Personality Analysis

The configuration of Aquarius Ascendant (Lagna) with Sagittarius Navamsa and Aquarius Dreskana in the first Pad of Satbhisha at the time of your birth shows you can enjoy a life of wealth and happiness, provided you don't get lethargic but attend to your work promptly.

Well read and possessing independent views, you are certainly capable of hard and dedicated work to achieve your goals. You will have to make proper use of your excellent faculties to emerge on top.

Though given to talking rather harshly, you are an honest, truthful person who doesn't want to harm others. But, if provoked, you have the ability to strike back at your enemies with tremendous force and crush them.

You will not only be financially well off, you can also enjoy positions of power and influence. The most significant year in your lifespan will be when your age will be 28. That year you can expect a turn for the better in all your pursuits.

A person of meditative nature, you enjoy solitude. God- fearing and religious minded, you will evince keen interest in philosophy and the occult sciences. Therefore, the professions that will go well with you are astronomy, astrology, occult sciences, statistics and air travel business.

By and large, your health will be all right, but the diseases that may affect you in your old age are heart trouble, blood pressure and rheumatism. Also, be careful in your movements, as in the event of even a minor accident, you may sustain fractures which could ultimately lead to amputation.

You will have a quiet and pleasant home. You will make earnest efforts to maintain it that way. You will be fortunate to have an understanding spouse and lively children.

Pin your faith on numbers 2, 3, 7 and 9 as they favour you. Those you should avoid are 1, 4, 5 and 8.

Your lucky days are Friday and Saturday; whereas Wednesday is average. Monday, Tuesday, Thursday and Sunday are not too favourable as they may bring worries, forcing you to incur much expenses.

Eschew orange, green and blue colours which are inimical to you. Go in for white, cream, red and yellow which will be beneficial.

Rudraksha

Rudraksha is a Sanskrit word. If we split this word into two we get these two words Rudra and Aksha. Rudra means Lord Shiva and Aksha means Aansu(tears) of Lord Shiva. According to Hindu Mythology tears of Shiva fell on earth in the form of Rudraksha tree. The Rudraksha tree belongs to Elaeocarpaceae family and is as huge as the Banyan tree which has seed covered with pulp and outer skin. After drying the skin turns black and grooves appear on the surface running from apex to the bottom, there by demarcating clear areas called 'Mukha or faces'. The Rudraksha are classified on the basis of number of faces, which can range from one to twenty one.

Sometimes Rudraksha are found in twins which are considered to be symbols of Lord Shiva and Parvati (Goddess). They are known as Gauri Shankar Rudraakshas. In the same way if three Rudrakshas are together they are considered the symbol of Shiva, Shakti and Ganesha or Bramha, Vishnu, Mahesh. But these types of Rudrakshas are very rarely available. Scriptures like Rudraksha Jabalopanished, Shiva Purana, Devi Purana and Padma Purana extol the value of Rudraksha seeds.

In general all Gods are fond of Rudrakshas but it is believed that it is most favourite of Lord Shiva. Modern scientific research came out with positive results about Rudraksha. It is found that it stores electromagnetic properties, which influences human physiology. Each type of Rudraksha has its own influence and property. Rudraksha is worn to get beneficial results and is helpful in curing diseases like epilepsy, hypertension, blood pressure, stress, whooping cough, wounds. Wearing of Rudraksha not only pleases Lord Shiva but also brings blessings of Lord Vishnu, Durga, and Ganesh and Navgrahas (nine planets) it reduces the ageing process and brings peace and harmony in life.

In Hindi, Bengali, Sanskrit, Bhojpuri, Gujrati and Panjabi it is known by the name Rudraksha. In Tamil, Kannad and Telgu it is known as 'Rudraksha Koti' in English as Utrasum Bead and in Latin language it is known as Elaeocarpus Ganitrub Roxb. Rudrakshas can be found in India, Nepal, Tibbet, Indonesia, Sumatra, China, Jawa, Malaysia, Medagaskar, Pacific Ireland etc. It is produced in Nepal in abundance. One faced Rudraksha is the property of Royal family of Nepal. So, it should be deposited in national treasure. If somebody would dare to sell it he shall be punished.

According to Hindu Mythology Rudraksha of Nepal is best in the world.

Your Horoscope and Rudraksha

Your Lagna is Aquarius because of which the influence of Saturn can be seen on your personality and therefore you are ambitious and a clear hearted person. You don't tolerate the interference of others in your work. You are philanthropic and generous. You love to work in a team and that is why you have lots of friends. You don't try to take the credit for efforts made by you for the accomplishment of your task.

