ShodashVarga Charts

Divisional Charts are extensions of Lagna Chart. Every chart has some specific purpose as described along with the chart below. These charts are to be studied along with the basic lagna chart to know in detail about the subject it represents. However, care has to be exercised in looking into these charts, because there are no aspects of planets here. Planet's behaviour is normally limited to the extent of sign or house it occupies in these divisional charts.

Gem Selection

Gems are advised to increase the benefic effects in a natives life. Scientifically, Gems are capable of collecting the cosmic rays of the planet concerned and pass on to one's body to enhance the effect of that planet. That is why, we only recommend Gem for a planet benefic to the horoscope. A planet is benefic if it is placed or is lord of Lagna, Trikona or Kendra and is malefic if it is lord of 6, 8, 12 houses. It is benefic if it is placed with or aspected by friends. It is considered malefic if it is lord of Badhak house that is 11th lord for moveable, 9th lord for fixed and 7th lord for mixed ascendants. Above considerations define the goodness of the planets for Gem Selection.

Table below describes the area of work and benefic factor of the planet is percentage along with graphical display. Power of different Gems in different dashas is given in the other table. It is suggested to wear Gems throughout life without bothering for dasha or transits of the planets obtains over 75% marks. For those who secure 50-75% marks, it is suggested to wear gems in dasha of friendly planet or it is required to enhance the requisite area of concern. Gems for planets which obtain less than 50% should be normally ignored unless it obtains more than 50% marks in particular dasha.

Detailed Analysis of Gems

**Aushadhi-mani-mantranam, graha-nakshatra tarikaah.
Bhagyakale bhavetsiddhii abhagyām nishphalam bhavet. .**

Medicine, gems, and mantras are effective in overcoming diseases caused by planets and stars. If the time is favorable, the expected results are obtained; otherwise, all these remedial measures prove useless.

A gem enhances the physical charm of the wearer, increases power, and reduces the malefic influence of a planet with its mysterious powers. The flow of radiation emitted by planets in our body is enhanced by the power of gems. Therefore, planets that are auspicious in a horoscope but lack strength can be strengthened by wearing gems. Conversely, the gems of inauspicious planets multiply the malefic effects of such planets. This is why astrologers advise completely relinquishing the gems of inauspicious planets in a horoscope.

A planet is considered favorable when posited in the Lagna, Trikona, or Kendra, or if it has the lordship of these houses. It is inauspicious if connected to a Trik Bhava. The conjunction and aspect of friendly planets also enhance its auspiciousness. The lordship of a Badhak Bhava reduces its beneficence. In movable Lagnas, the 11th house; in stationary Lagnas, the 9th; and in dual Lagnas, the 7th house is termed a Badhak Bhava. The placement of planets in their enemy sign or sign of debilitation also decreases their auspiciousness.

For any horoscope, the gem of the Lagna lord is known as the 'life stone.' By wearing it, the wearer attains good results such as improved health, personality development, and an enhanced reputation. The gem of the 9th house lord is termed the 'lucky stone'; by wearing it, the development of destiny and an enhancement of status can be expected. Similarly, the gem of a Yoga Karaka planet is the 'Karak gem,' which has enough potential to provide financial gains, progress in tasks, and all-around development.

To gratify various desires, one might need to wear more than one gem. Detailed information about which gem would yield specific results in your horoscope is provided below. In addition, the method of wearing them is given along with the names of other gems that can be worn simultaneously. You can achieve maximum success in life with the right selection of gems.

A clear gem with a clean cut can absorb more radiation; therefore, only high-quality gems are capable of giving completely beneficial results. The weight of the gem should be in proportion to the weakness of the planet and the wearer's body weight. If the planet is very weak, the gem should be heavier. Except for diamonds, all gems should touch the skin. Gems worn on fingers in specific metals prove most beneficial.

