NakshatraPhal

This child was born in the first charan of the Revati constellation. His birth sign is Pisces, and his sign lord is Jupiter. He belongs to the Brahmin Varna, Deva Gana, Antya Nadi, Gaja Yoni, and Sarpa Varga. According to the charan of the constellation, his name should ideally start with 'De, ' as in Devesh, Devendra, or Devraj.

Revati is considered a Gandmool constellation; however, those born in the first charan are destined to receive honors from the government. Nevertheless, propitiation must be performed during the first month after birth or within six months. To achieve this, the boy's parents should arrange for the constellation's mantras to be recited 28,000 times, followed by a Hawan of one-tenth that count. This will help manifest positive results.

He will be a decent man, maintaining cordial relations with others. Possessing full control over his senses, he will be balanced and principled, earning his living through fair means. With a sharp mind, he will execute all his tasks intelligently.

Jatakabharanam

Born in Revati Nakshatra, you will have a beautiful nature and be endowed with prosperity.
