## Significance of Matching

Horoscope Matching is suggested to ensure a happy married life.

In matching, first we do Ashtakoot matching. The eight natures of the native is determined by his Rashi and Nakshatra - Varun, Vashya, Tara, Yoni, Rashi Lord, Gana, Bhakoot, and Nadi give us the indication of compatibility between the two partners. By Varna matching we know about the compatibility of deeds, Vashya gives nature compatibility, Tara tells about fate, Yoni and Rashi Lord confirm the mutual relationship, Gana defines social understanding, Bhakoot shows the day to day behavior and Nadi confirms Health and Children. These eight natures have been assigned marks from 1 to 8 respectively totaling 36. A minimum of 50% marks is considered essential for match to be acceptable. Less than this may create problems in the married life.

Manglik Dosha matching is also very important along with Ashtakoot Matching . A Horoscope is said to have Mars Dosha if in Lagna chart Mars is positioned in 1,4,7,8 or 12th House. For compatibility against this Mars Dosha it is necessary that both boy and girl either have a non Manglik Horoscope or a Manglik Horoscope. The books on Astrology define other rules as well for propitiation of Manglik Dosha. If Mars Dosha is properly taken care of the chances of accidents or ill fate are diminished.

With the matching thus properly done a smooth happy and peaceful life to the couple is ensure.

# ShodashVarga Charts

Divisional Charts are extensions of Lagna Chart. Every chart has some specific purpose as described along with the chart below. These charts are to be studied along with the basic lagna chart to know in detail about the subject it represents. However, care has to be exercised in looking into these charts, because there are no aspects of planets here. Planet's behaviour is normally limited to the extent of sign or house it occupies in these divisional charts.

# Personality Analysis

## Ankita Jakhotia

At the time of your birth, Virgo Ascendant ( Lagna ) was rising with Aquarius Navamsa and Virgo Dreskana in the third Pad of Uttara Phalguni. This denotes that you are bent upon amassing wealth, no matter how. As far as you are concerned, what matters is the end result, not the means. Hence there are indications that in the pursuit of your goal, you may even turn ungrateful to those who may have helped you.

And you may well succeed, especially between the ages of 28 and 31 when you will gain much material benefits. Once you succeed you will become generous and lead a gay life, with an eye on having quiet affairs with the opposite sex. You have an advantage here and that is with your lean and lanky figure, with attractive eyes and your spicy conversation, you will be popular with the opposite sex.

Having a commercial bent of mind, it would serve you well to take to professions like auditing and dealing in commerce and accounts. But if you want to invest in commercial ventures, you will have to be very cautious, as the returns on your investments will be poor. Hence be careful with your money.

You are intelligent and well read. You are endowed with a sharp and alert mind. That is why you can't stand people with a low IQ. You lose your temper with them and criticise them all the time finding fault with their actions and reactions. You will have to curb this aspect; otherwise you will make many enemies. In that case, you may face a situation when some of your friends and subordinates may try to belittle you in public by carrying on a smear campaign against you.

Somehow you have a feeling that getting married means getting into shackles. That is the reason most people of the Virgo sign tend to put off the wedlock as much as possible. But the moment they get married, they become home birds, playing the role of a loving partner and an affectionate guardian. Some may even be termed as being henpecked. But you will have a good spouse and promising children who will rise high in life.

You will enjoy robust health and live till an advanced age. However, you had better take precautions to ward off some possible diseases that may affect you, like typhoid, dysentery, pain in the back, fainting and blood pressure. Keep a tight control over your eating habits by having a balanced diet, preferably

vegetarian. Liquor under no circumstances should be touched.

The lucky days for you are Wednesday and Friday whereas Saturdayday is average. The other four days are not too favourable as they will prove expensive.

The numbers that go well with you are 2, 3, 5, 6 and 7; the ones you have to avoid are 1 and 8.

Red, blue and black are unfavourable to you. The ideal colours for you are yellow, emerald, green and white.

### **Ms.**

The configuration of Leo Ascendant (Lagna) on the rise with Virgo Navamsa and Sagittarius Dreskana in the second Pad of Poorva Phalguni throws up a welcome sign, which is you won't encounter a problem faced daily by most urban dwellers in India that of running after buses to reach the place of their work on time.