If, for some reason, you need to remove the gem, it should be placed in a safe location after being washed with Gangajal on its designated day. If a gem is misplaced or stolen, it is an indication of the removal of the planet's malefic influence. Similarly, if the gem loses its luster, it indicates the same. If the gem cracks, it means the planet for which it is worn is very active; in this situation, that specific planet should be propitiated, and the gem should be replaced with a new one.

To attain the auspiciousness of inauspicious planets in the horoscope, remedial measures such as wearing Rudraksha, chanting mantras, donating Karaka articles, Jal Visarjan, and fasting are recommended. If for some reason you are unable to wear the required gem, wear Rudrakshas or semi-precious stones as substitutes, or increase the strength of the planet through mantra chanting, donation, or fasting. Desired benefits are obtained by wearing the gem of an auspicious planet and through Jal Visarjan or the donation of articles and grains associated with inauspicious planets.

Your Horoscope and Gems

Sade-Sati Consideration

A horoscope is said to be under 'Sade-Sati' effect when the Saturn transits through the 12th, 1st and 2nd house from Natal Moon. It is said to be under 'Dhaiya' effect when Saturn transits over the 4th or 8th house over the Natal Moon. The effect of Sade-Sati remains for seven & a half year and that of Dhaiya remains for two and a half year. This generally affects health, mental peace & finance.

Generally Sade-Sati comes thrice in a horoscope in the life time - first in childhood, second in youth & third in old-age. First Sade-Sati has effect on education & parents. Second Sade-Sati has effect on profession, finance & family. The last one affects health more than anything else. Following tables give the periods of Sade-Sati and their effects.

Urvarukamiva Bandhanan-Mrityormukshiya Ma-Amritat.**

Optionally chant 108 times the following mantra everyday in the morning:-

Manglik Vichar

In the boy's or the girl's horoscope, when Mars is in the ascendant, fourth house, seventh house, eighth house, or twelfth house, it is called Manglik dosh.

**Lagne vyaye cha patale jamitre chashtame kuje.
Stree bhartuvinasham cha bharta cha stree vinashanam. .**

Manglik dosh is considered stronger when Mars is placed in the ascendant than when Mars is conjoined with the Moon in the ascendant. If, according to the Shastras, the Manglik dosh of both the boy and the girl is cancelled, they are guaranteed a happily married life. On the other hand, if this Manglik dosh is not cancelled, they are likely to face unnecessary problems and hurdles in life. Therefore, one must begin his married life after getting the horoscopes thoroughly matched. After getting the Manglik dosh properly cancelled, the native shall be bestowed with a peaceful and wealthy life.

At the time of your birth, Mars was placed with the Moon in your horoscope, making you a Manglik; however, according to the Shastras, your Dosha is being cancelled. Consequently, you will experience more beneficial results than malefic ones. You will enjoy good mental and physical health, though you may occasionally exhibit an aggressive disposition. While Mars' influence may delay your marriage, the ceremony will eventually take place in a pleasant atmosphere. Your wife will enjoy good health, and you will lead a happily married life.

As the Moon is conjoined with Mars, you will be a healthy man and will rarely feel depressed. Since Mars aspects the fourth house from the Moon, you will lead a luxurious and comfortable life and own significant property. Because Mars aspects the seventh house, your wife will enjoy good health. Although she may be short-tempered, your marital life will remain unaffected. Mars' aspect on the eighth house indicates that you will enjoy good health and achieve success in most of your important ventures, keeping you peaceful and free of tension. Your marital life will be very happy.

To ensure a happier married life, you should marry a non-Manglik girl or one whose Manglik Dosha is cancelled. In this case, your life will be luxurious and comfortable, and you will be known as a respectable man in society. Your wife will prove to be lucky for you, and you will maintain a harmonious relationship with her.

If Mars is in the same house in the girl's horoscope as it is in yours, avoid marrying her, as this may cause unnecessary hurdles in your marital bliss. However, if Mars is in a different house, its influence will be auspicious, and you will lead a happy married life. Therefore, ensure your horoscopes are thoroughly matched before getting married.

