Disclaimer

Astrology is a science which deals in the effects of planets on living beings. To predict its effects, one has to calculate the position of planets & their strengths. Calculations prepared in this horoscope are very accurate and true apperant longitudes have been used for all the planets. The Ayanamsa adopted is Chitrapaksha Ayanamsa, unless & until other ayanamsa is asked for.

Computer Horoscopes are based mainly on Parasara system. However, there is a fine blend of Tajak system, Gemini system, K.P. system, Horary (Prasna Marg) system & Western system in the astrological calculations. Predictions are based on various ancient texts like Brihat Parasara Hora, Mansagari, Saravali, Jataka Bharanam, Brihat Jatak, Phala Deepika, Jataka Parijat and finally on own experiences to the extent of fructification of astrological rules. However, using astrology we can only indicate the future, it is only Brahma (the creator of universe) who can exactly tell what will happen.

This horoscope is based on Date, Time and Place of birth provided by the native and we do not stand any responsibility for the accuracy of this data. Astrological calculations & predictions are all based on this basic input given by the native.

Predictions given in the horoscope are indicative tendencies and likelihood and not strict guidelines for action by native. User is suggested to treat these predictions & suggestion with due care and caution. The horoscope and the information given in the following pages shall not be made a cause of legal dispute for any actual or consequential loss to the native. No cause of action for any damages or otherwise can therefore be entertained.

ShodashVarga Charts

Divisional Charts are extensions of Lagna Chart. Every chart has some specific purpose as described along with the chart below. These charts are to be studied along with the basic lagna chart to know in detail about the subject it represents. However, care has to be exercised in looking into these charts, because there are no aspects of planets here. Planet's behaviour is normally limited to the extent of sign or house it occupies in these divisional charts.

Gems are advised to increase the benefic effects in a natives life. Scientifically, Gems are capable of collecting the cosmic rays of the planet concerned and pass on to one's body to enhance the effect of that planet. That is why, we only recommend Gem for a planet benefic to the horoscope. A planet is benefic if it is placed or is lord of Lagna, Trikona or Kendra and is malefic if it is lord of 6, 8, 12 houses. It is benefic if it is placed with or aspected by friends. It is considered malefic if it is lord of Badhak house that is 11th lord for moveable, 9th lord for fixed and 7th lord for mixed ascendants. Detailed Analysis of Gems

औषधि मणि मंत्राणां, ग्रह-नक्षत्र तारिका ।
भाग्यकाले भवेत्सिद्धिः अभाग्यं निष्फलं भवेत ।।

Medicine, Gems and Mantras are effective in overcoming the diseases caused by planets and stars. If the time is favorable the expected results are obtained otherwise all these remedial measures turn useless.

A Gem enhances the physical charm of the wearer and increases the power and reduces the malefic influence of planet with its mysterious powers. The flow of radiations emitted by planets in our body gets enhanced with the power of gems. Therefore, those planets which are auspicious in horoscope but lack strength can be strengthened by wearing gems. But contrary to this the gems of inauspicious planets multiply the malefic effects of such inauspicious planets. This is the reason because of which astrologers advise complete relinquishing of the gems of inauspicious planets in horoscope.

A planet is considered favorable when posited in Lagna, Trikona or Kendra or has the lordship of these houses. This is inauspicious if connected to Trik Bhava. The conjunction and aspect of friendly planets also enhances its auspiciousness. The lordship of a Badhak Bhava reduces its beneficence. In movable Lagnas 11th, in stationary Lagnas 9th and in dual Lagnas the 7th house is termed as Badhak Bhava. The placement of planets in their enemy sign or sign of debilitation also decreases their auspiciousness.

For any horoscope the gem of Lagna lord is known as life stone by wearing which the wearer gets good results like attainment of good health, development of personality and enhancement of reputation. The gem of 9th house lord is termed as lucky stone by wearing which the development of destiny can be expected along with enhancement of status.Similarly the gem of Yoga Karaka planet is Karaka gem and has enough potential to give financial gains and progress in the task undertaken along with all round development.

For the gratification of various desires one might need to wear more than one gem.The detailed information about which gem would yield what type of results in your horoscope has been given below. In addition to that the method of wearing has also been given along with the names of the other gems that can be worn with it. You can attain maximum success in life with right selection of gems.

A clear gem with clear cutting can absorb more radiations therefore the

gems of good quality only are capable of giving completely beneficial result. The weight of the gem should be in proportion to the weakness of the planet and body weight. If the planet is very weak then the weight of gem should be heavier. Except diamond all the gems should be touching the skin. Gems worn in fingers in specific metal prove most beneficial.

