# Numerology Prediction

Your date of birth is 20. The addition of 2 and 0 make your Radical number as 2. The ruler of Radical number 2 is Moon and for 0 it is Shiva or Brahma. The combined influence of these two will make you a refined, handsome and imaginative person. You will be blessed with good imagination. Mostly you will be involved in desk jobs. Physical labour will not motivate you. The influence of Moon will make you revise your plans. This will create delays. Some of your plans may be put in abeyance. This will create remorse and mental torture for you.

As you are having a fickle mind you would like to move. You will undertake distant travels and will visit many far off countries. Few of these travels may change your life. You will be lacking in confidence. Due to this, many of your projects will not be completed in time. Sometimes you will come in to depression and life will appear dark like empty space to you. However, by using your patience and courage, you will regain your lost prestige.

Your social status will be good. You will be popular amongst people. This will keep you quite balanced. The moon nature may cause you coughs and cold occasionally. As you will mostly use your mental energies, you may suffer from headaches, stress etc. However, by virtue of your Radical number, you will be successful, popular and high statured person in life.

The ruler of your Lucky number 4 according to Indian view is Rahu but according to western astrology it is Hershel (Uranus). Due to Hershel's effect, your rise in Lucky will take place all of a sudden. There will be many jobs in your life which will not bear fruits even after hard work in desired period, and their progress may stop. But one day you will achieve success in such endeavours. You will strive for change in your functional area, a change in old beliefs will be your mission. You will be slightly away from old conventions and will be modern. You will be interested in areas encompassing science and learning, and activities found difficult by others will be dear to you.

There will be an explosiveness in your affairs and you will come in lime light suddenly. But this prominence will not be stable. Changes made again and again shall stall your advancement. Sudden successes and failures should teach you that lady luck does fluctuate. It is therefore advisable that you keep yourself away from explosive, risky situations. Carefully thought out deeds may enhance your destiny.

Your Radical number is 2 and Lucky number is 4. The ruler of your Radical number is Moon and Lucky number lord for you is Hershel (Uranus). The Moon and

Hershel are having even relations. Due to their influence, you possess an explosive imagination which is also quick and wonderful. While the Moon makes you a tolerant person, the Hershel may make you destructive which may stop your progress. There may be many changes of job or business in your life. There will be many unexpected events in your life, which will change your views and profession. In your occupation you will have gradual progress to peak involving many struggles. To control this impatience will be helpful to you.

The rise of your fortune will begin at the age of 22 years. There will be good upswing at 31 and 40 your career will be on peak.

Your Radical number 2 is friendly with 7 and 9. The Lucky number 4 is friend of 1 and 8. Therefore numbers 1, 2, 4, 7, 8, 9 will be important and lucky for you. These numbers will cause few important happenings in your life.

As your Radical and Lucky numbers are on even terms with each other, their effect on your life will be favourable on you more or less. Many important events of your life will take place on dates, months, calendar years, years of age bearing your Radical and Lucky numbers.

Whenever the dates, months, years, your lucky days of week will coincide, such day will be lucky for you beginning any work, for writing a letter or for meeting a senior official etc. If you will review the important events of your past life you will find that many such events have occurred on months, years, days of your Radical and Lucky numbers or their friendly numbers.

After analysis of the past events of your life the numbers you find are favourable for you are suitable for future planning of your life.

The months of January, February, April, July, August, and September are important for you. You should begin your important jobs on a day when Day, Date, Month and Year are compatible with your Radical and Lucky numbers so that all are lucky for you at a time.
