Physique, Health & Nature

Those born under the Aquarius sign are generally handsome with a pleasant disposition. They will be tall, with an athletic figure. Having a good, clear complexion, their oval face shows thick lips and broad cheeks. If they don't resort to walking upright, they may, in later years, become mini-hunchbacked.

As an Aquarian, you will be susceptible to infectious diseases; hence you should neither overwork nor overtax yourself mentally, but learn to relax and take adequate rest. There can be heart trouble and blood pressure also. The other problems you may have to face include those concerning the throat, teeth, eyes, ears and swelling in the feet. It would be in your own interest that in the event of even a minor ailment, you don't drag your feet but immediately consult a doctor and get cured. Delay may result in complications.

By nature you are shy, even timid, but if and when provoked beyond endurance you charge like a bull. Your peevish trait makes you display your talents only before selected friends. This is in spite of the fact that you are knowledgeable, having a literary bent of mind. You can become a renowned writer or teacher. You have the raw material required for that, as you are intelligent, have a good memory and assess facts competently. Plus, you have a probing mind because of which you evince interest in astrology, physics, etc. It is this interest in scientific subjects that accounts for your spending less time at home. And then, you are not too passionate a lover which may cause friction between you and your spouse. In the event of serious differences you may even think of just walking out on your family. So try and play it cool by striking a balance between your professional pursuits and family matters.

Saturn in Aquarius Ascendant will favour you with good health, but it will be up to you to maintain it properly. Driven by the urge for sex, you may have affairs with the members of the opposite sex and also take to liquor. If you don't check these, you may find your health deteriorating rapidly, necessitating hospitalization.

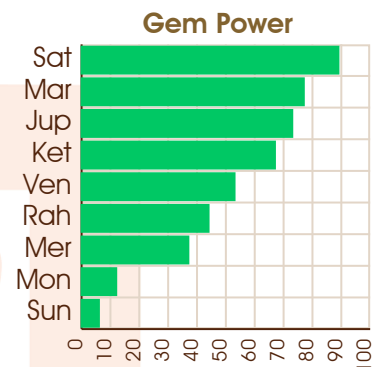

Another way by which you may invite trouble is through your varying moods. You will suddenly become morose and crestfallen, suffering in secret, without letting others know what exactly is bugging you. Better start mending your negative straits straightaway. The latter part of your life will be better than the first half.

Gem Selection

Gems are advised to increase the benefic effects in a natives life. Scientifically, Gems are capable of collecting the cosmic rays of the planet concerned and pass on to one's body to enhance the effect of that planet. That is why, we only recommend Gem for a planet benefic to the horoscope. A planet is benefic if it is placed or is lord of Lagna, Trikona or Kendra and is malefic if it is lord of 6, 8, 12 houses. It is benefic if it is placed with or aspected by friends. It is considered malefic if it is lord of Badhak house that is 11th lord for moveable, 9th lord for fixed and 7th lord for mixed ascendants. Above considerations define the goodness of the planets for Gem Selection.

Table below describes the area of work and benefic factor of the planet is percentage along with graphical display. Power of different Gems in different dashas is given in the other table. It is suggested to wear Gems throughout life without bothering for dasha or transits of the planets obtains over 75% marks. For those who secure 50-75% marks, it is suggested to wear gems in dasha of friendly planet or it is required to enhance the requisite area of concern. Gems for planets which obtain less than 50% should be normally ignored unless it obtains more than 50% marks in particular dasha.

Rudraksha

Rudraksha is a Sanskrit word. If we split this word into two we get these two words Rudra and Aksha. Rudra means Lord Shiva and Aksha means Aansu(tears) of Lord Shiva. According to Hindu Mythology tears of Shiva fell on earth in the form of Rudraksha tree. The Rudraksha tree belongs to Elaeocarpaceae family and is as huge as the Banyan tree which has seed covered with pulp and outer skin. After drying the skin turns black and grooves appear on the surface running from apex to the bottom, there by demarcating clear areas called 'Mukha or faces'. The Rudraksha are classified on the basis of number of faces, which can range from one to twenty one.

Sometimes Rudraksha are found in twins which are considered to be symbols of Lord Shiva and Parvati (Goddess). They are known as Gauri Shankar Rudraakshas.
