Significance of Matching

Horoscope Matching is suggested to ensure a happy married life.

In matching, first we do Ashtakoot matching. The eight natures of the native is determined by his Rashi and Nakshatra - Varun, Vashya, Tara, Yoni, Rashi Lord, Gana, Bhakoot, and Nadi give us the indication of compatibility between the two partners. By Varna matching we know about the compatibility of deeds, Vashya gives nature compatibility, Tara tells about fate, Yoni and Rashi Lord confirm the mutual relationship, Gana defines social understanding, Bhakoot shows the day to day behavior and Nadi confirms Health and Children. These eight natures have been assigned marks from 1 to 8 respectively totaling 36. A minimum of 50% marks is considered essential for match to be acceptable. Less than this may create problems in the married life.

Manglik Dosha matching is also very important along with Ashtakoot Matching . A Horoscope is said to have Mars Dosha if in Lagna chart Mars is positioned in 1,4,7,8 or 12th House. For compatibility against this Mars Dosha it is necessary that both boy and girl either have a non Manglik Horoscope or a Manglik Horoscope. The books on Astrology define other rules as well for propitiation of Manglik Dosha. If Mars Dosha is properly taken care of the chances of accidents or ill fate are diminished.

With the matching thus properly done a smooth happy and peaceful life to the couple is ensure.

ShodashVarga Charts

Divisional Charts are extensions of Lagna Chart. Every chart has some specific purpose as described along with the chart below. These charts are to be studied along with the basic lagna chart to know in detail about the subject it represents. However, care has to be exercised in looking into these charts, because there are no aspects of planets here. Planet's behaviour is normally limited to the extent of sign or house it occupies in these divisional charts.

Due to Hershel's effect, your rise in Lucky will take place all of a sudden. There will be many jobs in your life which will not bear fruits even after hard work in desired period, and their progress may stop. But one day you will achieve success in such endeavours. You will strive for change in your functional area, a change in old beliefs will be your mission. You will be slightly away from old conventions and will be modern. You will be interested in areas encompassing science and learning, and activities found difficult by others will be dear to you.

There will be an explosiveness in your affairs and you will come in lime light suddenly. But this prominence will not be stable. Changes made again and again shall stall your advancement. Sudden successes and failures should teach you that lady luck does fluctuate. It is therefore advisable that you keep yourself away from

Personality Analysis

Umang Patel

The configuration at the time of your birth was Sagittarius Ascendant (Lagna) on the rise along with Cancer Navamsa and Aries Dreskana in the fourth Pad of Moola which promises a very bright patch for you but with a dark spot. The negative aspect in your chart is the possibility of your not enjoying the comfort of a long living father or a promising son. You can, however, get over this by treating your family members with more tenderness and treating your children with greater understanding. Plus, you can develop your existing interest in religion by delving deeper into the philosophical aspect of life.

The very idea of the Sagittarius sign is aiming high. Consequently, you can set your goal as high as you can, but bearing in mind that you will have to concentrate on any one thing at a time. Don't aspire for too many things at the same time. Only after you satisfy your desire in a project, should you go after another scheme. As you rise, you may ascend from the material to the spiritual plane.

You will have most of the things a human being can aspire for. You will have sufficient wealth, enjoy public popularity and succeed in achieving your goals. Happy-go-lucky, you are fond of travel and outdoor activities including sports. This enables you to enlarge your circle of friends, but then, you may make many of them hostile because you are an extrovert. You are given to airing in public your views without giving a damn to how others would react to them. Since you believe in certain principles in life, you make it a point to drive them home by speaking the truth all the time. As can only be expected, many people won't like this and they will start deserting you. So, keep clear of dabbling in others' affairs.

Look for a golden arrow in your 27th and 31st years when fortune is likely to favour you the most. During both those years you are likely to amass riches which you would do well to keep in cold storage so that it will come in handy on a rainy day.

The professions that blend well with your knowledge and temperament are journalism, becoming an advocate, politics or being attached with religious or educational institutions.

To maintain your health, which will be good by and large, you will have to guard against diseases like gout, apoplexy and rheumatism.

Make 5, 3, 6 and 8 your favourite numbers and keep off 2, 7 and 9.

Your lucky days are Sunday, Tuesday and Thursday whereas Monday is average. Wednesday, Friday and Saturday are inauspicious. The remaining two days are unfavourable which is why don't attend to any major work or start new ventures on those days.