You are advised to say your things openly and frankly and you should also understand the opinion of others. You love to go deep in to the subject matter but your thinking generally goes against the thinking of other people. Therefore people do not understand you easily. You work slowly after designing your future plans sensibly. You can work very hard and your behavior is different and controlled. At times your feeling of self-respect gets converted into ego. You are advised not to overlook the happiness of others.

For your Aquarius ascendant Mercury is lord of 8th and 5th, Moon is that of 6th house and Saturn is lord of 11th and 12th. The bad position of these planets creates troubles like health troubles, tensions from enemies and legal matters, uncontrolled expenses, lack of educational success and recognition, and obstacles on all fronts.

6th, 8th and 12th house are known as trik bhavas. The lords of these houses and the planets placed there in create obstacles in life. 6th house denotes diseases debts and troubles created by enemies. On account of it the house occupied by this planet loses its auspiciousness. The native becomes the victim of troubles like diseases, debts and troubles from enemies thereby affecting your physical, mental, social, financial and domestic conditions very badly. Among trik bhavas 8th house is most notorious and inauspicious. It destroys the auspicious

rahulkanungo@hotmail.com

results of the house occupied by it. The maleficence of the planets occupying 8th house increases and eventually the inauspicious results also increase. The 3rd trik bhava is 12th house. It denotes various types of expenses and that is why known as house of expenses. This is house of loss, tax, sleep, bed pleasure, jail, foreign journey and salvation. The lord and the planet placed in 12th house increase the inauspiciousness of this house.

The 8th house saturn can give long term diseases, this yoga also affects mental happiness. It is negative for accumulation of wealth, gains in business. It reduces issue comfort too.

For getting the auspicious results of all these planets you should wear Rudraksha Kavach comprised of 2, 4, 7 faced Rudrakshas. This Kavach should be worn in white thread on Monday after sanctifying it with sprinkling of Gangajal and chanting of "Om Namah Shivay" Mantra atleast 108 times. After that offer raw milk to lord Shiva and donate as per your strength. This would help you in overcoming the difficult situations of life. There shall be substantial relief in serious problems too. For giving extra strength to all the planets of horoscope you can also wear Shivkripa Rudraksha Mala comprised of 1 to 14 faced Rudrakshas which yields miraculous results.

The above kavacham can be worn throughout life irrespective of the consideration of dasha and gochar. This kavach is essential for overcoming the malefic effects of lagna and the planets placed in lagna.

Finance - 2025

Financially it won't be an excellent year in the beginning of the year because of ups and downs in business and some sudden expenses would spoil the shape of your budget therefore you are advised not to take any type of risk. Abstain from taking/giving loan.

After 14th May there would be betterment in the inflow of money as a result of which you would get rid of debts. You would be spending on auspicious ceremonies in the family.

Prediction For January 2025

Nothing particularly favourable about the augury for your financial prospects this month. There is a distinct possibility that any dispute or litigation that you might be involved in would be decided against you. Arrange matter in such a way that any decision on such matters is deferred to a latter period.

Further, some of you would be influenced by a mean streak which would lead you to severely exploit your workers, subordinates, or any people below you in the social status. This would be met with stiff resistance, and would create an extremely unpleasant situation for you. Curb such tendencies with a firm hand. Most of you would tend to work very hard, and struggle a great deal to realize anticipated objectives. But, in this effort of yours, you would not achieve much success. Maintain a low profile till the adverse spell is over.

Prediction For February 2025

Nothing propitious about the augury from the stars in so far as your financial prospects are concerned. Despite the association of gifted people of learning and spiritual stature, you are unlikely to benefit very much. In fact, most of you could well be working very hard and struggling to achieve expected gains. Yet, despite all your efforts, there would be little chance of success.

A pretty bleak scenario, made perhaps more so by the fact that any dispute or litigation that you might be involved in would go against you. You can only try to get the decision deferred to a more auspicious and later period. The climate would also not be congenial for investment or new ventures.

There is every chance that financially you would do very well, since dame fortune is in a mood to bless you. Expected gains would be realized. Any enterprise where small quick gains are possible would be just the kind of venture suited to the period ahead.

There is also the possibility of gains from dealing with government bodies and departments. Therefore, if you have any such matters pending take them up now, because the results would be favourable. This is also the time to make fresh investments on a medium scale at most, though the returns may be substantial. For some of you, there would be definite financial advantages in dealing with crooks of various sorts.

Prediction For April 2025

A month full of profitable opportunities, which you should go on to beneficially exploit. Those dealing with government bodies and departments would stand to gain a great deal. Push through any such propositions without loss of time. You would also stand to gain substantially from any litigation or disputes.

