## Significance of Matching

Horoscope Matching is suggested to ensure a happy married life.

In matching, first we do Ashtakoot matching. The eight natures of the native is determined by his Rashi and Nakshatra - Varun, Vashya, Tara, Yoni, Rashi Lord, Gana, Bhakoot, and Nadi give us the indication of compatibility between the two partners. By Varna matching we know about the compatibility of deeds, Vashya gives nature compatibility, Tara tells about fate, Yoni and Rashi Lord confirm the mutual relationship, Gana defines social understanding, Bhakoot shows the day to day behavior and Nadi confirms Health and Children. These eight natures have been assigned marks from 1 to 8 respectively totaling 36. A minimum of 50% marks is considered essential for match to be acceptable. Less than this may create problems in the married life.

Manglik Dosha matching is also very important along with Ashtakoot Matching . A Horoscope is said to have Mars Dosha if in Lagna chart Mars is positioned in 1,4,7,8 or 12th House. For compatibility against this Mars Dosha it is necessary that both boy and girl either have a non Manglik Horoscope or a Manglik Horoscope. The books on Astrology define other rules as well for propitiation of Manglik Dosha. If Mars Dosha is properly taken care of the chances of accidents or ill fate are diminished.

With the matching thus properly done a smooth happy and peaceful life to the couple is ensure.

# ShodashVarga Charts

Divisional Charts are extensions of Lagna Chart. Every chart has some specific purpose as described along with the chart below. These charts are to be studied along with the basic lagna chart to know in detail about the subject it represents. However, care has to be exercised in looking into these charts, because there are no aspects of planets here. Planet's behaviour is normally limited to the extent of sign or house it occupies in these divisional charts.

You will doubly enjoy life as you have a high sense of humour, coupled with the capacity for biting sarcasm. You are a practical person, going about his job with courage and enterprise, having a clear vision of the goal you want to reach. Working with a lot of energy and a spirit of adventure, you will undoubtedly achieve your ambition, but the point is in spite of high income your savings will not be much. Why ? Because you are fond of everything that is good in life. You want to dress well, you want to satisfy your refined tastes and generally have a good time.

Having a religious bent of mind, you will evince much interest in astrology and the occult sciences. You will visit holy places and render social and charitable services. You will treat with kindness and consideration those who seek your help.

So far as you are concerned, any profession is as good as any other. But you can shine even more brightly if you opt to become a lawyer or a scientist or an engineer or a surgeon. In business you can fare well if you take up civil contracts or deal in sports goods, radio, television, jewellery or automobile spare parts.

With your stout physical structure and attractive eyes, you will make a tremendous impression on one and all. Drawn towards you, many of them will become your close associates, thus further enhancing your prospects in life.

Deriving a lot of comfort from your spouse and children, you will have a peaceful, happy home. Despite your tight schedule of work, you will find enough time to spare for your family, for whose sake you will do everything to keep them satisfied.

Your health will no doubt be very good, but there is a hint that in later years you may suffer from kidney and bladder troubles and experience urine difficulty. This threat can be met if you take preventive steps well in time.

The lucky days for you are Wednesday and Friday whereas Saturdayday is average. The other four days are not too favourable as they will prove expensive.

The numbers that are extremely favourable to you are 2, 3, 5, 6 and 7. Make sure to keep clear of 1 and 8.

For a colourful individual like you, the fortunate colours are white, yellow, green and emerald. Don't at any time prefer red, black or blue.

### **Samruddhi**

A delightful life of wealth, power and position is in store for you, as per the configuration of Capricorn Ascendant (Lagna) rising on the eastern horizon with Leo Navamsa and Virgo Dreskana in the first Pad of Dhanistha at the time of your birth. You will, of course, contribute to charity, as you have a religious bent of mind due to which you will visit many holy places.

You will have to take some precautions regarding your health, which will be good to a large extent, but there are chances of your suffering from diseases connected with the skin, the digestive system and tuberculosis. It would be in your interest to resort to the policy that prevention is better than cure. Also, you will have to be on the look out for the possibility of your sustaining minor bodily injuries.

Rejecting yellow and cream, go in for white, red, black and blue which favour you.

Of all the numbers, 3 is most unsuitable to you. So keep clear of it. Those vibrating in your favour are 6, 8 and 9.

Your lucky days are Friday and Saturday; whereas Wednesday is average.

Monday, Tuesday, Thursday and Sunday are not too favourable as they may bring worries, forcing you to incur much expenses.

