# Ashtakoot Prediction

## Varna

The Varna of Mr. is Brahmin and that of Ms. is also Brahmin; therefore, this matching is excellent because their nature, personality, and hobbies will be the same. Both will be compatible with each other and will assist one another in fulfilling responsibilities toward their family, society, and professional life.

## Vashya

The Vashya of Mr. is Jalchara, and that of Ms. is also Jalchara; therefore, this match is excellent because the nature, personalities, and hobbies of both will be the same. Both would be compatible with each other and help each other in fulfilling responsibilities toward their family, society, and professional life. The deep love and mutual harmony between them shall create an atmosphere of joy, laughter, peace, and prosperity in the family.

## Tara

The Tara of Mr. is Janma and that of Ms. is also Janma; therefore, this matching is excellent because the Tara of both is the same. As a result, there shall be great affection, cooperation, mutual trust, and understanding between them. In addition, both will trust each other and will be able to fulfill the responsibilities of the family completely. Their children shall be intelligent, dutiful, and successful.

## Yoni

The Yoni of Mr. is Gaja and that of Ms. is Gaja. Since their Yonis are different and share a deep enmity, this is considered a very poor match. As a result, domestic discord may become a daily routine, and at times, conflicts could become severe or even dangerous. There will likely be a lack of love and harmony, replaced by mutual suspicion. Such intense tension could lead to litigation or a desire for separation; the couple may feel as though they are divorcing even while living under the same roof. A lack of mutual trust will create significant struggle and stress. To protect the marriage, both must make an extraordinary effort to cooperate and trust one another, as unchecked hostility could lead to physical or emotional injury. Differences of opinion should be rectified through intelligence and understanding; otherwise, unnecessary fighting will never provide a solution to their problems.

## Maitri

In Grah Maitri Koota of Ashtakoot Matching, the Rashi lords of Mr. and Ms. are the same. Therefore, this matching is excellent as per Grah Maitri considerations. As per the rules of astrology, 5 marks have been awarded to this excellent Grah Maitri matching since the Rashi lords of both individuals are identical.

As a result, there will be tremendous love and harmony between them. Both will support each other in all areas of life. They will leave no stone unturned in becoming an ideal couple. Their children shall be capable, obedient, successful, and famous.

## Gana

The Gana of Mr. is Dev, and that of Ms. is also Dev. Since their Ganas are the same, this matching is excellent.

As a result, both will be kind-hearted, sweet, calm, composed, and sensitive. Additionally, they will be good to each other and provide mutual care; therefore, after marriage, there will be an atmosphere of love, laughter, peace, harmony, and prosperity at home.

## Bhakoot

Mr. and Ms. share the same Rashi, so this matching is excellent. This alignment is superb for the all-round development of Mr., Ms., and their family. They shall receive divine blessings in various forms, such as good luck, property, reputation, and capable children.

## Nadi

The Nadi of Mr. is Antya and the Nadi of Ms. is also Antya, which means that the Nadi of both is the same. This is not considered flawless according to the principles of Ashtkoota matching; therefore, this matching is not favorable.

When the Nadi of both Mr. and Ms. is Antya, there is a probability of a sudden increase in cough within the body, which can be dangerous for the couple and may result in the loss of their children. You might face health issues such as breathlessness, bronchitis, asthma, or physical weakness. Your children could be weak, timid, and mentally unbalanced; therefore, this marriage should be avoided completely.

## Nature

The compatibility between you, Mr., and Ms., on a mental, physical, and emotional level is excellent. Your natures and temperaments are very well suited to each other. Your sign is Pisces, a watery sign, and her sign is also Pisces. Just as water does not require any tolerance to blend with water, you and Ms. will share a fine rapport and understanding.

The Rashi lord for both you and Ms. is Jupiter. Having the same Rashi lord will have an auspicious effect on your relationship. She has most of the qualities that you expect in a wife, and you have many qualities she wants in a man. This makes you a perfect couple. She is intelligent, sensitive, and vulnerable. In your strong, masculine shadow, she will feel secure and protected. She may experience moments of depression and loneliness, and at such times, she needs to be handled tenderly. As you are considerate and perceptive, you are sure to provide the necessary care.

