## Physique, Health & Nature

Those born under the Aquarius sign are generally handsome with a pleasant disposition. They will be tall, with an athletic figure. Having a good, clear complexion, their oval face shows thick lips and broad cheeks. If they don't resort to walking upright, they may, in later years, become mini-hunchbacked.

As an Aquarian, you will be susceptible to infectious diseases; hence you should neither overwork nor overtax yourself mentally, but learn to relax and take adequate rest. There can be heart trouble and blood pressure also. The other problems you may have to face include those concerning the throat, teeth, eyes, ears and swelling in the feet. It would be in your own interest that in the event of even a minor ailment, you don't drag your feet but immediately consult a doctor and get cured. Delay may result in complications.

By nature you are shy, even timid, but if and when provoked beyond endurance you charge like a bull. Your peevish trait makes you display your talents only before selected friends. This is in spite of the fact that you are knowledgeable, having a literary bent of mind. You can become a renowned writer or teacher. You have the raw material required for that, as you are intelligent, have a good memory and assess facts competently. Plus, you have a probing mind because of which you evince interest in astrology, physics, etc. It is this interest in scientific subjects that accounts for your spending less time at home. And then, you are not too passionate a lover which may cause friction between you and your spouse. In the event of serious differences you may even think of just walking out on your family. So try and play it cool by striking a balance between your professional pursuits and family matters.

At the time of your birth, the astrological configuration was Aquarius Ascendant ( Lagna ) on the rise with Taurus Navamsa and Libra Dreskana in the second Pad of Poorva Bhadrapada. This denotes that if you make an honest approach to life, you can rise to become a very good human being, enjoyable wealth, pleasure and prosperity.

You can emerge as a decent individual, even a leader, who, apart from being honest, can be helpful to others by being liberal, and magnanimous.

You can afford to be magnanimous as you can amass riches. You are not only intelligent, you are also aware of the tricks of the money making trade. Endowed with the ability to analyse and assess clearly any issue, you can put to profitable use of your intuitive power to gain beneficial results.

To get the best out of your qualities, you would do well to take to professions like tourism, public companies, medicine, law, astrology, philosophy or literature.

Normally a good mixer, off and on you tend to go into a shell, preferring solitude. On those occasions when you appear to be reserved, your friends and business associates find it difficult to deal with you. It is essential you get over this trait. But at all other times you are a talkative person who impresses others with santilating humor and sarcasm. You will have a large circle of friends with whom you will have good relations. Only sometimes you bungle, relying on some friends who turn out to be undependable. Study the back-ground of people before you forge close ties with them.

As you are a person who is easily influenced by the opposite sex, you will have to make sure of getting a partner in life. For Aquarians, the ideal match will be from those born under the Gemini or Libra signs.

Once a harmonious matrimonial tie-up is ensured, you can have a pleasant homely life, with lively children who may even exceed your expectations by achieving name and fame. You can also have a well-furnished house, as you are social and like to invite your friends for a get-together off and on.

Numbers 2, 3, 7 and 9 are favourable to you. The unfavourable ones are 1, 4, 5 and 8.

Rely on white, red, yellow and cream colours, avoiding orange, green and blue.

Your lucky days are Friday and Saturday; whereas Wednesday is average. Monday, Tuesday, Thursday and Sunday are not too favourable as they may bring worries, forcing you to incur much expenses.
