Significance of Matching

Horoscope Matching is suggested to ensure a happy married life.

In matching, first we do Ashtakoot matching. The eight natures of the native is determined by his Rashi and Nakshatra - Varun, Vashya, Tara, Yoni, Rashi Lord, Gana, Bhakoot, and Nadi give us the indication of compatibility between the two partners. By Varna matching we know about the compatibility of deeds, Vashya gives nature compatibility, Tara tells about fate, Yoni and Rashi Lord confirm the mutual relationship, Gana defines social understanding, Bhakoot shows the day to day behavior and Nadi confirms Health and Children. These eight natures have been assigned marks from 1 to 8 respectively totaling 36. A minimum of 50% marks is considered essential for match to be acceptable. Less than this may create problems in the married life.

Manglik Dosha matching is also very important along with Ashtakoot Matching . A Horoscope is said to have Mars Dosha if in Lagna chart Mars is positioned in 1,4,7,8 or 12th House. For compatibility against this Mars Dosha it is necessary that both boy and girl either have a non Manglik Horoscope or a Manglik Horoscope. The books on Astrology define other rules as well for propitiation of Manglik Dosha. If Mars Dosha is properly taken care of the chances of accidents or ill fate are diminished.

With the matching thus properly done a smooth happy and peaceful life to the couple is ensure.

ShodashVarga Charts

Divisional Charts are extensions of Lagna Chart. Every chart has some specific purpose as described along with the chart below. These charts are to be studied along with the basic lagna chart to know in detail about the subject it represents. However, care has to be exercised in looking into these charts, because there are no aspects of planets here. Planet's behaviour is normally limited to the extent of sign or house it occupies in these divisional charts.

It is entirely in your hands to utilise the favourable signs for your benefit. If you curb your excessive zeal for sex and desire for alcohol, you can make an outstanding success of your life. Being honest, god-fearing, respectful to parents, and interested in serving religious leaders and saints, you can set a model to others.

No doubt, you will amass wealth (without covanating others' property) which you will put to good use by meeting all the demands of your family members, as also being generous in helping your friends. But a part of it you may squander by chasing petty worldly pleasures. If you avoid it and instead contribute that to charity, then you will live up to the motto "Service to humanity is service to God."

You will have to avoid trusting your friends blindly. Your friendship is indeed pure and you expect your friends too to be totally devoted to you. Hence, you have the habit of relying on their support in times of necessity, but you will be shocked when you realise that the promises made by your friends are not worth anything. So proceed cautiously in your business dealings with friends.

Self-help is the best help. You have the knowledge and capacity to tackle your problems. So why count on others and come to grief later ? All that you need to do is to proceed with self- confidence and pursue your projects with determination, which is certain to yield dividends.

In your entire lifespan you will encounter problems three times. That will be during your 17th, 21st and 24th years which may prove to be none too lucky. So, proceed with caution and care during those periods. Then your long life will be excellent.

The professions that suit you are becoming a religious head, Press, publicity and advertisement, radio, telephone and astrology. You can also shine as a lawyer or engineer if you want.

By and large your health will be good but if you take to drinking or smoking you may suffer from intestinal ulcers and nephritis. Think about it before getting addicted to them.

No matter how you conduct yourself, you are assured of one thing - a happy home with an understanding spouse and bright children.

Always make it a point to avoid number 8 which is inimical to you. The numbers that will bring luck are 1, 3, 4 and 9.

Rose, red, orange and yellow should be your favourite colours. The one you should keep clear of is blue.

Three days of the week - Monday, Thursday and Tuesday are highly favourable to you. Sunday is average. The other three are not too good

Payel Roy

The astrological configuration at the time of your birth was Pisces Ascendant (Lagna) rising with Aquarius Navamsa and Scorpio Dreshkana in the third Pad of Revati. This shows you have a dual personality, in spite of which you will lead an enjoyable life of wealth and prosperity.

