Rudraksha is a Sanskrit word. If we split this word into two we get these two words Rudra and Aksha. Rudra means Lord Shiva and Aksha means Aansu(tears) of Lord Shiva. According to Hindu Mythology tears of Shiva fell on earth in the form of Rudraksha tree. The Rudraksha tree belongs to Elaeocarpaceae family and is as huge as the Banyan tree which has seed covered with pulp and outer skin. After drying the skin turns black and grooves appear on the surface running from apex to the bottom, there by demarcating clear areas called 'Mukha or faces'. The Rudraksha are classified on the basis of number of faces, which can range from one to twenty one.

Sometimes Rudraksha are found in twins which are considered to be symbols of Lord Shiva and Parvati (Goddess). They are known as Gauri Shankar Rudraakshas. In the same way if three Rudrakshas are together they are considered the symbol of Shiva, Shakti and Ganesha or Bramha, Vishnu, Mahesh. But these types of Rudrakshas are very rarely available. Scriptures like Rudraksha Jabalopanished, Shiva Purana, Devi Purana and Padma Purana extol the value of Rudraksha seeds.

In general all Gods are fond of Rudrakshas but it is believed that it is most favourite of Lord Shiva. Modern scientific research came out with positive results about Rudraksha. It is found that it stores electromagnetic properties, which influences human physiology. Each type of Rudraksha has its own influence and property. Rudraksha is worn to get beneficial results and is helpful in curing diseases like epilepsy, hypertension, blood pressure, stress, whooping cough, wounds. Wearing of Rudraksha not only pleases Lord Shiva but also brings blessings of Lord Vishnu, Durga, and Ganesh and Navgrahas (nine planets) it reduces the ageing process and brings peace and harmony in life.

In Hindi, Bengali, Sanskrit, Bhojpuri, Gujrati and Panjabi it is known by the name Rudraksha. In Tamil, Kannad and Telgu it is

According to Hindu Mythology Rudraksha of Nepal is best in the world. Goddess of wealth always stays in the house where Rudraksha is worshipped. Rudraksha frees you from all the sins committed knowingly or unknowingly. Rudraksha fulfils your aspirations. It prevents sudden death. A month, during which you should have fairly smooth sailing to your targets

in so far as your career is concerned. Some old person or a female colleague would render extremely beneficial service to you, that would substantially boost your career prospects.

Though you would tend to work quite hard, the gain would more than which your effort. Expected gains would be realized. Travel also would generate gainful results, and any sojourn to the south would be particularly helpful. And finally, the handing of your juniors in a manner enabling you to derive optimum benefit from their services, would be your most important achievement.

The prospects for your career advancement are not very encouraging this month. It is very possible that you would tend to muddle your relations with your juniors or subordinates and thereby create an extremely unpleasant situation for yourself. This would mean stiff opposition from your juniors. Try not to let such a situation come about and take suitable preventive measures well in advance.

Travel also would fail to bear any fruit, though there is a possibility of some marginal gains accruing to you through a journey towards the West. There would be a lot of hard work and the gains would fail to match your efforts. Contacts also would not help much.

Profession - 2030

Beginning of the year would not be of much fertility for work and profession perspective. Problems might be faced in the professional life. Barbed wires might be stretched by latent enemies in the world of your work. You would conquer your foes by applying your wits presence of mind. After February 04, transit of Rahu in seventh house is forming Chandal yoga. So, at this time, you might suffer losses in work and profession. If you are running a business in partnership then dissatisfaction would prevail and bitter relations with the partner might develop.

After April all planets are turning their faces towards inauspicious side. As a result all sources of income might be blocked. Your subordinates would not extend their support to you. Your officers might create tensioned environment for you unnecessarily.

Nothing very encouraging this month in the augury from the stars in so far as your career prospects are concerned. A good deal of hard work, in fact a much enhanced work-load would not ensure the realisation of expected gains. In fact, this month you have a good deal of dull plodding ahead of you, with no up and downs.

There would be some consolation in the fact that you would associate with a number of gifted people of learning who would create meaningful interactions. This in fact would be the saving grace of the period. There is the further danger of some of you trying to operate outside the law for quick gains. Refrain from such activity unless you want to invite disaster.