Kaal Sarp Yoga

**Agre Rahurardha Ketuh Sarve Madhyagatah Grahah.
Yogoyam Kaalsarpakhyo Shighram Tam Tu Vinashaya.**

If all seven planets are situated between Rahu and Ketu, Kaal Sarp Yog is formed. Therefore, it is essential for such natives to arrange for remedies for Kaal Sarp Yog so that the auspicious planets in the horoscope can provide favorable results.

Depending on the position of Rahu in the 12 houses of the horoscope, there are 12 types of Kaal Sarp Yog. These are:

1. Anant, 2. Kulik, 3. Vasuki, 4. Shankhpal, 5. Padma, 6. Mahapadma, 7. Takshak, 8. Karkotak, 9. Shankhchud, 10. Ghaatak, 11. Vishdhar, 12. Sheshnag

Kaal Sarp Yog is of two types: Ascending and Descending. If all seven planets are positioned within Rahu's mouth, it is Ascending Kaal Sarp Yog. If all planets are situated behind Rahu, then Descending Kaal Sarp Yog is formed.

If all the houses situated between Rahu and Ketu contain planets, then Kaal Sarp Yog is fully effective. If the Sun or Moon is present with Rahu or Ketu, then this yoga becomes more intense. If Rahu, the Sun, and the Moon are all situated together, Grahan Kaal Sarp Yog is formed. This is 1,000 times more powerful. For such a native, it is essential to arrange for remedies and Shanti rituals for Kaal Sarp Yog.

If in a horoscope all seven planets are between Rahu and Ketu, but a few planets are partially outside the Rahu-Ketu axis, then Partial Kaal Sarp Yog is formed. Even if only one planet is outside the axis of Rahu and Ketu, Partial Kaal Sarp Yog is still formed.

The Effects of Kaal Sarp Yog

A native with Kaal Sarp Yog may suffer from mental unrest, hurdles in the acquisition of wealth, barriers to having children, and continuous disputes in married life. Usually, the native experiences bad dreams, and various fears and worries persist. The native may not receive full rewards for their talents, and success in work is typically delayed. Sudden loss of money or prestige is an indication of this yoga. Additionally, the native may suffer from unexplained diseases that are not easily cured by medicine.

The prescribed remedies for Kaal Sarp Yog can provide relief from these problems. According to the horoscope, whenever the Mahadasha or Antardasha of

Rahu or Ketu occurs, Kaal Sarp Yog becomes more effective. The transit of Rahu and Ketu over the natal Rahu, Ketu, or Moon also makes this yoga more influential. At such times, remedies or worship performed with devotion are highly beneficial. You can also light a mustard oil lamp for 43 days before a Kaal Sarp Yog Yantra to alleviate troubles and ensure all-around development.

Kaal Sarp Yog in Your Horoscope

In your horoscope, the Shankhchur Kaal Sarp Yog is present in a descending order. While descending Kaal Sarp Yog does not strictly fit the traditional definition, it still exerts some influence. Consequently, there may be hurdles in your life, and you may have to struggle to move forward. However, these obstacles will eventually be removed. You might face difficulties in your job or suffer from a demotion; termination cannot be ruled out. If you are in business, you may face continuous losses. Friends may try to deceive you repeatedly. You might lack the bliss of your parents' company and could suffer due to deceit by maternal uncles or a brother-in-law.

Due to Kaal Sarp Yog, you may face issues with the state and have differences with government officials. There is a possibility of imprisonment or punishment by law. This yoga can cause frequent illnesses leading to financial losses and instability. You may remain mentally disturbed from time to time. Your married and family life could be painful and unsettled, lacking peace and happiness. You may feel dissatisfied in your sexual life. Despite trying various trades, success may remain elusive, and you might maintain only a normal level of esteem.

If you are experiencing the disturbances mentioned above, perform the following remedies for relief:

1. Install a Kaal Sarp Dosha Removal Yantra in your home and worship it regularly.
2. Offer a coconut in flowing water, such as a river, on three auspicious occasions.
3. Offer coal into flowing water (such as a river) on three occasions during an auspicious time.
4. Donate masoor dal (red lentils) and money to a poor person on three occasions at an auspicious time.
5. Recite the Hanuman Chalisa every day.
6. Use red curtains, bedsheets, and pillows in the bedroom.
7. Worship the family deity.