## Sudhanva

But you are not destined to be blessed with the good aspects mentioned above, as Saturn in Pisces in the seventh house casts an evil eye on you. Actually, you may be subjected to undergo difficulties in various walks of life, including marriage which will turn out to be unsuccessful. The unhealthy indications are that you and your spouse won't be able to hit it off well, because you may switch your affections to disreputable characters among the opposite sex and contact venereal diseases. You have to make a determined effort to get hold of yourself and follow a path of honesty and morality, failing which you will lead a despicable life.

## Samruddhi

Unfortunately for you, the presence of a diabolical Saturn in Aries in the fourth house presents a gloomy picture of dismal prospects right through. Consequently, neither can you aspire to have a comfortable abode nor the facility of a modern vehicle.

# Planet Reading - Rahu

## Sudhanva

But what you will have to particularly guard against is the presence of Rahu in the first house. On your part, you will have to reciprocate positively so that your domestic atmosphere will be very pleasant. You can do so, as by nature you get on well with the opposite sex. It is by your association with the members of the other gender that you will be able to increase your assets. So, in the event of your venturing into business, do so in partnership with them.

# Planet Reading - Ketu

## Sudhanva

So far as you are concerned, you are likely to have a rough time due to the presence of Ketu in Pisces in the seventh house which nullifies all the good points mentioned above. There is every chance of having an unhappy marriage to a sickly spouse who may cause you much trouble. This, coupled with your nature of uttering one lie after another, will further spoil the homely ties. Guard yourself against the possibility of breaking your matrimonial knot permanently.

If you reform your character, then you can expect a better life from the age of 42.

If you don't proceed with caution, even your normal lifespan may be curtailed.

You have got to attend to your mental health also, because emerging unscathed from a series of troubles is not an easy task for anyone. You may start worrying a lot which habit you had better give up. It is to your credit that you will fight your way through life with guts even after sustaining a heavy loss in your younger days.

# Physique, Health & Nature

## Sudhanva

The outstanding feature of your personality, as you are under the Virgo sign, is you look much younger than your age. That is your trump card in your long, eventful life.

Lean and lanky, with a prominent forehead, your eyes radiate honesty and sincerity. A straight nose, bushy eyebrows, dark hair and an athletic body provide a youthful touch to you. The only snag is you will have a thin and shrill voice which doesn't match with your general appearance.

You will enjoy robust health because you are very particular about avoiding disease. Hence, you always walk briskly, to avoid a bulging paunch. Since your stomach and the nervous system are pretty sensitive, you will have to be choosy in your intake of food. Eat at regular intervals instead of as and you when you like and restrict your diet to vegetarian. Under any circumstance don't touch liquor and don't go anywhere near any kind of drugs. Take vitamin B.

Talkative by nature, you rub others the wrong way by endless criticism of the observations and actions. Put a check on it, otherwise, you will alienate your business associates and friends. A conservative, you are so calculating that you want to go into the minutest detail of everything. If you abandon this approach, it will be to your advantage. Another trait you will have to give up is fickle-mindedness because of which you lack consistency of purpose. You will have to first set your sight on a clear goal, work out a strategy and implement it with single-minded purpose, instead of suddenly getting upset and changing jobs. You confuse yourself by seeking the advise of any number of people on any given issue and consequently act in a haphazard manner. Accept the suggestions of any one person and act decisively on them which will turn out to be fruitful.

But what you will have to particularly guard against is the presence of Rahu in the first house. This does not portend a promising trend, as it denotes you will be sickly and that if you are not careful, you may run the risk of losing a limb in an accident. So, you will have to be very careful indeed to see that your health is not impaired.

It goes without saying you will have to keep a constant vigil against affliction by diseases. Also, you will have to exercise abundant caution while driving and crossing busy interjections.

And she will be a loving mother to the children, sparing no effort to provide them with the atmosphere required for achieving high academic qualifications. On your part, you will live up to her expectations, scoring a top degree in literature, science, accounts, mathematics or statistics. You may also gain some knowledge about the occult sciences, there by possessing some power of intuition.

Your sense of independence abhors borrowing, although your habit of helping others may make you a too generous lender. These traits will be especially beneficial in your early career, for it isn't likely that you will have much money then. And so you will plod along your course slowly but surely accumulating the capital which many others earn early and spend even earlier. When substantial cash does come to you in your middle years, you will be the most prudent investor ever known.

Your simple tastes will not be replaced with luxury. You will look on your wealth as a source of security, not of ostentation. That's why you will enjoy it more in the long run, than those who are fantastically rich and always uneasy.

Spending money on useful things like on charity and helping needy people will be your way of contributing to society and on sons if you happen to have any.

You are an extremely mobile person, both physically by travelling and intellectually by restless searching for new ideas. You hunger for change, for innovation, for things you have never seen or heard. Journeys will be in connection with your business or job.
