Disclaimer

Astrology is a science which deals in the effects of planets on living beings. To predict its effects, one has to calculate the position of planets & their strengths. Calculations prepared in this horoscope are very accurate and true apparent longitudes have been used for all the planets. The Ayanamsa adopted is Chitrapaksha Ayanamsa, unless & until other ayanamsa is asked for.

Computer Horoscopes are based mainly on Parasara system. However, there is a fine blend of Tajak system, Gemini system, K.P. system, Horary (Prasna Marg) system & Western system in the astrological calculations. Predictions are based on various ancient texts like Brihat Parasara Hora, Mansagari, Saravali, Jataka Bharanam, Brihat Jatak, Phala Deepika, Jataka Parijat and finally on own experiences to the extent of fructification of astrological rules. However, using astrology we can only indicate the future, it is only Brahma (the creator of universe) who can exactly tell what will happen.

This horoscope is based on Date, Time and Place of birth provided by the native and we do not stand any responsibility for the accuracy of this data. Astrological calculations & predictions are all based on this basic input given by the native.

Predictions given in the horoscope are indicative tendencies and likelihood and not strict guidelines for action by native. User is suggested to treat these predictions & suggestion with due care and caution. The horoscope and the information given in the following pages shall not be made a cause of legal dispute for any actual or consequential loss to the native. No cause of action for any damages or otherwise can therefore be entertained.

ShodashVarga Charts

Divisional Charts are extensions of Lagna Chart. Every chart has some specific purpose as described along with the chart below. These charts are to be studied along with the basic lagna chart to know in detail about the subject it represents. However, care has to be exercised in looking into these charts, because there are no aspects of planets here. Planet's behaviour is normally limited to the extent of sign or house it occupies in these divisional charts.