These would win, for at least some of you, fairly handsome profits. This would be a favourable period for launching new ventures or making investments. Profits though somewhat slow in coming, would surely accrue to you. There would be some of you given to hobnobbing with crooks of various kinds. This would be an extremely, profitable period for such people.

Prediction For May 2025

The outlook for financial gains, is fairly bright this month. Practitioners of the fine arts, would have an extremely satisfying time. Writers, painters, musicians, sculptors and the like can look forward to substantial gains. Those dealing with government can similarly look forward to big profits. The realization of expected gains is a virtual certainty for all of you.

The climate would also be congenial for investment and new ventures. Additionally, travel would bring quick though small gains. There would be a few among you given to hobnobbing with crooks, and usually gaining from such association. This month, too, would prove quite beneficial for such people.

Prediction For June 2025

Nothing very auspicious about the augury, for your financial prospects this

month. Those dealing with government bodies or departments would have extremely rough sailing and even suffer losses. If dealings can be postponed, do that failing which make whatever allowances you can.

Litigations and disputes would also be decided against you. As far as possible, work to delay decisions, so that these are made during a later, and more favourably period. Travel, too, would prove unfruitful. In fact, most of you would be unable to realize planned gains. Therefore, it would be a wise policy to plan for a lean period, during which you should keep a low profile.

Prediction For July 2025

The ensuring month does not augur well for your financial prospects. Any litigation or dispute is bound to be decided against you. Therefore, you should strive to get the decision deferred to a later period. Dealings with government bodies or departments would also be fraught with problems of various kind.

There may even be losses. In fact, most of you would be unable, quite simply, to realize your planned gains. This would also apply to that small section amongst you, who are used to dealing with crooks of various descriptions. The climate would not be congenial for any investment or new ventures.

Prediction For August 2025

The stellar influences do not favour your financial prospects this month. Any dispute or litigation is almost certainly going to be decided against you, therefore; work to see that these do not come up for decision during this period.

Any dealings with government bodies or departments would also be fraught with serious problems, and may even result in losses, though with patience and by avoiding panic reactions you could mitigate the adverse circumstances to a very large extent. In fact, realization of planned objectives may be next to impossible for most of you. The climate would also not be congenial for investment or new ventures.

Prediction For September 2025

The coming month would be hardly conducive to fortunate results in your financial dealings. There is every chance that any litigation or dispute that you might be engaged in would be decided against you. Therefore, you must strive to get the decision deferred to a later and more favourable period.

rahulkanungo@hotmail.com

Those dealing with government bodies and departments would have a difficult time, with their dues quite possibly getting stuck up. Most of you would find it nearly impossible to get to your planned objectives. The climate would hardly be congenial for investment or new ventures.

Prediction For October 2025

The period ahead is not at all favourable for your financial prospects. Any dispute or litigation that you might be involved in would almost certainly go against you. You must, therefore, manage things in a such manner that any such dispute does not come up for decision during this period.

Dealings with government bodies or departments would also be fraught with problems of a serious nature. This too, should be handled in a manner that shows full awareness of the circumstances. There would be some among you, who are used to dealing with crooks of various types and gaining substantially from such associations. This month for such people there would be no gains, rather a lot of trouble which could be disastrous.

Prediction For November 2025

This month you not only have excellent prospects of financial gain, but also the chance of making profits by doing good deeds and in the company of learned people of spiritual stature. Any disputes or litigation that you might be involved in would go in your favour. This means that you should manage your affairs in a manner so that any such disputes come up for decision during this period.

Those dealing with government bodies or departments have an extremely profitable time ahead. They must make the most of it in a planned manner. Practically, all of you would be able to realize your planned objectives. Further, the climate would be quite congenial for investment and new ventures.

Prediction For December 2025

This month the prospects for your financial affairs are quite bright. Those dealing with Government would stand to gain quite a bit. As would people employed in the steel industry, or trading or dealing in steel goods. There is a distinct possibility that any litigation or dispute that you might be involved in would be decided in your favour.

Not only that, but you would also gain financially from such a decision. You must, therefore, work to see that any such a dispute comes up for decision during this period. Finance - 2026

This year would not be so much for economic perspective. In the beginning of the year, Jupiter exercises its aspectual effect on Eleventh House which is an indication for incessant flow of income. But Saturn being posited in Second House would not permit you to have the desired savings.

After June 02, there would be such expenses which could disturb your budget. Avoid investments where any sort of risk is involved otherwise you might suffer losses. You could also have expenses on treatment for diseases caused to family members. Do not lend money to anybody since its return has very black chances and put a curb on your personal expenses.

