Education, Mother, Conveyence & Property

That at the time of your birth the Aries sign was rising in the fourth house is an encouraging trend. The general pattern it indicates is that the native will have an intelligent, dynamic mother who will dominate the domestic scene and steer the family members in a methodic, scientific way so that they may emerge as respectable citizens. As her efforts start yielding results, she will be so happy as to praise her offsprings before others. Since it is not easy to control such a strong character as your mother, you will have to tackle her with tact and patience to ensure a smooth flow of events at home.

There are clear indications of your inheriting a portion of the ancestral property and owning a sleek house in a posh locality. You may also have the advantage of possessing a vehicle.

Evincing deep interest in education from childhood, you will study studiously to acquire a high academic qualification. Maybe you will even succeed in a competitive examination. You will also learn something about occultism, which will help you improve your intuitive powers.

Your life of a luxury and pleasure may be affected in later years if you don't take steps to maintain sound health. The note of caution is necessary as there is a hint that you may have respiratory problems.

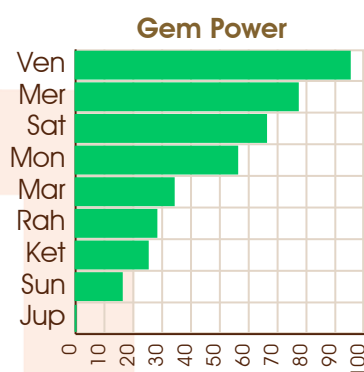

But, the location of Mercury in Aries in the fourth house doesn't sound a happy note for you. True, your mother will extend her full support to you and help you acquire paternal property. But that by itself won't ensure a steady and peaceful time for you, as there are indications that due to excessive travels your parent's health may deteriorate which will cause you concern. And you may not have peace in you own home too. Neither are you likely to have the benefit of good education, nor a steady job. However, you are smart enough to adjust to any situation and succeed in enlisting the backing of your friends to lead a routine life.

Gem Selection

Gems are advised to increase the benefic effects in a natives life. Scientifically, Gems are capable of collecting the cosmic rays of the planet concerned and pass on to one's body to enhance the effect of that planet. That is why, we only recommend Gem for a planet benefic to the horoscope. A planet is benefic if it is placed or is lord of Lagna, Trikona or Kendra and is malefic if it is lord of 6, 8, 12 houses. It is benefic if it is placed with or aspected by friends. It is considered malefic if it is lord of Badhak house that is 11th lord for moveable, 9th lord for fixed and 7th lord for mixed ascendants. Above considerations define the goodness of the planets for Gem Selection.

Table below describes the area of work and benefic factor of the planet is percentage along with graphical display. Power of different Gems in different dashas is given in the other table. It is suggested to wear Gems throughout life without bothering for dasha or transits of the planets obtains over 75% marks. Personality Analysis

A delightful life of wealth, power and position is in store for you, as per the configuration of Capricorn Ascendant (Lagna) rising on the eastern horizon with Leo Navamsa and Virgo Dreskana in the first Pad of Dhanistha at the time of your birth. But, just don't sit back with a snug feeling that since the combination favours you, everything would automatically fall into place; there is no way other than your chipping in with hard and sustained work to ensure success.

To achieve your ambitions, you have the requisite qualities. You are well informed, intelligent and endowed with the power of intuition which you can put to profitable use by pursuing your projects with vigour and determination. If you do that, the odds are you will emerge triumphant.

In this, you have an advantage. Fortune will smile on you between your 19th and 24th years which gives you a headstart over others. Building upon that, you can amass wealth and take it easy in your old age.

Coupled with your learning is your leadership quality because of which people will approach you to seek guidance on various matters. Not only can you give them proper advice you can also help the needy monetarily as you would be having sufficient resources. You will, of course, contribute to charity, as you have a religious bent of mind due to which you will visit many holy places.

You will have to take some precautions regarding your health, which will be good to a large extent, but there are chances of your suffering from diseases connected with the skin, the digestive system and tuberculosis. It would be in your interest to resort to the policy that prevention is better than cure. Also, you will have to be on the look out for the possibility of your sustaining minor bodily injuries.

Rejecting yellow and cream, go in for white, red, black and blue which favour you.

Of all the numbers, 3 is most unsuitable to you. So keep clear of it. Those vibrating in your favour are 6, 8 and 9.

Your lucky days are Friday and Saturday; whereas Wednesday is average. Monday, Tuesday, Thursday and Sunday are not too favourable as they may bring worries, forcing you to incur much expenses.

Rudraksha

Rudraksha is a Sanskrit word. If we split this word into two we get these two words Rudra and Aksha. Rudra means Lord Shiva and Aksha means Aansu(tears) of Lord Shiva. According to Hindu Mythology tears of Shiva fell on earth in the form of Rudraksha tree. The Rudraksha tree belongs to Elaeocarpaceae family and is as huge as the Banyan tree which has seed covered with pulp and outer skin. After drying the skin turns black and grooves appear on the surface running from apex to the bottom, there by demarcating clear areas called 'Mukha or faces'. The Rudraksha are classified on the basis of number of faces, which can range from one to twenty one.

Sometimes Rudraksha are found in twins which are considered to be symbols of Lord Shiva and Parvati (Goddess). They are known as Gauri Shankar Rudraakshas.