You are really cast in the mould of Pisces which is a dual sign. You do things which are incompatible. Like, for instance, while in your public dealings you put on the appearance of a brave, aggressive individual who brooks no nonsense, at home you are timid, possibly even henpecked. Or, for instance, while in your business or place of work you are considered a very honest person, you wouldn't mind stooping to the level of Hippocratic if it suits your purpose.

Yet, by and large, you will conduct yourself as a decent individual, dutiful to parents and respectful to religious leaders, generous and sympathetic to the feelings of others. You can earn a lot of money and enjoy life to the full. Your idea of enjoyment, however, is sex. Even while parading as a devoted partner, you may be tempted to have secret affairs with others, women which if not resisted, may mar your fine atmosphere at home. You have got to resist the urge to yield to temptations.

Also, you will have to be more practical-minded to succeed in life. As it is, you are given to day-dreaming, imagining all sorts of pleasant things, all of them far removed from reality. You must come down to earth and pursue your assignment with hard and dedicated work which is certain to prove beneficial to

you.

You will also have to give up your trait of relying on others' promises, because more often than not the promises will only remain on paper. You should tackle your jobs on your own, without depending upon outside help.

A highly religious person, you are ideally placed to adopt a philosophical approach to things. As the basic idea of the Pisces sign is occultism and mysticism, you can learn about them and hope for the liberation of the soul, at least in some other birth if not in this one. Religion can easily be practiced along with attending to worldly matters if one has the will to do so.

Everyone is susceptible to some disease or the other. So are you. In your later years you may encounter problems connected with the intestines and the ears. If advance precautions are taken, after consulting your doctor, you can at least mitigate the hardship, if not eliminate it all together.

Three days of the week - Monday, Thursday and Tuesday are highly favourable to you. Sunday is average. The other three are not too good.

The numbers you can count on are 1, 3, 4 and 9. The one which you must avoid is 8.

Never go in for blue. The colours best suited to you are red, rose, orange and green.

Even with your father, you may not have a good equation which may result in having to face trouble from him. In service you will be ill treated by your superiors and you won't be able to complete your scheduled term. Consequently, you may be forced to take up any job, even a menial one. Physique, Health & Nature

Avra Chatterjee

Persons born under the Pisces sign are generally of average height, sporting a plump body with rather short limbs. Their fleshy face shows a wide mouth, protruding eyes and soft hair.

Pisceans will invariably be addicted to liquor, because of which they will be prone to suffer from gastric troubles, varicose veins and guineaworms, in addition to affliction of bile and feet. If they don't adopt a sober approach, they may invite tuberculosis and tumours.

God-fearing, it is in their nature to resist any opposition to orthodoxy. Highly superstitious, they are sticklers in observing religious rites and festivals. Though outwardly timid, they are very stubborn in seeing to a successful conclusion their philosophical pursuits. But in all this they will be noble enough to make sure they don't harm others.

In material terms, Pisceans rarely realize their ambitions. They are destined to shine in borrowed feathers, but their splendid quality is they make it appear like the fruits of their own efforts. This is a natural consequence of their toeing a just and honest path without treading on the corns of others, as they believe in fair play and honesty. Only, suddenly they get disheartened and become melancholic when their labours don't yield the desired results. They become almost morose, even despondent and philosophical, and leave it at that. It is at such times that they pin all their faith on persons whom they consider as their closest allies. Then they sustain a shock because those on whom they had banked all along turn out to be unreliable and selfish. This makes them even more philosophical and desperate. The lessons to be learned in all these is to see that you weigh the pros and cons of issues in their proper perspective and then act in a decisive manner.

Family Life, Marriage & Business Partner

For you, born when the Virgo sign was in the seventh house, the predominant aim in life is romance all the way. Whether at home or at work, the one and only thought uppermost in your mind is love and sex. No doubt you can afford to pay the maximum attention to the romantic side of life, as you are not only endowed with an attractive personality, you also have adequate resources. Yet, being shrewd, you will keep money in reserve for your old age.