Prediction For January 2026

This month the combination of stars facing you is quite favourable for your financial prospects. Good fortune would come to your doorstep in the form of a favour which some member of the female sex would do to you. You would stand to gain substantially from this. Most of you should be able to realize anticipated profits in full.

Most of you would also have a style of handling your workers or subordinates in a manner that could enable you to derive optimum benefit from their services. This would be a very important gain. Further, the climate would remain quite congenial for investment and new ventures. If you have any such plans on the anvil, now could be the time to put them into motion.

Prediction For February 2026

There is nothing particularly beneficial in the augury for your financial prospects this month, despite the association of several learned people of spiritual stature. The month would see most of you working quite hard, and struggling to achieve expected gains in which task you are unlikely to get much success, despite all your efforts.

There would be a quantity of travel as well, but this would appear to be a pointless exercise bearing no fruit. If you have any plans for investment of or for launching new ventures, these should be shelved for the moment till the circumstances would be propitious for such tasks. Keep a low profile till the adverse spell is over.

Prediction For March 2026

The ensuring one month would not be very congenial for financial gains. Expected profits would be very difficult to realize. Various types of hurdles would make this task virtually impossible. Even small quick gains would become difficult to get. Under the circumstances, this would hardly be the right time for new ventures and investment.

Travel also would fail to generate the expected gains. This is not to advise against all travel but merely an indication that circumstances being what they are, gains would be difficult to come by in any manner. Even contacts and influential friends would not be very helpful.

Prediction For April 2026

Not a very profitable time ahead of you as far as your financial prospects are concerned. Most of you would find it very difficult to realize planned profits. There would be a great deal of travel, but here again even small gains would be difficult to come by.

Under the circumstances, it would be evident that the climate is not congenial for investment or new ventures. Contacts and influential friends are not going to help much either. People engaged in general trading might find the going somewhat rough. The same would also apply to those connected with any aspect of the transport industry. A period that you should tide over with patience.

Prediction For May 2026

Nothing very favourable about your financial prospects this month. Practitioners of the fine arts may not do well financially. The same would also be true of those engaged in any aspect of the transport industry, whether in job or business. There is a fair possibility of difficulties in the realization of planned profits for most of you. In fact, even small gains may be difficult to come by.

Travel would also draw a blank, and you could well find yourself quite profitless at the end of a great deal of hectic travel. Quite obviously, the circumstances would not be congenial for investment or new ventures. Therefore, you should maintain a low profile during this coming month and wait for better times.

There is nothing very favourable, in the augury from the stars, in so far as your financial affairs are concerned. Those engaged in the transport industry would face problems, even losses. Make provisions well in advance.

Travel would also appear to be a pointless exercise with a good deal of going here and there proving to be virtually profitless. Quite obviously the climate is not congenial for investment and new ventures. In fact, most of you may not be able to realize planned gains for which you would be working. Wisdom dictates provisions to be made for a lean period, during which you should maintain a low profile.

Prediction For July 2026

Nothing very favourable about the augury, for your financial prospects this month. Any dispute or litigation that you might be engaged in is bound to be decided against you. Therefore, you must work hard to get the decision deferred to a later and perhaps more favourable period.

In fact, most of you would find it impossible to realize planned gains, because of a set of unfavourable circumstances. Even small gains may be difficult to come by. Therefore, it would be a wise policy to make some allowances well in advance. Quite obviously, in such a scenario the climate would not be congenial for investment or new ventures.

Prediction For August 2026

The combination of stars facing you this month is not favourable for your financial prospects. Most of you would struggle quite a bit to try and realize some portion of your planned objectives. your planned objectives. There would be a good deal travel, but this, too, would appear to be a pointless exercise and bear no fruit.

In fact, even small gains may be difficult to come by. There is the further danger that those engaged in exports, imports or any other dealing with foreign countries would also suffer a set-back. The climate would be hardly congenial for investment or new ventures, and you would do well to maintain a low profile, till the adverse spell is over.

Prediction For October 2026

The augury for your professional prospects, is far from bright this month, because the combination of stars facing you is not in an obliging mood. Most of you would have to struggle quite a bit to realize some portion of your anticipated objectives, and even then success may elude you.

The circumstances may be so unfavourable that even minor gains may be difficult to come by. The climate would not be congenial for investment or new ventures. This would put you in a straight jacket as it were. You should remain patient and maintain a low profile during this period till the adverse period is over. Also make allowances for a lean spell, well in time.

Prediction For November 2026

An excellent month, full of profitable opportunities so that with some efficient management you could really go places. There is the distinct possibility of some member of the female sex doing you a highly beneficial good turn that would be extremely beneficial.