8. Donate brown clothes, til (sesame seeds), blankets, and seven grains at night during auspicious occasions.

9. Arrange for the recitation of, or recite, the Ketu Mantra 17,000 times during Ketu's Mahadasha or Antardasha.

10. Boil pine, mustard seeds, and loban (benzoin) in water and take a bath with this water (only once).

11. Feed birds with barley for 1¼ months.

12. Remedies for Rahu and Ketu: Use a blue handkerchief, a blue watchstrap, a blue pen, and an iron ring.

Important: Please note that the worship for Kaal Sarp Yog is performed using wooden sandals only. Do not use sindoor, roli (red lead), etc.

Kaal Sarp Yog Pooja can be performed at the Kalahasti Shiva Temple near Tirupati Balaji or at any of the 12 Jyotirlingas, such as the Somnath Temple in Saurashtra, Gujarat; Trimbakeshwar in Nashik, Maharashtra; Ujjain; Bhimashankar; Nageshwar; Rameshwaram; etc.

Numerology Prediction

Born on the 17th, your Radical number is 8 (1+7), ruled by Saturn. Influences also come from the Sun (1) and Ketu or Neptune (7). Saturn's influence means your rise in life will be gradual and marked by obstacles, requiring significant hard work and patience. Avoid laziness and despair, as they will hinder your progress; instead, focus on the theory of karma (dedicated effort). The Sun and Neptune provide you with sharp intuition and judgment, while the Sun ensures lasting fame. You are popular in high society and possess a strong will, which makes you firm in your views. Be careful not to be overly obstinate or short-tempered, as this could cause harm. By virtue of these planetary influences, you will achieve high esteem and serve as an example to others.

The ruler of your Lucky number 4, according to Indian tradition, is Rahu, but according to Western astrology, it is Herschel (Uranus). Due to Herschel's effect, your rise in luck will happen suddenly. There will be many tasks in your life that may not bear fruit even after hard work within the desired period, and their progress may stall. However, one day you will achieve success in such endeavours. You will strive for change in your functional area; a mission to change old beliefs will drive you. You will distance yourself from old conventions and embrace modernity. You will be interested in fields involving science and learning, and tasks that others find difficult will be dear to you.

There will be an explosiveness in your affairs, and you will come into the limelight suddenly. However, this prominence may not be stable. Frequent changes may stall your advancement. Sudden successes and failures should teach you that luck fluctuates. It is, therefore, advisable that you distance yourself from explosive or risky situations. Carefully planned actions may enhance your destiny.

Your Radical number is 8 and your Lucky number is 4. The ruler of Radical number 8 is Saturn, and the lord of Lucky number 4 is Herschel (Uranus). These numbers share a friendly relationship. Consequently, you will receive the full benefits of your Radical and Lucky numbers. Your progress in your career or business will be slow initially. You will have to work very hard, and your advancement will be gradual. After climbing each step, you will halt for a while before climbing again. Most of your projects will be completed after facing hurdles and experiencing delays. Initially, you may not be financially well-off; however, your situation will improve steadily from your middle years until the end. Despite the above, your projects will never stall due to a lack of funds. You possess a strong sense of pride and strive to adhere to

Since your Radical and Lucky numbers are on friendly terms, their influence on your life will be favourable. Many important events will occur on dates, months, and years—including your age—that correspond to your Radical and Lucky numbers.

Whenever specific dates, months, years, and your lucky days of the week coincide, those days will be auspicious for starting new work, writing letters, or meeting senior officials. If you review significant past events, you will find many occurred during months, years, or on days associated with your Radical, Lucky, or friendly numbers.

Based on an analysis of your past, the numbers you find to be favourable are ideal for planning your future.

The months of January, April, and August are important for you. You should start significant tasks on days when the day, date, month, and year are all compatible with your Radical and Lucky numbers to maximize your luck.

