Significance of Matching

Horoscope Matching is suggested to ensure a happy married life.

In matching, first we do Ashtakoot matching. The eight natures of the native is determined by his Rashi and Nakshatra - Varun, Vashya, Tara, Yoni, Rashi Lord, Gana, Bhakoot, and Nadi give us the indication of compatibility between the two partners. By Varna matching we know about the compatibility of deeds, Vashya gives nature compatibility, Tara tells about fate, Yoni and Rashi Lord confirm the mutual relationship, Gana defines social understanding, Bhakoot shows the day to day behavior and Nadi confirms Health and Children. These eight natures have been assigned marks from 1 to 8 respectively totaling 36. A minimum of 50% marks is considered essential for match to be acceptable. Less than this may create problems in the married life.

Manglik Dosha matching is also very important along with Ashtakoot Matching . A Horoscope is said to have Mars Dosha if in Lagna chart Mars is positioned in 1,4,7,8 or 12th House. For compatibility against this Mars Dosha it is necessary that both boy and girl either have a non Manglik Horoscope or a Manglik Horoscope. The books on Astrology define other rules as well for propitiation of Manglik Dosha. If Mars Dosha is properly taken care of the chances of accidents or ill fate are diminished.

With the matching thus properly done a smooth happy and peaceful life to the couple is ensure.

Divisional Charts are extensions of Lagna Chart. Every chart has some specific purpose as described along with the chart below. These charts are to be studied along with the basic lagna chart to know in detail about the subject it represents. However, care has to be exercised in looking into these charts, because there are no aspects of planets here. Planet's behaviour is normally limited to the extent of sign or house it occupies in these divisional charts.

Sade-Sati Consideration

A horoscope is said to be under 'Sade-Sati' effect when the Saturn transits through the 12th, 1st and 2nd house from Natal Moon. It is said to be under 'Dhaiya' effect when Saturn transits over the 4th or 8th house over the Natal Moon. The effect of Sade-Sati remains for seven & a half year and that of Dhaiya remains for two and a half year. This generally affects health, mental peace & finance.

Generally Sade-Sati comes thrice in a horoscope in the life time - first in childhood, second in youth & third in old-age. First Sade-Sati has effect on education & parents. Making use of every opportunity that comes your way, you will rise slowly but steadily. It is this dual posture that may cause you problems in the domestic sphere too. Seeking an ideal and perfect home, you will get upset when it is not up to your expectations. Then you will have tiffs with your partner which will rock the family boat, Hence it would be in your interest not to push matters to an extreme at home, but adopt a reconciliatory approach to ensure a harmonious family life.

Jupiter in the first house is not at all a good indication. It spells troubles of many sorts almost throughout the native's life. Health will be not too good as one is likely to have ear trouble; and more importantly, the mind will be under perennial tension, on account of worries from all sides - worries from brothers, neighbours and mounting debts. If the native finds himself/herself in debts, it will be because of one's own actions, as to start with, the position would have been very good.

Instead of resorting to escapism, it would be but practical to face the facts and tackle the situation intelligently and with determination. Here, the native is advised to follow a righteous path, attend to work with sincerity and leave the results to God; in other words, practice "Nishkaam Karma".

Family Life, Marriage & Business Partner

Shivang Gupta

With the Cancer sign rising in the seventh house at the time of your birth, you will be an extremely cautious individual who will not take a rash decision on any issue, be it in the realm of romance or in the pursuit of your profession. You will take a pretty long time in choosing your life partner. But after you select your spouse, you will spare no effort to provide all comforts to your family.

But a snag is you are not too romantic and consequently you don't display your emotions openly, even though you are fully devoted to your family. In addition, you believe in being the boss at home and so don't provide much freedom to others. Only when you want something out of your spouse will you adopt a less rigid posture.

To make sure you don't face problems at home, you it is better to pick your life partner from one belonging to the Cancer, Scorpio or Pisces signs. This will go a long way in providing you with a balanced home.

Whether you opt for service or business, the professions that blend with your temperament are those connected with irrigation, banking, education and contracts.

Devashi Jain

Born when Taurus was the rising sign in your seventh house, you can expect to have a good marriage. you are likely to get a spouse who will not only be devoted and sincere but also lucky.

It is in your blood to make a success of your marital life. To achieve that, you expect your partner to be as intense in love making as you are. Hypersexed, you are very dynamic in your bedroom and shower all praise on your mate. Faithful to the core, you drive home the point that romance with your spouse is all that matters for you in life. You will go out of your way to provide every physical comfort to your partner.

Invariably, You will be lucky in finding a spouse who will display understanding and make the necessary adjustments to ensure a happy home.

One aspect to which you attach a lot of importance is your family prestige. At all times you want your kith and kin to conduct themselves in such a

way that the family honour is in no way tarnished.

There is however a problem with your nature. And that is sometimes you suddenly flare up for no obvious reason at all. This trait needs correction, as otherwise you may find yourself in a soup in professional pursuits, since your short temper will upset others. That is the reason you should keep clear of entering into business partnerships with others in the event of your preferring trade to service.

However, you may not be destined to enjoy matrimonial comfort due to the presence of a debilitated Saturn in Taurus in the seventh house. You will be very much disturbed by the illness of your spouse, who is unlikely to be good looking. A stage may come when you may even think of a second marriage. But whether you will summon adequate courage to take such an extreme step remains to be seen, because you are an individual who will mostly be under the influence of the opposite sex.

In your old age, however you will be able to lead a comparatively comfortable life, especially if you decide to set up a home abroad.

Profession, Father, Status & Power

Shivang Gupta

It would be better for a person born when the Libra sign was rising in the tenth house to take up service than having a fling at business. In keeping with this broad outline, the native can opt for a job from a wide range of suitable professions. The list includes teaching, engineering, dealing in scientific instruments agricultural and mine products. One can also shine brightly as head of a religious institution, writer, musician, playback singer, architect or salesman.

As you are a native of power and authority, it will be in your interest not to behave arrogantly with your superiors but toe a mellowed line. Otherwise, they will try to manipulate things in such a way that your service record is tarnished and your progress blocked. If you conduct yourself modestly with government officials, they will extend their co-operation and assistance to you, which will be beneficial.

You are lucky to have a good father who will be gentle and affectionate towards you. Endowed with an artistic bent of mind, he will evince a keen interest in the finer things of life and be a popular figure.

Devashi Jain

Instead of picking up just any job, those born when the Leo sign was rising in the tenth house will stand to benefit in the long run if they select a profession from among the following :

Research work, chemistry, medical (with spotlight on maternity), insurance, iron and steel, defence services or criminal investigation. The native can also join government service or a reputed private firm in which there will be good prospects of rising to a high position. Whatever you do, it appears you will be interested in running a music school for some time.

Religion and occultism are two sectors in which you are likely to evince interest. Your inclination for worshiping the Goddess is commendable. No doubt it will help you a lot in all areas of your activity.

In the event of being party to any litigation, the odds are you will emerge successful. There are no indications of your direct involvement in politics, but you have the mettle to secure benefits from politicians.

No doubt you can aspire to get your share of the ancestral property, but

there are possibilities of having a tiff and misunderstanding with your father. It is better not to push your difference with him too far, because you may need his help some time or the other. You should bear in mind that he is a person endowed with vigour and vitality, and is ever willing to be of assistance to everyone.
