## Profession, Father, Status & Power

It is the general pattern that politics is the best profession for those born when the Virgo sign is occupying the tenth house. Even if it is not preferred as a full time occupation, the native can hope to secure substantial benefits from politicians.

Not that it is the only area that suits you. There are many others from which you can have your pick. They include being a public orator, bank employee, teacher, editing and publishing books, establishing close links with educational and religious institutions, or occultism. Company law, engineering, foreign assignments or civil contracts can also be pursued.

It would be in your interest to do business instead of service as there are hints of your making good profits in business like trading, import, export or valuable or engineering items.

You can be optimistic of securing favours from governmental agencies. If you prefer it, you can also take up a government job in which your worth will be recognized, yielding rewards. In case you are forced to enter into a litigation, you needn't despair as you will emerge from it unscathed.

It seems you have inherited quite a few of your father's qualities. He is an active, brisk individual who approaches issues with an alert mind and goes about his job in a methodical manner. At the same time, he is an expert in finding fault with others and castrating them for their shortcomings. You have many of these traits.

For you, a profession connected with travel will be ideal, according to the indication provided by the location of Venus in the tenth house. Journeys will not only prove financially beneficial, they will also enable you to establish contacts with influential persons.

You will, however, have to face some problems. For one thing, you won't have a good equation with your father since you resent his activities. Consequently, you may not get any share in the ancestral property. For another, don't rub officials on the wrong side and invite police action. Also, in the event of others wanting to involve you in litigation, try your utmost to settle it out of court.

# Gem Selection

Gems are advised to increase the benefic effects in a natives life. Scientifically, Gems are capable of collecting the cosmic rays of the planet concerned and pass on to one's body to enhance the effect of that planet. That is why, we only recommend Gem for a planet benefic to the horoscope. A planet is benefic if it is placed or is lord of Lagna, Trikona or Kendra and is malefic if it is lord of 6, 8, 12 houses. It is benefic if it is placed with or aspected by friends. It is considered malefic if it is lord of Badhak house that is 11th lord for moveable, 9th lord for fixed and 7th lord for mixed ascendants. Above considerations define the goodness of the planets for Gem Selection.

Table below describes the area of work and benefic factor of the planet is percentage along with graphical display. Power of different Gems in different dashas is given in the other table. It is suggested to wear Gems throughout life without bothering for dasha or transits of the planets obtains over 75% marks. For those who secure 50-75% marks, it is suggested to wear gems in dasha of friendly planet or it is required to enhance the requisite area of concern. Gems for planets which obtain less than 50% should be normally ignored unless it obtains more than 50% marks in particular dasha.

## Personality Analysis

Gain without pain - that is your main aim as indicated by the astrological configuration of Sagittarius Ascendant ( Lagna ) rising with Virgo Navamsa and Aries Dreskana in the second Pad of Poorvashadha at the time of your birth. But it won't be that easy; you will have to work hard to fulfil your ambitions. As you are gifted with determination you can make a tremendous success of life, achieving wealth and happiness.

An outspoken individual, you not only believe honesty is the best policy, you actually practice it, which pays handsome dividends. You will be rich, generous and help the needy. A god- fearing person, you will be eager to learn more and more about religion and philosophy.

You are no doubt highly ambitious and to achieve your goal you will chalk out a well-thought-out plan of action and pursue it with vigour. Once you take up a job, you will not be deterred by any adversity. On the contrary, you will meet the challenge squarely and emerge successful. You have the ability to assess any situation in its proper perspective and quick to grab any opportunity that comes your way.

This, coupled with luck, will enable you to satisfy all your wants. The brightest period of your life will be at the age of 27 when even providence may bestow favours on you. But don't push your luck too far by trying your hand at games of speculation, even though you are clever in rolling the dice. Don't be over avaricious but be satisfied with what you have, which will be plenty.

As a person interested in outdoor games and fond of travelling, you will spend a lot of time outside your home. Hence, to that extent, your prominence on the domestic scene will be less. Your spouse will dominate the home front and you will settle for a secondary role. You will be blessed with a fine partner and promising children.

Your lucky days are Sunday, Tuesday and Thursday whereas Monday is average. Wednesday, Friday and Saturday are inauspicious.

If you avoid numbers 2, 7 and 9 and pin your faith on 3, 5, 6 and 8, it will turn out to be good.

The colours you have to avoid are red, pearl and black. The ones that suit you are white, cream, green, emerald, blue and orange.

# Rudraksha