Further, there is every chance that most of you would be able to realize anticipated gains. Those of you engaged in the transport industry have a particularly useful time ahead. Also you tend to make full profits, not in parts, and in a reasonably short period. Travel also will bring good profits. And there may be a good amount of travel. Finance - 2028

Beginning of the year would not witness favor for economic perspectives. There could be such expenses which might tell upon your economic status. Since FEBRUARY, transit of JUPITER and SATURN is turning favorable, so there would be escalation of sources of income. Improvement in your economic status would get a boost. Old and long pending debts could be got rid of. Blocked and much delayed money could also be got back. After MAY 24, RAHU in ELEVENTH HOUSE is sending signals of high frequencies for noticeable gains all of a sudden.

After JULY 24, transit of JUPITER is not creating favorable voices. So do not invest for any risk involving venture. Be always very much cautious for transactions. Money could be spent for maintaining health of a child or a member of the family.

Prediction For January 2028

Your financial prospects does not look too good this month, according to the augury from the stars. There are grounds to believe that some of you would be influenced by a mean streak that would make you severely exploit your juniors, workers, or simply people below you in the social strata, for personal gains.

This would surely boomerang upon you, creating a highly unpleasant situation from which it might be difficult to extricate yourself. Curb such tendencies firmly, failing which you only have yourself to blame. There is also a fair possibility, that speculation of any sort could bring substantial losses to some of you. You must, therefore desist from gambling and such-like activity.

Prediction For February 2028

The augury for your financial prospects is anything but cheerful this month. Most of you would have to work quite hard and yet have few chances of realizing your objectives. Further, there is a distinct possibility that speculative activity would take some of you to your doom.

Expected gains would not materialize and further compound the mess. There is also the likelihood of having to do other people's dirty work in the hope of making a fast luck. Such greed should be curbed, because not only will luck elude you, but also create a situation which could easily become very bothersome.

rahulkanungo@hotmail.com

The configuration of stars facing you this month is not very favourable for your financial prospects. well find themselves in a soup. Refrain from such enterprises.

There is also the likelihood of serious losses to some of you through speculative activity of one sort or the other. Yet another precaution : stay away from gambling of all types. A bad time for investment and new ventures. Such plans should be shelved for the time being.

Prediction For July 2028

A month during which your financial prospects don't look too bright, since the stars are not in an obliging mood. Any dispute or litigation is almost certainly going to be decided against you, resulting in substantial losses.

Further, some of you would be inclined to do other people's dirty work in order to make a fast buck. As things stand, luck would be nowhere in sight and you would find yourself in the middle of a very thick soup indeed. Refrain from such actions. Also, an unfavourable period for making investments and to launch new ventures.

Prediction For August 2028

There is nothing very favourable in the augury from the stars, in so far as your financial prospects are concerned. There is the distinct possibility that some of you would undertake to do other people's dirty work in order to make a fast buck. This would be a serious error because the circumstances would surely put them in an undesirable position, with luck of course nowhere in sight.

Others among you would be prone to indulge in speculative activity again, for quick profit. There is a good chance that they would face serious losses. Quite obviously, you must take the hint and stay away from all varieties of gambling. Not an auspicious period for investment and new ventures either, and such plans, should be shelved for the moment.

Prediction For September 2028

an impossible one. There are chances that some of you would suffer serious losses from gambling and such-like activities. You may, therefore, desist.

Prediction For October 2028

Nothing particularly favourable in the augury from the stars this month, so far as your financial prospects are concerned. You would surely miss even the normal self-confidence and the ability to take initiatives, and this would tell adversely on your progress. The situation would be further compounded by a near total lack of opportunities at work.

Further, there are grounds to believe that speculative activity would bring serious losses to at least some of you. You must, therefore, refrain from gambling and such-like activities. The climate would also not be very congenial for investment and new enterprises, which should be shelved, for the moment.

Prediction For November 2028

Nothing particularly favourable about the augury, from the stars in so far as your financial prospects are concerned. Speculative investment or activity could easily take you to financial loss, this month. Expected gains would fail to materialize, creating a nasty situation.

Most of you would have to work quite hard and yet the chances of realizing your objectives, would be quite remote. Further, there is the likelihood of having to do other people's dirty work in the hope of making some quick money. Such greed should be curbed, because apart from the distasteful work involved, such risks could prove quite bothersome for you.

Prediction For December 2028

Your financial prospects look good this month, since you will get several notable opportunities, for profit. Those of you who go in for speculative activity or even gambling may look forward to, making handsome profits. Further, for some of you there is a distinct possibility of an unexpected windfall.
