Scriptures like Rudraksha Jabalopanished, Shiva Purana, Devi Purana and Padma Purana extol the value of Rudraksha seeds.

In general all Gods are fond of Rudrakshas but it is believed that it is most favourite of Lord Shiva. Modern scientific research came out with positive results about Rudraksha. It is found that it stores electromagnetic properties, which influences human physiology. Each type of Rudraksha has its own influence and property. Rudraksha is worn to get beneficial results and is helpful in curing diseases like epilepsy, hypertension, blood pressure, stress, whooping cough, wounds. Wearing of Rudraksha not only pleases Lord Shiva but also brings blessings of Lord Vishnu, Durga, and Ganesh and Navgrahas (nine planets) it reduces the ageing process and brings peace and harmony in life.

There is also a distinct possibility that some of you would, as a result of failure in normal activity, turn to criminal skull duggery. Should you allow this to happen, the consequences would be catastrophic. Firmly resolve to refrain from

such activity.

Dame fortune is not to be easily placated this month, and as such you are not going to get very much help in promoting your career. Despite a light work-load and reasonable working conditions, you are not likely to realize your goals, nor will your work give you any satisfaction.

There would be a lot of travel, but this, too, would bear little fruit. Though there is some chance that a journey northwards may bring in some marginal gains. There may also be an element of risk in your work, for which due care should be exercised to avert any unpleasant eventuality.

## Profession - 2029

Beginning of the year would be highly auspicious for success in business. Sources of income would be operative. All round development of work and profession is ensured. Some novel venture would be initiated which fetches you more gains. Cooperation of senior persons would abide by you. Profession would have a positive novel turn. Some opponents might crop up after March 29, because of Jupiter in twelfth house but you could overcome them by dint of your mental abilities.

After August 25, transit of Jupiter and Saturn is turning favorable simultaneously. As a result, you would make remarkable progress in your profession. You would have full cooperation of your employees. Cooperation of your brothers is at the back of this success. For the expansion of the business, accumulated capital might be spent. The employed natives would feel the favor of this year. They would have support and cooperation from their officers.

Nothing particularly helpful in the stars this month in so far as your career prospects are concerned. The work-load would be quite heavy and you might find yourself working quite hard for relatively meagre returns. The company of learned people may also fail to bring the expected gains.

Travel also would not be on any significant scale, even this would prove quite fruitless, though there may be some marginal percentage for you in a sojourn towards the east. There is, however, the satisfaction that even in the face of adversity you would tend to lead a principal life, not deviating from your path because of exigencies of the moment.

Nothing particularly favourable about the augury from the stars in so far as your career prospects are concerned. The work-load would tend to be quite heavy, and you may well find yourself working hard for relatively meagre returns. Satisfaction, may also be elusive, with the company of learned people not enriching your life in the expected manner.

towards the south. Overall, not a very favourable period for you, during which you would have to patiently carry on.

Nothing very encouraging about your professional prospects as far as the augury from the stars is concerned. Influences that would normally have enriched your entire working life, would somehow fail to work their magic. And, instead, you would be left with a feeling of dissatisfaction with your lot.

And there would be good reason for dissatisfaction. You would have to work quite hard, and the gains would be nowhere near commensurate with the effort put in. The situation would be further complicated because influences and contacts would fail to deliver the goods. The redeeming feature of the entire scene would be the indication of most of you to live a principal life, from which you would not deviate for the sake of convenience.

A month during which you would have excellent opportunities for advancing your career. There is a distinct possibility that some of you would go on make significant contributions in social- religious activity. The fact is that your entire work ethos would be enriched by association with gifted people of learning and spiritual stature.

There would be a little travel as well, and this would also prove quite gainful. Particular benefit should accrue from any sojourn towards the north. Your situation would be fully secure and you would have little to worry about on this score, also, most of you would be inclined to live a principled life and not deviate at all for the sake of convenience.

A great month to go places in your professional activities. Endowed with a dynamism for action, and inclined to take initiatives you should forge ahead in your field of activity in a fairly certain manner. In fact, your style would be characterized by a certain boldness of approach that most people would give anything to possess.

This would be greatly enriched by association with gifted people of learning and spiritual stature. In fact, this association would imbue your whole life with a highly desirable, dimension of total satisfaction. Some of you, with a firm sense of commitment would make significant marks with their contribution in socio-religious activities.

An excellent month, during which the stars are in an obliging mood, as a result of which your professional prospects are quite bright. There is a distinct possibility that some member of the female sex would do you an extremely favourable turn, which could well become a turning point in your career, for the good of course.

Further, there would be extremely beneficial associations with gifted people of learning which would qualitatively enrich your whole working and life styles. Not only materially beneficial but also deeply satisfying otherwise. There would also be a small quantity of travel, which also would prove extremely, the most advantageous direction being south.

A month during which the stars are in an obliging mood and, therefore, you can look forward to several significant opportunities to advance your career prospects. There would be extremely beneficial associations with several gifted people of learning from which you can expect to gain a great deal. Apart from the material gains, there would be an enrichment of your entire life which would give it a very satisfying dimension.

There would also be some travel of a beneficial nature, the advantageous direction being west. In fact, some of you may well go on to make significant contribution in socio-religious spears of activity. Writers, journalists, and others of their ilk would also do very well professionally. All told a beneficial month for activities.

Encouraging signs are quite difficult to detect in the combination of stars facing you this month, as far as your professional prospects are concerned. There is

a distinct chance that some of you would act outside the law for quick profits. Should this happen, only disaster can follow. This month there would be few influences or none at all, which could mitigate the circumstances. You must, therefore, resolve to refrain from such acts.

This month the association with learned people, normally so beneficial for you, would not bear the same fruitful results. This is still more reason for greater care. Travel also will not be helpful, though a sojourn north could be marginally beneficial.

A beneficial month as far as your professional prospects are concerned. The company of gifted people of learning would imbue your whole life with a satisfying dimension. There would be material gains as well. Engineers and other technical people can look forward to realizing their goals.

Whether in business or service you would be fully secure. There would also not be any conflict or tension at your place of work, making for an excellent working climate. Some of you who are so inclined could well go on to make important contributions in social-religious spheres of activity, which would add to your name, and also be a great source of mental satisfaction.

This month the augury for your career prospects is quite propitious. Association with gifted people of learning would enrich your life in every way. There would be material advantages, of course. But that is not all the satisfaction you derive from such association there is a very major gain also.

You would tend to work quite hard, but the rewards would amply compensate you for your efforts. All anticipated goal would be realized. Whether in business or service you would be fully secure. The working climate would also remain excellent, without conflicts. Overall, a fairly beneficial month.

The signs from the stars are not very encouraging for your professional

prospects. You could well find yourself slogging away at work, with the rewards being nowhere near commensurate with the effort put in, working conditions, too, could be less than desirable. Most important, your association with people of learning would not bear the usual kind of fruit.

This would naturally make for dissatisfaction at your lot. Travel also will not bear fruit, though a journey Westwards may bring some marginal advantages. All told, a month during which there will be little for you to do except to patiently persevere with your work.

The augury from the stars is hardly favourable for your career prospects. This month your association with learned people of spiritual stature will not bring the usual benefits. This would not only create a sense of dissatisfaction but also create uncertainty that could well snowball into major concerns.

There would be a lot of hard work and the returns nowhere near commensurate with the effort put in. This would add to the difficulties. The redeeming feature of this period would be the inclination of most of you to lead a principal life, and not deviate for the sake of convenience.
