Personality Analysis

Ishan Singla

At the time of your birth the configuration was Scorpio Ascendant (Lagna) rising with Scorpio Navamsa and Pisces Dreskana in the fourth Pad of Anuradha, which shows you will lead a good life including a possible trip abroad, enjoying wealth and worldly comforts; but there is a hint of a small fly in your excellent ointment. And that is you will have to be extremely careful in your movements, failing which you may sustain a fractured limb or be stricken with some disease. Hence, while driving your vehicle or crossing a road, be cautious and not rash.

You will in general enjoy good health, but Scorpio Navamsa points to the possibility of diseases connected with the generative organs and the brain affecting you. Get periodic medical check-ups by your family doctor.

As it is, you are a person with tremendous energy and determination who can make a success of any job. For that you have abundant talent, gifted as you are with the ability to converse convincingly with people, all the while nursing a different idea at heart. This puts others off guard, enabling you to get going with your plans smoothly. You are indeed a selfish, practical person.

For an individual of your nature, the professions that will suit are dealing in agricultural products, oil engines and mining. If you so desire, you can be a successful actor too, as you know how to put on a false appearance.

You will devote adequate time to family matters, as you are very particular about a peaceful, harmonious domestic atmosphere. You will love your spouse and children dearly and provide them with all comforts. To strike a good matrimonial balance you would do well to look for you partner from among those born under the Scorpio, Pisces, Cancer, Taurus, Capricorn or Virgo signs.

Your lucky days are Sunday, Monday, Tuesday and Thursday whereas Wednesday, Friday and Saturday are inauspicious.

Among numbers, you can count on 1, 2, 3, 4 and 9. Those you have to avoid are 5, 6 and 8.

Yellow, red, orange and cream are the colours that suit you best. At any cost, don't have anything to do with blue, white and green.

The configuration at the time of your birth was Pisces Ascendant (Lagna) rising with Scorpio Navamsa and Cancer Dreskana in the fourth Pad of Uttara Bhadrapada. Overall, this projects a picture of plenty and prosperity for you, but with a snag. The snag is the unwelcome indications discernible in Scorpio Navamsa which points to the possibility of your being poor and diseased. But this is in direct contrast to the excellent prospects denoted by your birth sign and star. Both Pisces and Uttara Bhadrapada hold out promise of a wealthy, healthy, comfortable life for you.

So, it is entirely up to you to come to grips with the situation and eliminate the snag to lead a successful life. As you have the necessary qualities to fight it out, you can certainly emerge on top. For that, you will have to give up two of your traits : Sex and fascination for bad habits. You are so obsess with sex that you make it a major item of interest in life. And you are so much influenced by alcohol that if you are not careful you may become an addict.

If you conquer these two negative aspects, you can be sure of a cozy life. Monetarily you will be well off, but you will have to curb your spending spree so that your resources don't get drained away.

Thus, if you display determination and single minded purpose to get on in life, you can rise to a high position in your profession. You can have a loving spouse and promising children and grandchildren to make for a happy home.

Well read, intelligent, possessing a benevolent disposition, you can gain popularity in society. You can also collect a close circle of friends. But in this you will have to exercise caution, as some of your friends may turn out to be insincere. Hence, study them in depth before placing trust in them.

Pisceans are generally moody and you are no exception. They are given to let their imagination wander which is why they can, if they mind, take to writing poetry or painting or become musicians. They can shine in arts.

You are also religious minded, having immense faith in God. As you gain in years, you will give more and more thought to the spiritual side of life and nourish the ambition that if not in this birth at least in the next you would attain "Moksha" or salvation.

To make sure that you put the right foot forward in anything you do, better follow the points listed below :
