For that you have the requisite qualities. You have an imposing personality, a fine, well-developed body with broad shoulders and inviting eyes. You are learned and have the ability to pursue your goals with determination and courage.

Born with leadership qualities, you will rise high in your profession. You will pursue your pursuits systematically and achieve success. You are not one to take orders from others. Devoted to your parents and having a religious bent of mind, you will render help to the needy. Having a charitable disposition, you won't mind parting with money to provide succour to others.

As you want that you and your family members should stand out in any gathering, you will spend much money on maintaining appearances. Plus, you will incur a lot of expenditure on making your house look neat to your friends. The result of all these is that one fine day you will realise your assets are very much less than what they should have been, considering your high income. So, curb excessive expenditure so that you don't feel the pinch of money later.

You will have fairly good health, but because of your high-strung temperament and hectic life, you may be susceptible in your old age to ailments connected with the heart and the spinal column.
