Astrology is a science which deals in the effects of planets on living beings. To predict its effects, one has to calculate the position of planets & their strengths. Calculations prepared in this horoscope are very accurate and true apperant longitudes have been used for all the planets. The Ayanamsa adopted is Chitrapaksha Ayanamsa, unless & until other ayanamsa is asked for.

Computer Horoscopes are based mainly on Parasara system. However, there is a fine blend of Tajak system, Gemini system, K.P. system, Horary (Prasna Marg) system & Western system in the astrological calculations. Predictions are based on various ancient texts like Brihat Parasara Hora, Mansagari, Saravali, Jataka Bharanam, Brihat Jatak, Phala Deepika, Jataka Parijat and finally on own experiences to the extent of fructification of astrological rules. However, using astrology we can only indicate the future, it is only Brahma (the creator of universe) who can exactly tell what will happen.

This horoscope is based on Date, Time and Place of birth provided by the native and we do not stand any responsibility for the accuracy of this data. Astrological calculations & predictions are all based on this basic input given by the native.

Predictions given in the horoscope are indicative tendencies and likelihood and not strict guidelines for action by native. User is suggested to treat these predictions & suggestion with due care and caution. The horoscope and the information given in the following pages shall not be made a cause of legal dispute for any actual or consequential loss to the native. ShodashVarga Charts

Divisional Charts are extensions of Lagna Chart. Every chart has some specific purpose as described along with the chart below. These charts are to be studied along with the basic lagna chart to know in detail about the subject it represents. However, care has to be exercised in looking into these charts, because there are no aspects of planets here. Planet's behaviour is normally limited to the extent of sign or house it occupies in these divisional charts.

Manglik Vichar

In the boy or the girl's horoscope when Mars is in ascendant, fourth house, seventh house, eighth house or twelfth house then it is called Manglik dosh.

लग्ने व्यये च पाताले जामित्रे चाष्टमे कुजे।
स्त्री भर्तुर्विनाशंच भर्ता च स्त्री विनाशनम्।।

Manglik dosh is considered stronger when Mars is placed in the ascendant than when Mars is conjoined with Moon in ascendant. If according to the Shastras the Manglik dosh of both the boy and the girl is getting cancelled then they are guaranteed a happily married life. On the other hand, if this Manglik dosh is not cancelled then they are likely to face unnecessary problems and hurdles in life. So one must begin his/her married life after getting their horoscopes thoroughly matched. After getting the Manglik dosh properly cancelled the native shall be bestowed with a peaceful and wealthy life.

****

At the time of your birth Mars' was placed in the fourth house with Moon. So you are a Manglik according to your Moon Horoscope and since it is not being cancelled, with its effect you will be able to earn various luxuries and movable and immovable property. You will enjoy mental peace and physical health. With it's effect your marriage may be slightly delayed and even at the time of settlement there may be breaks. Your wife will have a sweet disposition. Your married life will be peaceful and happy.

Due to Mars' aspect over seventh house your wife will enjoy good health. She may become slightly aggressive at times but it will not affect your mutual relations. Mars' aspect over the tenth house indicates that you will progress a lot in your field of work. A promotion is on the cards due to which there will be an upliftment in your status and respectability. With the effect of Mars' aspect over the eleventh house you will be able to earn the necessary amount of money. There will be an increase in your sources of income.

To increase the benefic effect of Mars', you must marry such a Manglik girl with whom your Manglik dosh gets mutually cancelled. In this case you will be the owner of various luxuries and movable and immovable property. Your married life will be peaceful as you will get along well with your wife.

Saham

Sahams are special positions or points signifying important events in life. Unlike planets or houses one saham relates to only one aspect of life. There are 50 Sahams according to Neelkantha. If the Saham and its lord are well associated or aspected, it produces good results of the event it signifies. As per Tajak system Saham gives its result within a particular period calculated on the basis of its position, lord and the duration of the sign in which it is placed. Below we give the calculation of Saham and its expected date of happening which may be helpful for further predictions.