Sweta Panchal

A life of luxury is on the cards for you according to the astrological configuration of Sagittarius Ascendant (Lagna) rising with Taurus Navamsa and Sagittarius Dreskana in the second Pad of Moola at the time of your birth.

Health, wealth and pleasure is in store for a god-fearing person like you who firmly believes in a free, frank and fearless approach to things in life. You shoot straight even if it hurts others; like when you talk on any subject expressing your views freely, uttering only the truth. This will, of course, not be to the liking of many people. Hence learn to put a tab on your tongue.

After getting rich, you will start developing an interest in supernatural things and tend to become philosophical and religious. Maybe, because of that, you can expect a windfall when you are 27 or 31 years old.

You will no doubt take a keen interest in your family affairs and provide your spouse and children with all the good things of life. But you won't be able to spare much time for them as you prefer to travel frequently and when in town participate in sports and outdoor activities. You will, however, have an understanding spouse and promising children.

When you take up any assignment, you will tackle it intelligently and make a success of it. In this you enjoy an advantage over most people - that is, you have the power of intuition and you are almost prophetic in guessing the shape of things to come. Making good use of these qualities, you will achieve your goal with comparative ease.

None can have everything; there will be something lacking in everyone. This holds good in your case too. Even though you will have almost everything an individual hopes for, your health will not be up to the mark. Of course you will enjoy fairly good health mostly, but you may suffer from gout, rheumatic pain and bone problems.

White, cream, blue, emerald, orange and green will bring you luck. The

colours you had better keep away from are red, black and pearl.

Avoiding numbers 2, 7 and 9, pin your faith on 3, 5, 6 and 9 which favour you.

Your lucky days are Sunday, Tuesday and Thursday whereas Monday is average. Wednesday, Friday and Saturday are inauspicious.

Planet Reading - Mars

Umang Patel

The stationing of Mars in Virgo in the tenth house denotes both plus and minus points for you. While you are likely to benefit from your father, as well as your father in-law, you may later face problems from your in-laws. Similarly, you can expect support from the establishment in your ventures, but if you don't conduct yourself properly with your superiors, they may subject you to humiliation. In contrast to the general trend, you will stand to lose in any litigation. So avoid all controversies.

You will, however, fare well in business and be a successful speculator. If you decide to enter politics, there are positive indications of victory for you in an election.

During the birth of this child Mars was in the tenth house which shows that his brothers and sisters will suffer from ill health sometimes. They will help him in every possible way.

He will love and respect them. But sometimes they will have disputes. But they will stand by each other at the hours of need.

Sweta Panchal

Unfortunately, however, you are an exception to the general rule as, with the location of Mars in Pisces in the fourth house, you have no alternative other than roughing it out. The inimical combination points to your having to face problems on account of your mother; either she will be in very poor health or your ties with her will be snapped. You may encounter problems from your mother-in-law too. No doubt you are bold, but you are quarrelsome which makes you get entangled in complications, the consequence of which could very well be the loss of your inherited property. Neither can you aspire to have a posh house nor a conveyance of your own. You may be unable to complete even basic education. For you, the ideal vocation will be taking to an artistic craft for which you have the required skill.

During the birth of this child Mars was in the fourth house which indicates good health for her brothers and sisters. But they will fall ill sometimes. They will never lack wealth or luxuries and will help and support her as much as they can.

She will love and respect them. Sometimes they will have differences of

opinion. But the tension will not last long. They will share their joys and sorrows.

Umang Patel

With Venus stationed in the enemy's house, you will have an average lifespan, during the course of which you will face some difficulties, primarily kidney trouble. Your health will otherwise be okay.

Among the other problems likely to worry you is one which will be of your own making. And that will be getting into debts due to your desire for ostentatious living to impress others. However, fortunately, you will be able to clear all the hurdles, thanks to the support of friends and well-wishers. Fighting continuously makes you disillusioned with humanity and fair play.

Sweta Panchal

Your servants are good. They are reliable and honest. They will obey you in every way.

Your maternal relatives will favour you and you will get support from them. They will be good to you and will support you financially.

Planet Reading - Saturn

Umang Patel

But, as far as you are concerned, you will have to wage a bitter struggle against many odds, as the presence of Saturn in Pisces in the fourth house is unfavourable to you. Quarrelsome and suspicious by nature, you may not be able to hit it off with your mother and may even break with her permanently. You will, however, manage to inherit a share of the ancestral property, but you may be unable to retain possession of it. Your own house too won't be anything to shout home about and your domestic atmosphere may be disturbed by your behaviour and actions.

