## Education, Mother, Conveyence & Property

The overall trend indicated for one born when the Pisces sign is in the fourth house, is royal innings of plenty and pleasure. Hence you won't be off the mark if you are optimistic of a cozy life without hassles.

You can be off to a sound start, thanks to your mother, whose main ambition is the prosperity of her children. An intelligent lady who won't be conservative but will lap up progressive ideas, she will encourage you to learn to stand on your own feet and pursue your profession oozing self-confidence. She will maintain the home in a tip top condition providing the atmosphere necessary for a delightful time for the family.

There are bright chances of inheriting ancestral property, a part of which you are either likely to dispose of or effect alterations to suit your requirements. That you are fortunate in the matter of accommodation will be confirmed by the fact that you will own a fine house in a central locality. You won't face any conveyance problem, as you will have your own vehicle.

No doubt you are intelligent and can acquire a good academic qualification, but the problem is that you are fickle-minded and may tend to stray. Hence, it is necessary for you to seek guidance from your elders to achieve a high degree in mathematics, accounts or science, the three subjects in which you have interest. Side by side, you will also make it a point to gain knowledge about religion and the occult sciences. As age advances, you will be so proficient in occultism that many people will become your disciple.

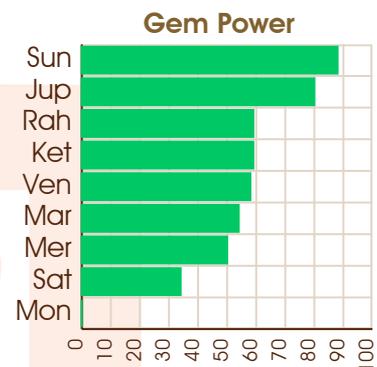

It is not unnatural for one enjoying a luxurious life to be tempted towards alcohol and cigarettes. If you don't yield to such an urge, then you will not invite any health problem. Otherwise, you may be afflicted by diabetes or lung trouble.

## Personality Analysis

At the time of your birth, Sagittarius Ascendant (Lagna) was rising with Libra Navamsa and Leo Dreskana in the third Pad of Poorvashadha, laying an ideal pitch for you to enjoy an innings of plenty, progress and pleasure. Being a straightforward individual who calls a spade a spade in public, you can lead an honest and carefree life.

You have almost everything lined up in your favour. You will be blessed with an attractive personality and good health, will have some education and the ability to hold the bull by the horns to achieve success. Backed by the power of intuition, you will prepare your plan of action after studying all the angles of a project and then go all out to complete the job.

There are, however, two tiny traits which you will have to curb. One is the temptation to indulge in gambling which will result in losses. The other is your habit of talking almost nonstop. An honest human being, you will bluntly utter the truth in public to the annoyance of others. Also your sharp-edged vocabulary carries much sting which hurts other people. Avoid this if you want to retain your friends.

You are attracted by foreigners. You always want to cultivate them and try your utmost to catch their eye. If you are careful in your conversation with them, you may wangle a trip to a foreign country.

You will no doubt have a happy home, what with a loving spouse and well-behaved children. But you won't be able to have your way at home as you spend quite a bit of time outside as you are interested in sports and in travelling.

The professions suited to your genius are company law, dealing with foreigners, education, politics and working in concert with educational and religious institutions.

If you follow the guidelines listed below your work will proceed without a hitch :

Prefer numbers 3, 5, 6 and 8; make it a point to steer clear of 2, 7 and 9.

Your lucky days are Sunday, Tuesday and Thursday whereas Monday is average. Wednesday, Friday and Saturday are inauspicious.

Avoid red, pearl and black. Go in for white, cream, emerald, blue, green and orange which are favourable.

# Rudraksha

The Rudraksha tree belongs to Elaeocarpaceae family and is as huge as the Banyan tree which has seed covered with pulp and outer skin. After drying the skin turns black and grooves appear on the surface running from apex to the bottom, there by demarcating clear areas called 'Mukha or faces'. The Rudraksha are classified on the basis of number of faces, which can range from one to twenty one.
