Introduction to Loshu Grid

Loshu chart is an important part of Chinese numerology. It is based on the miraculous Lakshmi Yantra. Through this method, we understand the complete personality of a person with great simplicity and quickness only by knowing his date of birth. Through this method, we can also suggest ways to remove the harmful effect of missing digits in the chart of that person. The rows, columns and group of numbers present or absent in the chart are helpful in telling the personality of the person in detail.

Number 1 - Once

The number one in your Loshu chart is present only once. Therefore, you are unable to express your inner feelings or are unable to express your inner thoughts. You may behave well in other areas, but when you reveal the inner part of your personality, you feel distraught and hesitate to speak your mind. You also often find it difficult to understand the other person's point of view properly. It is also a little difficult for you to appreciate the other person's point of view. Sadness and loneliness surround you easily. You take great care in collecting and storing data and facts, which leads to waste of time, and unnecessary delay in completion of work. For continuous growth and development, you need a calm and harmonious
