Astrology is a science which deals in the effects of planets on living beings. To predict its effects, one has to calculate the position of planets & their strengths. Calculations prepared in this horoscope are very accurate and true apperant longitudes have been used for all the planets. The Ayanamsa adopted is Chitrapaksha Ayanamsa, unless & until other ayanamsa is asked for.

Computer Horoscopes are based mainly on Parasara system. However, there is a fine blend of Tajak system, Gemini system, K.P. system, Horary (Prasna Marg) system & Western system in the astrological calculations. Predictions are based on various ancient texts like Brihat Parasara Hora, Mansagari, Saravali, Jataka Bharanam, Brihat Jatak, Phala Deepika, Jataka Parijat and finally on own experiences to the extent of fructification of astrological rules. However, using astrology we can only indicate the future, it is only Brahma (the creator of universe) who can exactly tell what will happen.

This horoscope is based on Date, Time and Place of birth provided by the native and we do not stand any responsibility for the accuracy of this data. Astrological calculations & predictions are all based on this basic input given by the native.

Predictions given in the horoscope are indicative tendencies and likelihood and not strict guidelines for action by native. User is suggested to treat these predictions & suggestion with due care and caution. The horoscope and the information given in the following pages shall not be made a cause of legal dispute for any actual or consequential loss to the native. ShodashVarga Charts

Divisional Charts are extensions of Lagna Chart. Every chart has some specific purpose as described along with the chart below. These charts are to be studied along with the basic lagna chart to know in detail about the subject it represents. However, care has to be exercised in looking into these charts, because there are no aspects of planets here. Planet's behaviour is normally limited to the extent of sign or house it occupies in these divisional charts.

Yoga Karakas

These planets behave differently in different dasa periods depending upon the placement of dasa lord and their relation with dasa lord. For the convenience, we have computed the benefic property of the planet in percentage. Any planet securing over 50 points may be taken as benefic and below that it is malefic. Manglik Vichar

In the boy or the girl's horoscope when Mars is in ascendant, fourth house, seventh house, eighth house or twelfth house then it is called Manglik dosh.

लग्ने व्यये च पाताले जामित्रे चाष्टमे कुजे।
स्त्री भर्तुर्विनाशंच भर्ता च स्त्री विनाशनम्।।

Manglik dosh is considered stronger when Mars is placed in the ascendant than when Mars is conjoined with Moon in ascendant. If according to the Shastras the Manglik dosh of both the boy and the girl is getting cancelled then they are guaranteed a happily married life. On the other hand, if this Manglik dosh is not cancelled then they are likely to face unnecessary problems and hurdles in life. So one must begin his/her married life after getting their horoscopes thoroughly matched. After getting the Manglik dosh properly cancelled the native shall be bestowed with a peaceful and wealthy life.

****

At the time of your birth, Mars was placed in ascendant so according to the your horoscope you are a Manglik but according to shastras the effect of Manglik dosh is neutralized so with the benefic effects of Mars there will be more success than failures in your life. Your health will be good but you may lose temper at times. Due to the effect of Mars your marriage may be delayed but the ceremony will take place in a pleasant atmosphere. But after marriage your wife may have minor health problems.

In your horoscope Mars placed in ascendant is aspecting sixth house This indicates that your life will be full of luxuries but you will have to work hard to attain these. Mars is also aspecting seventh house so your married life will be happy but there will tiffs between the two of you at times. Along with this you will be physically fit .But there will be unnecessary hurdles on your path of success which will make you tense. But your married life will be peaceful. To make your married life happier and to get the better results, you must marry a girl who is either non Manglik or such a Manglik whose Manglik dosh according to shastras is neutralized. If you start your married life after propitiating various dosh then you will lead a happy and prosperous life. You will be in a strong position financially. There will be no death of money or luxuries in your life. You will be a fortunate man and lady luck will favour you in getting success in most of your important ventures. If in the girls horoscope Mars is placed in first house then do not marry her because in this case her health will not be good and there will be obstacles in your work. So for a happy married

life, avoid this alliance. While matching the horoscope these things should be kept in mind.