If because of some reason one needs to remove the gem then it should be placed in a safe place after washing it with Gangajal on the day of it. If gem gets misplaced or stolen away then it is an indication of the removal of the malefic influence of the planet. Similarly if the gem loses its charm then again it also indicates the same. If the gem cracks then it means that the planet for which it is worn is very effective and in this situation this specific planet should be propitiated and the gem should be replaced by a new one.

For attaining the auspiciousness of inauspicious planets in the horoscope the remedial measures like wearing of Rudraksha, Mantra chanting, donation of its Karaka article, Jal Visarjan and fasting etc. can be recommended. If because of some reason you are incapable to wear the required gem then wear the Rudrakshas or semiprecious stones as substitute for this gem or else increase the strength of the planet by Mantra chanting, donation or fasting. The desired benefits are obtained by wearing the gem of auspicious planet and by Jal Visarjan and donation of the article or grain of inauspicious planets.

Pitridosha Vichar

What is Pitridosha ?

Our deceased ancestors are termed as Pitar or Pitri. Pitri is a class between us and God. If they are happy the man is able to live a decent and successful life but if they are dissatisfied because of some reason then the native becomes victim of various types of diseases and troubles.

Later these Pitri either get Mukti (Liberation from the bondage of birth and death) or else take birth on this earth again. If all the Pitri in a family have taken rebirth or attained Mukti then for some time there are no Pitri for that specific family. In this situation the native gets fortunes and misfortunes on the basis of his own horoscope. Therefore, all family members should serve the Pitri by Tarpan etc. till the time they are there in Pitriloka. If Pitri are contented then they grant all round prosperity to the native.

The reason of unhappiness of Pitris resulting into Pitridosha can be untimely death of an ancestor or the unfulfilment of the last wish of the ancestor else the infliction of curse of someone on the soul of the ancestor. These ancestors need food in spite of being in Pitri Yoni. If family people do not offer food by Karmas like Tarpan etc then they become distressed and troubled. Pitri experience various types of troubles till the time they are not propitiated by Karmas like Puja Paath, Pindadaan and Tarpan etc.

Pitri Dosha generally happens not because of own Karmas rather because of the Karmas of parents and ancestors. This Dosha exists in the horoscope since birth but karmas get created after birth therefore the reason of Pitridosh remains inexplicable and only its symptoms are visible. We do not get auspicious results for our deeds in spite of having favorable Dasha and transit. At home there remains tension, disease, lack of peace and scarcity of funds. There are no issues or else one gets mentally retarded children who face obstacles in their progress or marriage.

Therefore when we face such above mentioned troubles continuously without having any visible reason in the horoscope then in that situation we must do propitiation of Pitridosha till the situation does not turn favorable.

Personality Analysis

At the time of your birth, Virgo Ascendant (Lagna) was rising with Aquarius Navamsa and Virgo Dreskana in the third Pad of Uttara Phalguni. This denotes that you are bent upon amassing wealth, no matter how. As far as you are concerned, what matters is the end result, not the means. Hence there are indications that in the pursuit of your goal, you may even turn ungrateful to those who may have helped you.

And you may well succeed, especially between the ages of 28 and 31 when you will gain much material benefits. Once you succeed you will become generous and lead a gay life, with an eye on having quiet affairs with the opposite sex. You have an advantage here and that is with your lean and lanky figure, with attractive eyes and your spicy conversation, you will be popular with the opposite sex.

Having a commercial bent of mind, it would serve you well to take to professions like auditing and dealing in commerce and accounts. But if you want to invest in commercial ventures, you will have to be very cautious, as the returns on your investments will be poor. Hence be careful with your money.

You are intelligent and well read. You are endowed with a sharp and alert mind. That is why you can't stand people with a low IQ. You lose your temper with them and criticise them all the time finding fault with their actions and reactions. You will have to curb this aspect; otherwise you will make many enemies. In that case, you may face a situation when some of your friends and subordinates may try to belittle you in public by carrying on a smear campaign against you.

Somehow you have a feeling that getting married means getting into shackles. That is the reason most people of the Virgo sign tend to put off the wedlock as much as possible. But the moment they get married, they become home birds, playing the role of a loving partner and an affectionate guardian. Some may even be termed as being henpecked. But you will have a good spouse and promising children who will rise high in life.

You will enjoy robust health and live till an advanced age. However, you had better take precautions to ward off some possible diseases that may affect you, like typhoid, dysentery, pain in the back, fainting and blood pressure. Keep a tight control over your eating habits by having a balanced diet, preferably vegetarian. Liquor under no circumstances should be touched.

The lucky days for you are Wednesday and Friday whereas Saturdayday is average. The other four days are not too favourable as they will prove expensive.

The numbers that go well with you are 2, 3, 5, 6 and 7; the ones you have to avoid are 1 and 8.

Red, blue and black are unfavourable to you. The ideal colours for you are yellow, emerald, green and white.