The augury from the stars is hardly congenial for your professional prospects. You would have to work quite hard to maintain your position, and even then there would be little likelihood of realizing expected gains. In fact, this month would have no ups and downs for you. There would be a kind of plateau of dull slogging away that would seemingly lead nowhere.

Overall, a dull month during which you should just about try and hold on with patience.

An excellent month during which you would have a lot of opportunity to advance your career. The working climate would remain quite pleasant and congenial with no trace of tension or politicking. And in such an atmosphere you would go on to do very well realizing expected gains.

Association with several gifted people of learning would help in every way. In fact, some of you would go on to make noteworthy contribution in religious and social affairs, writers and social scientist, economists, administrators connected with such tasks, will also do particularly well. A good month for your career.

Association with gifted people of learning and spiritual stature would be a boon to you in every way. In fact, some of you may well go on to make noteworthy contribution in religious and social affairs. Needless to say, that this will give you a tremendous sense of achievement as satisfaction. There would be a lot of hard work as well, but given the circumstances that would be prevailing this would not appear to be a burden at all.

A month during which there is hardly anything encouraging for your career prospects in the augury from the stars. There is a distinct possibility of tension and serious differences of opinion with your superiors. Try to anticipate trouble spots and work hard to avert trouble.

There would be a good deal of hard work, but even this would not ensure realization of expected gains. These would finally elude you. There is some

consolation in that the association with gifted people of learning might deliver minor material advantages to you, and also give much mental satisfaction. This apart, there is very little of a favourable nature.

No encouragement for your professional prospects during the coming month, since the combination of stars facing you is hardly favourable. Your efforts would fail to produce expected gains and this would tend to disappoint you considerably. This would be despite your hard work, of which there would much more than usual.

No significant quantum of travel is indicated. As such no windfalls or even minor gains can be expected because of any travel. In fact, professionally this month may well turn out to be a straight horizontal line, without any ups or downs. The saving grace could be the satisfaction you would derive from association with people of learning and of spiritual status.

Nothing very advantageous for you in so far as your professional aspirations are concerned in the combination of stars facing you this month. There is little likelihood of realizing the expected gains despite a lot of hard work during the course of this month. This would naturally tend to disappoint you.

In fact this month could well mean a spell of dull plodding. The working atmosphere may not be very pleasant either. Yet the association of some learned people of spiritual stature, would well turn out to be the saving grace. Patience and perseverance are the only prescription under the circumstances.

A fairly beneficial month during which you could do very well careerwise. In an atmosphere completely free of tension and internal politics you should go ahead and pursue your objectives and realize the expected gains. This would not give you the rewards for your efforts but also fill you with a sense of achievement.

Some of you would make a mark with your contributions in social or

religious work. There is the further likelihood of your life being inclined by association with people of learning and spiritual stature. Writers and others of this ilk would do particularly well in their fields.

This month you would have fairly useful opportunities for career advancement. In an atmosphere completely free of tension and politics, you would carry out your pursuits and realize the expected gains. In fact, some of you would go on to make a mark with your contribution in social or religious work, writers and others in such-like vocations would also do particularly well.

This - of course, would be a source of much satisfaction to which would be added what you can expect to derive from your association with learned people of spiritual stature. Overall an excellent month, during which you could achieve much.

This month you have every chance of doing quite well in your field of activity. In an atmosphere of an extremely pleasant sort, completely free of tension, you would pursue your goals and realize the expected gains. Your acts could well bring about qualities of leadership, which will enable you to get work done efficiently and with the utmost speed.

Your life could be further enriched by your association with learned people of spiritual stature. Such interaction would give a very pleasant and desirable dimension to your life. An excellent month, during which you could really make a mark in your field.

This month you have a favourable combination of stars, which is out to help in your career advancement. With little or no travel, and with the work-load lighter than usual, you would successfully carry out your pursuits and realize the expected gains. Those renowned in writing, painting, music, and the other fine arts would do exceedingly well.

The working climate would be excellent and there would be not a trace of tension or politics. In fact, you would associate with people of learning and spiritual stature, who would enrich your life in a very significant manner. Some of you, may well go on to make a mark with your contributions in religious or social work. As will also writers, journalists and the like. A good month, during which you could achieve a good deal.
