Personality Analysis

Shubham Dhawan

The astrological configuration at the time of your birth was Virgo Ascendant (Lagna) rising along with Cancer Navamsa and Taurus Dreskana in the fourth Pad of Hasta, which points to the possibility of your becoming a rolling stone, always changing from one job to another. This need not necessarily mean you can't realise your ambition of having a fat bank balance, but you can fare better if you are more steady in your approach.

You have the habit of leaving things half done and taking up new ventures, which is none too beneficial. Also, you don't take a firm decision and act on it, but have a straying mind which goads you to alter your plans frequently. If you get over this trait of indecision, you will stand to gain much .

Another problem with you is your highly critical bent of mind. Be they your friends or business associates, you will constantly find fault with them and endlessly criticise them. This will alienate most of them. The result is some of them may try to take you to court and depose against you. So be patient in your dealings with men and matters and give up the habit of grumbling all the time. At home too you are given to finding fault even with sundry matters. This spoils the atmosphere. Actually you should have a very pleasant home as your spouse will be god-fearing and extend all-out support to you.

Make sure you don't upset your family balance by going after the opposite sex. As you are witty and look younger than your age, you are capable of impressing members of the opposite sex, for whom you have a fascination.

You will live long and enjoy robust health. But you will have to be careful about stomach and the nervous system, both of which are highly sensitive. If you don't take precautions, you may contract diseases connected with them, as you grow old. Having a balanced vegetarian diet will go some way in warding off such diseases.

The lucky days for you are Wednesday and Friday whereas Saturday is average. The other four days are not too favourable as they will prove expensive. The colours that prove lucky for you are emerald, yellow, green and white. Avoid black, red and blue.

As far as possible, keep clear of numbers 1 and 8 which don't agree with

you. The numbers which vibrate in your favour are 2, 3, 5, 6 and 7.

Saloni Kapoor

The combination of Virgo Ascendant (Lagna) on the rise with Virgo Navamsa and Taurus Dreshkana in the second Pad of Chitra at the time of your birth is very favourable to you. You are assured of a comfortable, fruitful life, enjoying all the good things one can aspire for.

Having an attractive personality, with a broad forehead and expressive eyes you will be popular and well liked by all those with whom you come in contact.

A practical individual, courageous, enterprising and energetic, you can fare well in any avocation you take up and emerge successful. You have the capacity to earn a lot, but you won't be able to retain a good portion of it, because you are not only a very generous person, you are also a great spender. Wanting to appear impressive with an air of distinction all the time, you will incur much expenditure on clothes and jewellery for yourself and for your family members. Since you want the best in everything, your expenses will be much more than that of a normal human being.

There is, however, a tiny, negative streak in you. And that is sometimes you tend to take things easy, even when matters requiring your attention will be pending. You have got to give up any lazy stance and go about your job with determination, which will prove highly beneficial. Between the ages of 33 and 38 especially, you can reach the pinnacle.

You are highly religious and have interest in acquiring knowledge about the occult sciences and astrology. You wouldn't mind contributing to charity to help the downtrodden sections of society.

Thoughtful and profound, you are adept in humorous even sarcastic talk which will be highly appreciated by people. Apart from monetary gains, you will also derive comfort from your spouse and children. You will have a pleasant home life.

The professions that suit you well are dealing in sports material, automobile spare parts, business partnerships with like-minded persons and clothes and jewellery. If you want to take up service, you can go in for jobs like becoming a doctor, engineer, lawyer or scientist.

Your health will undoubtedly be very good, but in later years there is an outside chance of your being affected by diseases connected with the kidneys and the bladders. So take precautions against them.

The lucky days for you are Wednesday and Friday whereas Saturdayday is average. The other four days are not too favourable as they will prove expensive. Your lucky colours are yellow, white, emerald and green. Avoid red, black and blue. Numbers 2, 3, 5, 6 and 7 will prove beneficial, but not 1 and 8.
