Physique, Health & Nature

The outstanding feature of your personality, as you are under the Virgo sign, is you look much younger than your age. That is your trump card in your long, eventful life.

Lean and lanky, with a prominent forehead, your eyes radiate honesty and sincerity. A straight nose, bushy eyebrows, dark hair and an athletic body provide a youthful touch to you. The only snag is you will have a thin and shrill voice which doesn't match with your general appearance.

You will enjoy robust health because you are very particular about avoiding disease. Hence, you always walk briskly, to avoid a bulging paunch. Since your stomach and the nervous system are pretty sensitive, you will have to be choosy in your intake of food. Eat at regular intervals instead of as and when you like and restrict your diet to vegetarian. Under any circumstance don't touch liquor and don't go anywhere near any kind of drugs. Take vitamin B.

Talkative by nature, you rub others the wrong way by endless criticism of the observations and actions. Put a check on it, otherwise, you will alienate your business associates and friends. A conservative, you are so calculating that you want to go into the minutest detail of everything. If you abandon this approach, it will be to your advantage. Another trait you will have to give up is fickle-mindedness because of which you lack consistency of purpose. You will have to first set your sight on a clear goal, work out a strategy and implement it with single-minded purpose, instead of suddenly getting upset and changing jobs. You confuse yourself by seeking the advice of any number of people on any given issue and consequently act in a haphazard manner. Accept the suggestions of any one person and act decisively on them which will turn out to be fruitful.

Gem Selection

Gems are advised to increase the benefic effects in a natives life. Scientifically, Gems are capable of collecting the cosmic rays of the planet concerned and pass on to one's body to enhance the effect of that planet. That is why, we only recommend Gem for a planet benefic to the horoscope. A planet is benefic if it is placed or is lord of Lagna, Trikona or Kendra and is malefic if it is lord of 6, 8, 12 houses. It is benefic if it is placed with or aspected by friends. It is considered malefic if it is lord of Badhak house that is 11th lord for moveable, 9th lord for fixed and 7th lord for mixed ascendants. Above considerations define the goodness of the planets for Gem Selection.

Table below describes the area of work and benefic factor of the planet is percentage along with graphical display. Power of different Gems in different dashas is given in the other table. For those who secure 50-75% marks, it is suggested to wear gems in dasha of friendly planet or it is required to enhance the requisite area of concern. Gems for planets which obtain less than 50% should be normally ignored unless it obtains more than 50% marks in particular dasha.

Personality Analysis

At the time of your birth, Virgo Ascendant (Lagna) was rising with Aries Navamsa and Capricorn Dreshkana in the first Pad of Hasta which throws up two divergent qualities of your nature - you will be well versed in holy scriptures having a thorough knowledge of religion; and you wouldn't mind resorting to questionable means to achieve your goals.

Obsessed with the passion to amass wealth, it seems you would go to any length to secure it. Merciless, energetic and industrious, you may be tempted to twist the truth and give the go-by to fair play and decency to realise your goal. You are a happy-go-lucky chap, eager to enjoy worldly pleasures. Good at heart, you will have many social contacts in which you will always look for the company of the opposite sex.

That is why you shun matrimony for many years, but once you select a partner, you will stick to him/her like a leech. You will, in fact, become a home bird devoted to the family. In this, your spouse plays a vital part, as your partner will be god-fearing, always making it a point to keep you happy. Through your spouse you will also beget very good children, about whom you don't have to have any worry, as they are sure to be well educated and comfortably settled in life.

But it will not be all smooth sailing for you. You will have to brace yourself against hurdles and combat them effectively. This you are surely capable of, provided you display determination and single-minded purpose. But since you have a fickle mind, you are apt to alter your stance time and again. You will have to abandon this trait, by making up your mind on your course of action and then follow it up with vigour.

Better give up your desire for drinks. If you don't it may spoil your good health. During your youth and middle age, your constitution can battle out any adversity, but as you grow old, you may experience the ill-effects of liquor. Not that any major diseases will afflict you, but you will have to be careful about the incidence of headache and back ache, tumour and blood pressure in your old age. Since you are assured of a long life, it would be in your interest to safeguard against possible diseases.

The lucky days for you are Wednesday and Friday whereas Saturday is average. The other four days are not too favourable as they will prove expensive. Also, rely on numbers 2, 3, 5, 6 and 7, and avoid 1 and 8. Your lucky colours are white, yellow, emerald and green. Red, blue and black don't suit you.