It goes to your credit that you pour your entire affection on your spouse and, more importantly, you convince your partner of it. Sincere and true, you will go all out to ensure a happy, harmonious home. You prefer a handsome spouse to an intelligent one. If you have a brainy partner, then your matrimonial ties may be under strain because of a quarrel in your nature. And that is your highly suspicious bent of mind. You are such a Doubting Thomas that you see ghosts in almost everything. You look upon with suspicion each and every move of your partner and go on imagining things. If you don't banish this trait from your system, you may spoil your own happiness. You have to have absolute faith in your mate and live happily.

As you have good business acumen, you may, if you prefer it, launch your own venture. This can be done as an independent project or in addition to your job. The professions that suit you are being an accountant, bank officer, dealing in cinema, and cosmetics or medicine.

However, so far as you are concerned, you will have to be prepared to go through a life of tension and worry due to the positioning of an unfriendly Mars in Virgo in the seventh house. Of rash temperament, you may indulge in quarrels with others, mostly your spouse. Consequently, there will be discords in the family. Even though you will derive material gains from your marriage, you will try to seek pleasure from members of the other sex which will add to your existing lot of troubles. There is only one way for you to manage your affairs for a smooth existence and that is to mend your character and behaviour.

Profession, Father, Status & Power

Avra Chatterjee

There are quite a few profession suited to the temperament and genius of those born when the Sagittarius sign was rising in the tenth house. So the native would do well to select one from among them to prosper in life.

The best of the lot are banking and accountancy. Among the others are being an administrative or liaison officer in government or a public sector corporation, or becoming a lecturer. If the native is inclined to enter into business, then it would be advisable to deal in oils, soft drinks, beverages, chemicals, medical equipment or cosmetics.

But keep clear of politics, of any kind. If not, you may invite trouble. This aspect needs to be stressed, as there are hints that you may take an active part in office politics which will not bring beneficial results, but actually retard your progress.

In the event of finding yourself in the midst of a controversy, avoid getting into litigation, as it will be counterproductive.

You are lucky to have a good father whose qualities are worthy of emulation. He is free, frank and fearless, and goes about his work in a planned manner. He is also sympathetic to others feelings and will be generous and charitable.

Unfortunately, in your case, the presence of Saturn in Sagittarius in the tenth house spells a lot of trouble in almost all walks of life. At the time of your birth, Aquarius sign was placed in the twelfth house. Saturn is the lord of this sign.

You have a good business ability. You are endowed with wealth and power and do not relish the idea of being dependent on your children in old age. Hence you may keep the money safe for that period. You are helpful to needy people and make advances of money to those who can repay on demand.

Inheritance of money and property is likely during your middle age, and you will treat your wealth as carefully as you used to handle your childhood allowance. In short you will accumulate wealth.

Since you are very attached to your family you will spend on your family and on those whom you are sentimentally attached to. You are also fond of worldly comforts and all kinds of pleasures like eating, travelling etc. on which you will spend part of your money. Decorating your house interests you and you will spend on interior decoration which will not be costly but attractive all the same. However, you are no spendthrift.

By exercising prudence you will keep sufficiently large sums of money as donations to charity later, for that will eventually bring you your greatest satisfaction.

Love for travel is indicated in your chart and you are ever ready for long journeys and never tire of these. You are especially suited to work involving foreign countries, travel, and shipment of goods abroad. You may be blessed with a gift for languages, even if you have never studied them, and your remarkable understanding of people allows you to learn about local customs, traditions and beliefs quickly. Little wonder, then that many of you become translators, explorers and anthropologists. You may go on long pilgrimages to foreign countries. Settling abroad in connection with your profession is possible but this will not be a posting of a long duration.

Rahu in Aquarius in the twelfth house indicates that the native has a lot of money and is successful in life. You spend a lot of money on property. At a later stage you may sell it and may get double the price for it. This placement also indicates a saving disposition.

Journeys will be limited to your own native country. These will be pleasure

trips as well as those concerning your job. However, even if you go on business trips or official journeys you will definitely make time to see place of tourist interest.