If the sum of a calendar year reduces to 1, 4, or 8, that year will be lucky for you.

Personality Analysis

At the time of your birth, the Gemini Ascendant (Lagna) was rising with Taurus Navamsa and Aquarius Dreskana in the second pada of Punarvasu. This indicates that you are fortunate, as you can lead a comfortable and happy life. However, you have a drawback that you must address so that things work out in your favor.

Your drawback is a restless mind, which tempts you to switch from one job to another constantly. You are so impatient that you expect immediate results. Consequently, you may be tempted to leave many tasks half-finished, which means you will not reap the benefits of your hard work. Therefore, take your time when making a decision and then stick to it.

You possess a tremendous ability to grasp information, which enables you to adopt the ideas of others and present them as your own. This leads people to seek your guidance and advice. Generally, your judgment regarding people and matters proves to be correct.

Your pleasant nature makes you popular among friends and relatives, all of whom respect you. Your popularity also stems from your sharp, intelligent mind and your sincere, reliable, and charitable disposition.

As a devout individual, you do not possess overly high ambitions. You do not aspire for the impossible but feel happy and satisfied with whatever returns you receive.

If you work with determination, wealth will come your way. Particularly from the age of 25, you will become opulent. Once the major worry regarding financial lack is resolved, you will attend to the comforts of your family members. You will enjoy a peaceful home with children providing many comforts; however, you should be cautious about your sexual life. It is advisable to choose a life partner born under the signs of Libra, Aquarius, Leo, or Aries.

Since you are fond of travelling, you will expand your circle of friends, many of whom will extend their wholehearted cooperation to you.

Fairly good health is assured for you; however, you must remain guarded

against potential issues such as tuberculosis, bronchitis, and stomach upsets.

The professions that suit you best are law, teaching, book publishing, and journalism.

Your lucky days are Wednesday and Friday, while Saturday is average. The remaining four days are not very favorable as they may prove expensive.

The numbers you can rely upon are 3 and 7, which vibrate in your favor. Those unsuitable for you are 4 and 8.

You have a fascination for white, but it is better to avoid it. The colors that favor you are yellow, pink, purple, green, and blue. Black and red will not suit you.

Planet Reading

Sun

The Sun in Aries in the eleventh house makes you wealthy, respected, and famous. Your innermost desires will materialize, and your aspirations will come true. Respect, gain, and regard from the government and high-ranking officials are indicated, along with likely financial gains from your father.

You will be popular among your friends. You will find sincere and helpful companions, as signified by your ruling planet, who will have a great influence on your life. Your social circle will include highly qualified individuals and high-ranking officials. You will be in high demand socially, moving among an educated class of society.

At the time of this child's birth, the Sun was in the eleventh house. This indicates that his father will at times feel physically weak and sickly; however, his father will support him in every possible way.

He will respect and obey his father, and they will be on good terms. Although they may occasionally have differences, the tension will not last long. They will help and support each other.

Moon

The placement of the Moon in Pisces in the tenth house is a favorable trend. For you, the most profitable profession is agriculture. Since you are likely to own farmland, trading in grains and other agricultural produce will be advantageous, with potential support from the government. You will achieve success despite challenges regarding your father. You may not inherit paternal property, as you might not be the designated heir.

During the birth of this child, the Moon was in the tenth bhava, which indicates good health and longevity for his mother. Her life will be full of wealth and luxuries. She will help him in building his career.

He will respect and obey her and will try to make her happy and comfortable. They will seldom have any differences and will be lucky for each other.

Mars

The presence of Mars in Pisces in the tenth house introduces a unique twist to your life. Despite having limited faith in religion, you will experience many changes and eventually occupy a significant position. However, your life may not be entirely trouble-free, as your professional reputation could be tarnished by past actions. You may overcome these difficulties through connections with government authorities. In the event of litigation or legal issues, you can expect to emerge victorious.

During the birth of this child, Mars was in the tenth house, which indicates that his brothers and sisters will sometimes suffer from ill health. They will help him in every possible way.