Yet, there is a silver lining. And that is, you will overcome most of the obstacles by dint of hard work and determination, and lead a comparatively comfortable life in your old age.

Sweta Panchal

Saturn in Aquarius in the 3rd house indicates that at times you lack self confidence.

Though Sagittarius Lagna indicates that you and your co-borns will mutually co-operate with each other, Saturn's influence is much stronger and you will be worried and unhappy due to their behaviour and actions. They will prove to be unreliable and unwilling to assist you.

Although Sagittarius Lagna states your interest in music, Saturn takes away this interest in music. You have very little interest in music, dance, songs and movies and consider them good only for those times when one has no worries.

Planet Reading - Rahu

Umang Patel

Rahu, stationed in Venus in the tenth house, will make you religious minded. You are likely to study scriptures and acquire sufficient knowledge about philosophy. This, coupled with your interest in the occult sciences, will enable you to conduct yourself well with others, especially your superiors who will help you to rise in your profession. In general, you will command respect in society and lead an honourable and decent life.

Sweta Panchal

Rahu in Scorpio in the twelfth house indicates that you spend mainly on your family members and on household expenses. You will also spend money for the treatment of some disease.

Confinement to your bed is likely, making it impossible for you to attend to other work.

Journeys are indicated in connection with your profession and you may travel abroad in connection with your job.

Hospitalization is certain with this placement of Rahu in the twelfth house although Sagittarius ascendant does not indicate any such thing and Rahu's influence is stronger. Affliction of the left eye is certain for which medical treatment should be taken in time.

Planet Reading - Ketu

Umang Patel

But the saddest aspect of it all is that not only will you be deprived of the favourable trends of your birth sign, you may have to undergo untold misery due to the location of a diabolical Ketu in Pisces in the fourth house. Problems will start staring you in the face from your early age when you may be separated from your mother, then getting embroiled in law suits regarding ancestral property, the benefits of which you may not be able to get in any event. Plus, financial losses and an unpleasant home in which bickerings will be a routine affair, because of inadequate income. If, driven by desperation, you associate yourself with undesirable persons, then your cup of sorrow will be full.

Take control of yourself, come to grips with your problems with an unbiased mind and evolve a workable formula to get over the difficulties. Therein lies the way for you to lead a reasonably satisfactory existence.

Sweta Panchal

Ketu in the 6th house creates opposition for you in the form of your relatives and enemies. They do not like you and will spoil your public image. They are jealous of your progress. This is due to Ketu's influence.

Though Sagittarius Lagna indicates that you will have good and reliable servants, Ketu does not let you benefit from your servants. Your servants will not be good. They will disclose your secrets to others. They will be tempted to steal from you. Most of the time, you will remain under debt.

Though Sagittarius Lagna indicates good maternal relatives, Ketu reverses this trend and your relations with the maternal side are not cordial at all. You will get a poor response from your maternal uncles and aunts.

Physique, Health & Nature

Umang Patel

Sagittarius on the rise at the time of your birth clearly denotes you will be a graceful, charming person with a well-proportioned body which can make a tremendous impression on others. Tall and lean, with a prominent forehead on an oval face, displaying a pair of expressive eyes, you can be termed as handsome.

You will enjoy sound health for the greater part of life, but after crossing the midway mark, you will have to be cautious.

An optimist, you always look at the brighter side of things, without adopting a negative approach. Jovial and generous, you take life in its stride. You are very particular of enlarging your circle of friends; especially foreigners for whom you have great fancy. By nature you are not timid, but pretty aggressive. In the face of adverse conditions, you will emerge with flying colours as you relish meeting the issue squarely. Even while actively engaged in worldly affairs, you have a desire to learn about religion and philosophy about which you will be inclined to make a study.

There are, however, some negative aspects which you should attend to. You are, because of your independent spirit, likely to fall out with your parents, brothers and sisters. Since you spend a lot of time in outdoor activities, you may not be able to devote adequate time for your spouse and children. You will have to strike a balance so that your family doesn't feel neglected.

Education, Mother, Conveyence & Property

Umang Patel

The overall trend indicated for one born when the Pisces sign is in the fourth house, is royal innings of plenty and pleasure. Hence you won't be off the mark if you are optimistic of a cozy life without hassles.