Born under the Scorpio sign, you will be blessed with an impressive personality comprising a well knit, muscular body tending to stoutness, long arms and short, curly hair. The overall picture you present is that of a self-assured individual who brooks no nonsense from any quarter.

Since Scorpio denotes generative organs, you will have to be particularly careful, especially from the middle age.

You have two sides to your nature. You don't believe in cutting into others path unnecessarily, as you are primarily interested only in your own affairs. But if others try to get funny with you, then you will make them repent their actions by stinging like a scorpion. You are quick, shrewd and a keen individual. You have a penetrative mind and incisive judgement regarding men and matters. What can serve you best in your pursuits is your strong, forceful mind which has the ability to take its own decisions without having to rely on others guidance. You have very strong likes and dislikes. If you favour anything you will back it to the very last. But if you are averse to something, then you will spare no effort to demolish it. You will be a very good friend to a true friend, but a dreadful adversary to a foe. Since you lay great stress on enjoying sex, your image may be sullied.

You are prone to disease like insomnia and somnambulism. So take due precautions.

You will have to be particularly careful about getting entangled in love affairs, as Venus, stationed in the first house, sounds the warning signal that you may encounter trouble from a member of the opposite sex in your middle age. This will not only culminate in your suffering secret sorrows, it may even land you in hospital with unmentionable diseases. With one thing leading to another, you may face the possibility of permanent disablement. Hence, there is only one way out and that is for you to play a conservative, extra-cautious role in the pursuit of your goals.

Finance, Family, Eyes & Speech

At the time of your birth, Sagittarius sign was rising in the 2nd house. Jupiter, the lord of this sign, gifts you with self confidence and frankness in expression. Kind Of Horoscope

Horoscope having blind planets

As per Lal Kitab, the planets that are blind during nights are also called NAHORATRA planets. These planets can see during daytime only but become blind during nights. These planets are called half blind. Thus, if Sun is situated in the 4th house and Saturn is situated in the 7th house then the horoscope is called Half Blind horoscope.

The horoscope of this kind can influence to a great extent in native's professional life, mental peace, and domestic happiness. Saturn in the 7th house becomes very strong. As per astrology Saturn in the 7th house gets directional strength. With his 10th aspect, Saturn in this house can influence the planets in the 4th house. Because of the inimical aspect of Saturn, the benefic results of Sun become malefic. The 7th aspect of Sun situated in 4th house will fall on the house profession and turns the results of house of profession adverse. Thus causes losses to all kinds of pleasures and happiness by destroying comforts and minimizing mental peace to a great extent. Saturn and his aspects are responsible for the bad influence on the horoscope. Hence it is not proper to perform remedial measures for Sun but the remedial measures are to be performed for Saturn to mitigate his malefic nature.

Conclusion

Your horoscope is free from planets, which are blind during nights.

Righteous Horoscope

As per Lal Kitab there are certain Righteous horoscopes. In these types of horoscopes the influence of malefic planets reduces to maximum extent. In any horoscope, if Saturn is situated in any good house along with Jupiter, then the horoscope becomes Righteous horoscope. The native who is having righteous horoscope, will be helped by God Himself while facing obstructions formed on the way during difficult situations.

As per Lal kitab, Saturn is the significater of our difficulties as well as luck. If Saturn is situated along with Jupiter or in Jupiter's rasi, then beneficence will come in the nature of Saturn. The relationship of Saturn and Jupiter removes many blemish qualities in the horoscope. The conjunction of Saturn and Jupiter in 6th, 9th, 11th or 12th houses mitigates many problems and controls the ups and downs in the life. Because of this influence all kinds of malefics and calamities will be put

to an end.

Saham

Sahams are special positions or points signifying important events in life. Unlike planets or houses one saham relates to only one aspect of life. There are 50 Sahams according to Neelkantha. If the Saham and its lord are well associated or aspected, it produces good results of the event it signifies. As per Tajak system Saham gives its result within a particular period calculated on the basis of its position, lord and the duration of the sign in which it is placed.