He will love and respect them. Although they may occasionally have disputes, they will stand by each other in times of need.

Mercury

However, the placement of Mercury in Pisces in the tenth house will lead you from one extreme to another. You are likely to enjoy a comfortable and cozy life in the first half of your life, but the latter part may result in the loss of assets. While you may manage to retain your official position, you might lack peace of mind. Another source of concern will be your father's behavior in his old age; he may frequently lose his temper and act in a very irritating manner.

Initially, you will be God-fearing and religious, but after enduring a difficult period, you may begin to consider the idea of embracing a different religion.

Jupiter

With Jupiter in Gemini, you are bound to be attractive and possess a sound physique. This is why members of the opposite sex take a liking to you, which in turn may result in two marriages. By and large, your health will be fairly good, but there are hints of liver disorders and rheumatic pain in the hips and thighs. It is advisable to counter these risks with periodic medical check-ups.

Fond of novelty and mental recreation, you will be eager to travel extensively, during which you will befriend many people. This will turn out to be highly advantageous for you.

Venus

Venus in Aries in the eleventh house indicates financial gains for those trading in the metal business and ornaments. Your chart also suggests that a lady will assist you financially.

Although a Gemini Ascendant typically indicates good relations with your elder brothers, Venus in Aries in the eleventh house reverses this trend, leading to better relations with your elder sisters than your brothers.

Throughout your life, friends will be a source of pleasure and fun; among your friends, there will be more ladies than men, and without exception, they will be educated and intelligent.

You are a very sociable person who truly enjoys good company and good times. Your social circle will consist of businesspeople and ladies.

Saturn

With Saturn in Pisces in the tenth house in an inimical sign, you find yourself in a challenging situation. This unfavorable planetary position casts a shadow, potentially tempting you toward an immoral or undesirable lifestyle. You may struggle to stick to a single job or profession, resulting in an inconsistent income. To fund questionable pursuits, you might be tempted to deceive others. Engaging in such behavior could lead to legal and police action from which it will be impossible to emerge unscathed.

To lead a decent life, there is no alternative but to devise and implement an honorable strategy.

Rahu

You may face significant difficulties in life, and despite your best efforts, you might struggle to find happiness or respect. At times, your life itself may feel like a great farce.

Rahu in the ninth house indicates a superficial belief in religious rites. You may not worship regularly. You are well aware that nothing can be achieved through effort alone unless it is supported by fortune. You may also lack interest in higher

studies.

Due to Rahu's presence, your grandchildren may not show you much regard, but you will enjoy pleasure and comfort through them in your old age.

Although Gemini Lagna indicates pleasure and professional gains through travel, Rahu may prevent your journeys from being successful. Long trips will not prove beneficial, and you may face delays while traveling abroad.

Ketu

Ketu in the Leo sign in the 3rd house indicates that although you have a good memory, it may fail you at times. You work hard but might not accumulate much wealth, and you are not very tolerant by nature.

Even though Gemini Lagna indicates a keen interest in music, the placement of Ketu—combined with a tendency to worry—may cause your interest to fade, leaving music and songs as mere pastimes for you.

Kind Of Horoscope

Horoscope having blind planets

As per Lal Kitab, the planets that are blind during nights are also called NAHORATRA planets. These planets can see during daytime only but become blind during nights. These planets are called half blind. Thus, if Sun is situated in the 4th house and Saturn is situated in the 7th house then the horoscope is called Half Blind horoscope.

The horoscope of this kind can influence to a great extent in native's professional life, mental peace, and domestic happiness. Saturn in the 7th house becomes very strong. As per astrology Saturn in the 7th house gets directional strength. With his 10th aspect, Saturn in this house can influence the planets in the 4th house. Because of the inimical aspect of Saturn, the benefic results of Sun become malefic. The 7th aspect of Sun situated in 4th house will fall on the house profession and turns the results of house of profession adverse. Thus causes losses to all kinds of pleasures and happiness by destroying comforts and minimizing mental peace to a great extent. Saturn and his aspects are responsible for the bad influence on the horoscope. Hence it is not proper to perform remedial measures for Sun but the remedial measures are to be performed for Saturn to mitigate his malefic nature.

