Detailed Analysis of Gems

**Aushadhi-mani-mantranam, graha-nakshatra tarikaah.
Bhagyakale bhavetsiddhah abhagyām nishphalam bhavet. .**

Medicine, gems, and mantras are effective in overcoming diseases caused by planets and stars. If the time is favorable, the expected results are obtained; otherwise, all these remedial measures prove useless.

A gem enhances the physical charm of the wearer, increases power, and reduces the malefic influence of a planet with its mysterious powers. The flow of radiation emitted by planets in our body is enhanced by the power of gems. Therefore, planets that are auspicious in a horoscope but lack strength can be strengthened by wearing gems. Conversely, the gems of inauspicious planets multiply the malefic effects of such planets. This is why astrologers advise completely relinquishing the gems of inauspicious planets in a horoscope.

A planet is considered favorable when posited in the Lagna, Trikona, or Kendra, or if it has the lordship of these houses. It is inauspicious if connected to a Trik Bhava. The conjunction and aspect of friendly planets also enhance its auspiciousness. The lordship of a Badhak Bhava reduces its beneficence. In movable Lagnas, the 11th house; in stationary Lagnas, the 9th; and in dual Lagnas, the 7th house is termed a Badhak Bhava. The placement of planets in their enemy sign or sign of debilitation also decreases their auspiciousness.

For any horoscope, the gem of the Lagna lord is known as the 'life stone.' By wearing it, the wearer attains good results such as improved health, personality development, and an enhanced reputation. The gem of the 9th house lord is termed the 'lucky stone'; by wearing it, the development of destiny and an enhancement of status can be expected. Similarly, the gem of a Yoga Karaka planet is the 'Karak gem,' which has enough potential to provide financial gains, progress in tasks, and all-around development.

To gratify various desires, one might need to wear more than one gem. Detailed information about which gem would yield specific results in your horoscope is provided below. In addition, the method of wearing them is given along with the names of other gems that can be worn simultaneously. You can achieve maximum success in life with the right selection of gems.

A clear gem with a clean cut can absorb more radiation; therefore, only high-quality gems are capable of giving completely beneficial results. The weight of the gem should be in proportion to the weakness of the planet and the wearer's body weight. If the planet is very weak, the gem should be heavier. Except for diamonds, all gems should touch the skin. Gems worn on fingers in specific metals prove most beneficial.

If, for some reason, you need to remove the gem, it should be placed in a safe location after being washed with Gangajal on its designated day. If a gem is misplaced or stolen, it is an indication of the removal of the planet's malefic influence. Similarly, if the gem loses its luster, it indicates the same. If the gem cracks, it means the planet for which it is worn is very active; in this situation, that specific planet should be propitiated, and the gem should be replaced with a new one.

To attain the auspiciousness of inauspicious planets in the horoscope, remedial measures such as wearing Rudraksha, chanting mantras, donating Karaka articles, Jal Visarjan, and fasting are recommended. If for some reason you are unable to wear the required gem, wear Rudrakshas or semi-precious stones as substitutes, or increase the strength of the planet through mantra chanting, donation, or fasting. Desired benefits are obtained by wearing the gem of an auspicious planet and through Jal Visarjan or the donation of articles and grains associated with inauspicious planets.