You can be off to a sound start, thanks to your mother, whose main ambition is the prosperity of her children. An intelligent lady who won't be conservative but will lap up progressive ideas, she will encourage you to learn to stand on your own feet and pursue your profession oozing self-confidence. She will maintain the home in a tip top condition providing the atmosphere necessary for a delightful time for the family.

There are bright chances of inheriting ancestral property, a part of which you are either likely to dispose of or effect alterations to suit your requirements. That you are fortunate in the matter of accommodation will be confirmed by the fact that you will own a fine house in a central locality. You won't face any conveyance problem, as you will have your own vehicle.

No doubt you are intelligent and can acquire a good academic qualification, but the problem is that you are fickle-minded and may tend to stray. Hence, it is necessary for you to seek guidance from your elders to achieve a high degree in mathematics, accounts or science, the three subjects in which you have interest. Side by side, you will also make it a point to gain knowledge about religion and the occult sciences. As age advances, you will be so proficient in occultism that many people will become your disciple.

It is not unnatural for one enjoying a luxurious life to be tempted towards alcohol and cigarettes. If you don't yield to such an urge, then you will not invite any health problem. Otherwise, you may be afflicted by diabetes or lung trouble.

Unfortunately, however, you are an exception to the general rule as, with the location of Mars in Pisces in the fourth house, you have no alternative other than roughing it out. The inimical combination points to your having to face problems on account of your mother; either she will be in very poor health or your ties with her will be snapped. You may encounter problems from your mother-in-law too. No doubt you are bold, but you are quarrelsome which makes you get

entangled in complications, the consequence of which could very well be the loss of your inherited property. Neither can you aspire to have a posh house nor a conveyance of your own. You may be unable to complete even basic education. For you, the ideal vocation will be taking to an artistic craft for which you have the required skill.

Profession, Father, Status & Power

It is the general pattern that politics is the best profession for those born when the Virgo sign is occupying the tenth house. Even if it is not preferred as a full time occupation, the native can hope to secure substantial benefits from politicians.

Not that it is the only area that suits you. There are many others from which you can have your pick. They include being a public orator, bank employee, teacher, editing and publishing books, establishing close links with educational and religious institutions, or occultism. Company law, engineering, foreign assignments or civil contracts can also be pursued.

It would be in your interest to do business instead of service as there are hints of your making good profits in business like trading, import, export or valuable or engineering items.

You can be optimistic of securing favours from governmental agencies. If you prefer it, you can also take up a government job in which your worth will be recognized, yielding rewards. In case you are forced to enter into a litigation, you needn't despair as you will emerge from it unscathed.

It seems you have inherited quite a few of your father's qualities. He is an active, brisk individual who approaches issues with an alert mind and goes about his job in a methodical manner. At the same time, he is an expert in finding fault with others and castrating them for their shortcomings. You have many of these traits.

The stationing of Mars in Virgo in the tenth house denotes both plus and minus points for you. While you are likely to benefit from your father, as well as your father in-law, you may later face problems from your in-laws. Similarly, you can expect support from the establishment in your ventures, but if you don't conduct yourself properly with your superiors, they may subject you to humiliation. In contrast to the general trend, you will stand to lose in any litigation. So avoid all controversies.

You will, however, fare well in business and be a successful speculator. If you decide to enter politics, there are positive indications of victory for you in an election.

At the time of your birth, Scorpio sign was placed in the twelfth house. Mars is the lord of this sign.

Your indifference to material wealth makes you unconcerned about riches. But your concern for the needs of others can lead you to raise large sums of money for their benefit. So there should be no doubt about your abilities either as a wage earner or as a fund collector. Your financial dilemma is rooted not in your skills but in your will. Once you make up your mind to be prosperous, once you want to enjoy economic security, you will do so.

Spending money will be mainly for charity, donation and to help friends who may need it. You will be a particularly tempting target for those who want to exploit your good nature. While you can continue to be kind you must learn to be careful, too.

You have the urge to travel. Because of your determination and need for new horizons to explore, you enjoy travel and engage in it.

In another age, you would have been one of those daring adventurers who discovered new lands, always ranging further afield than was considered wise. In today's world, you might be a researcher in a laboratory, always looking a few steps ahead of the latest scientific data or the volunteer fireman who is always first on the scene of a fire. Whatever your occupation, your venturesome sense of discovery keeps you a little out in front of your colleagues. You would be unhappy any where else.

Travel however, for you will be in connection with some disease and for medical care. Hospitalization is possible but it will not be for a serious reason since you enjoy good health.