Conclusion

Your horoscope is free from planets, which are blind during nights.

Righteous Horoscope

As per Lal Kitab there are certain Righteous horoscopes. In these types of horoscopes the influence of malefic planets reduces to maximum extent. In any horoscope, if Saturn is situated in any good house along with Jupiter, then the horoscope becomes Righteous horoscope. The native who is having righteous horoscope, will be helped by God Himself while facing obstructions formed on the way during difficult situations.

As per Lal kitab, Saturn is the significator of our difficulties as well as luck. If Saturn is situated along with Jupiter or in Jupiter's rasi, then beneficence will come in the nature of Saturn. The relationship of Saturn and Jupiter removes many blemish qualities in the horoscope. The conjunction of Saturn and Jupiter in 6th, 9th, 11th or 12th houses mitigates many problems and controls the ups and downs in the life. Because of this influence all kinds of malefics and calamities will be put to an

end.

Conclusion

Your horoscope is not a Righteous horoscope.

Under Aged Horoscope

As per the principles of Lal Kitab, there will be under aged horoscopes unto the age of 12 years of native. The influence of the horoscope will not be on the native up to 12 years but there will be influence of results of fortune belonging to previous birth. If houses 1,4,7 & 10, i.e., centers are either vacant or only malefic planets like Saturn, Rahu & Ketu are situated or Mercury alone is situated, then the horoscope is called under aged horoscope.

The native's condition of luck and fate will be suspicious up to the age of 12 years.

As per Lal kitab, in the under aged horoscope, there will be influence of single particular planet during every particular year as mentioned below. The remedial measures are to be performed to the planets situated in the below mentioned houses to mitigate the adverse effects on life and making them favorable.

1. There will be influence of planet situated in 7th house during the 1st year of age.
2. There will be influence of planet situated in 4th house during the 2nd year of age.
3. There will be influence of planet situated in 9th house during the 3rd year of age.
4. There will be influence of planet situated in 10th house during the 4th year of age.
5. There will be influence of planet situated in 11th house during the 5th year of age.
6. There will be influence of planet situated in 3rd house during the 6th year of age.

Remedies of Lal Kitab

How and when the remedies described in the Lal Kitab should be performed?

1. Remedies should be performed during the day--in between sunrise to sunset. They might cause evil effects if performed at night. Only for the lunar eclipse, they might be performed at night.
2. No certain day such as Monday or Tuesday etc. Sankranti, Amavasya or Poornima is considered to start the remedies.
3. Any of your blood relations as brother, sister, parents, grandfather, grandmother, son or daughter etc. can perform the remedies. This will be fruitful.
4. A remedy a day is advised. Crossing one mark will not be fruitful and even the things done earlier may fall flat.
5. Pay special attention to the restraints advised, i.e. you should not consume meat, fish and liquor. Keep your conduct firm. Don't speak lies; don't take or feed leftover food and don't keep your intention mala fide. For a man, it is advised not to establish relations with another man's wife and likewise a woman should not establish relations with a person other than her husband.
6. A remedy should be performed up to the point of time it is fixed for.
7. If you have to stop performing the remedies for some unavoidable reason, wash some rice grains with milk and keep them with you tied in a piece of white cloth a day before you stop performing the same. Offer the grains to a place of worship or drop the same into flowing water or in a garden if you restart. If done so, the remedies will be supposed to be complete and will yield good results in all respects.
8. A remedy has to be performed for 43 days or 43 weeks or 43 months or 43 years. If it is discontinued even on 39th day, all the things done earlier will prove to be futile or you may not get good results.
9. Make it a point to perform the remedies, according to your Varshakundali to weaken the malignity of the inauspicious planets in your horoscope, within 40 to 43 days from your birthday.
10. Don't break ancestral customs and abide by the Sanskaras.