Not for you the time consuming and irritating queue system, nor fighting your way to board public transport vehicles. You will enjoy the benefit of owning your own conveyance which should be considered a boon. And the fact that one can afford to have one's own vehicle means one will be affluent.

Enjoying the comfort of conveyance will be but a drop in the ocean of your wealth. Intelligent, learned and master of many arts, you will attain a good position in life. Serving just below those in top positions, you will become their favourite to gain benefits from them.

A hard working, restless individual, you will pursue your avocation with vigour and tenacity. You will always make it a point to complete the work on hand before taking up another. And mostly you will make a success of your assignments.

Fond of travelling, you will spend much time away from home. Yet, you will manage to squeeze in enough time to spare for your family whom you love dearly. You will do all within your power to keep them happy.

You will have a large circle of friends whom you will treat with dignity and understanding. You will go out of your way to assist them, which will be highly appreciated. In turn, they will stand by you.

Not only will you have good earnings from your jobs, you will also be lucky in games of chance. This doesn't mean you try your luck in gambling regularly, but

you can roll the dice once in a while which may prove beneficial.

In spite of your substantial income, you won't be able to save much, because you spend sizeable amounts to make sure you and your family members appear affluent before the public. You will also invest quite a bit on the upkeep of your house.

Health will be splendid. But some caution is needed to see you are not afflicted by some diseases later. Because of your tight schedule and long hours of work, you may not be able to find enough time to soothe your nerves. This may have an effect upon your heart and the spinal column. Hence relaxation and rest, in spite of a busy schedule, are advocated.

To mitigate the effect of any possible evil, better observe fast on all full moon days. This will help a lot.

The lucky days for you are Tuesday, Sunday and Thursday whereas Monday is average. The other three days are not too favourable as they will prove expensive.

The numbers which oscillate in your favour are 1, 4, 5, 6 and 9. The ones that don't suit you are 2, 7 and 8.

Blue, white and black are not your colours. Those ideal for you are orange, red and green.

## Ankita Jakhotia

The outstanding feature of your personality, as you are under the Virgo sign, is you look much younger than your age. That is your trump card in your long, eventful life.

Lean and lanky, with a prominent forehead, your eyes radiate honesty and sincerity. A straight nose, bushy eyebrows, dark hair and an athletic body provide a youthful touch to you. The only snag is you will have a thin and shrill voice which doesn't match with your general appearance.

You will enjoy robust health because you are very particular about avoiding disease. Hence, you always walk briskly, to avoid a bulging paunch. Since your stomach and the nervous system are pretty sensitive, you will have to be choosy in your intake of food. Eat at regular intervals instead of as and when you like and restrict your diet to vegetarian. Under any circumstance don't touch liquor and don't go anywhere near any kind of drugs. Take vitamin B.

Talkative by nature, you rub others the wrong way by endless criticism of the observations and actions. Put a check on it, otherwise, you will alienate your business associates and friends. A conservative, you are so calculating that you want to go into the minutest detail of everything. If you abandon this approach, it will be to your advantage. Another trait you will have to give up is fickle-mindedness because of which you lack consistency of purpose. You will have to first set your sight on a clear goal, work out a strategy and implement it with single-minded purpose, instead of suddenly getting upset and changing jobs. You confuse yourself by seeking the advice of any number of people on any given issue and consequently act in a haphazard manner. Accept the suggestions of any one person and act decisively on them which will turn out to be fruitful.

Due to Venus occupying the first house, you will have to work out your timetable for the future with precision. Otherwise, you may have cause for regrets. Free, frank and outspoken, your nature goads you to be aggressive in pursuing an independent path. Pinning faith in hope for the realisation of your goals, you will go about your job with courage and confidence. But sometimes you act hastily and get irritated when the results are not up to your expectations. The effect of a loving couple will be reflected in the behaviour of the children, who will come up to your expectations and earn a good reputation.

Regarding your desire to go into trade rather than taking up a job, you had better give up the thought. In the first place, the returns on your investments in any venture will be poor. Secondly, you are not only hard working, you are also a hard task master. You expect others to emulate you and attend to the work on hand without wasting even a single minute. But this, as you know, is not a practical proposition. So, if you enter into business with a partner, you will be disappointed when you find the latter lethargic and your having to carry the entire burden. Hence abandon the idea of doing business.