Your sign, Mr., falls first from the sign of Ms., and her sign also falls first from yours. This one-sign pattern is free from Bhakoot Dosha. When her needs are fulfilled, she can be a perfect wife. She will be fully devoted to the man she finds worthy. Her only aim in life will be to look after your well-being and success. Due to her sympathetic nature and ultra-feminine ways, she will become indispensable to you.

The Vashya of both you and Ms. is Jalchar (water inhabitant). There is a natural friendliness between these two Vashyas. Physically, you and Ms. are perfectly compatible with each other. Your desires and passions are bound to match since you belong to the same Vashya. Your lovemaking will be fulfilling and passionate.

The Varna of both you and Ms. is Brahmin. This indicates that professionally, your interests will be alike. Both will be academically inclined. Most of your time will be spent studying subjects like occult science, religion, literature, etc. You will prefer to pursue professions such as teaching, journalism, etc.

## Finance

Both Mr. and Ms. belong to the same Tara, Janma. This will have a beneficial effect on your financial position.

Bhakoot has a neutral effect on the financial status of both Mr. and Ms..

Furthermore, Mars has no adverse effect on the same. The result is that you will lead a happy and comfortable life. Mr. will inherit significant property. In your lives, there will be no dearth of wealth or necessities; with hard work and perseverance, you can multiply the wealth and property inherited from parents. A sound and stable financial position is indicated.

### Health

Your Nadi, Mr., is Antya and that of Ms. is also Antya. Since you both belong to the same Nadi, you suffer from Nadi Dosha.

This Nadi Dosha indicates potential health problems for both of you. There are chances that you both may suffer from common colds and respiratory problems frequently. Ms. may also suffer from menstrual disorders at times.

However, as Mars does not have any ill effect on your health, the aforementioned health problems will not be too troublesome. You are advised to take care during seasonal changes and extreme cold weather. Regular exercise will also be beneficial for you both.

### Children

Mr. and Ms. are very well-matched regarding your offspring. The arrival of your children will be timely, and there will be no delay. The age gap between the children will be standard, which will prove helpful in their upbringing. You will have an equal number of sons and daughters.

Ms. is advised to shed any preconceived fears regarding her pregnancy, as she will have a normal delivery. There is no risk of her developing any serious complications. She will experience neither a miscarriage nor any gynecological problems. Since Ms. is full of strength, vitality, and energy, she will give birth to beautiful and healthy children.

Mr. and Ms. will be fully satisfied with your children's behavior and performance in their respective fields. The children will be cultured, well-mannered, and polite. They will never go against the wishes of their parents. Your family life will be peaceful and happy.

### **InLaws - Female**

Ms., you will share a fairly good relationship with your mother-in-law. Although your mother-in-law will be the non-interfering type, she will have certain rigid principles which you must follow. However, there will not be any serious differences between you.

You will win the approval of your father-in-law by virtue of your sweet disposition and instinct to serve. You will be warm and friendly with your brothers-in-law and sisters-in-law. You will be on very good terms with them.

The attitude of your in-laws will be fairly good towards you.

### **InLaws - Male**

Mr., you will get along fairly well with your mother-in-law. You will provide her with full respect and affection but still your relationship will be formal. You will never have differences or disputes and you will make frequent visits to your in-laws' place along with your wife.

But you will be on very good terms with your father-in-law. You will share a fine rapport and perfect understanding with him. You will get a lot of good advice from him. With your brothers-in-law and sisters-in-law also you will be on friendly terms.

# Personality Analysis

**Mr.**

At the time of your birth, the Gemini Ascendant (Lagna) was rising with Taurus Navamsa and Aquarius Dreskana in the second pada of Punarvasu. This indicates that you are fortunate, as you can lead a comfortable and happy life. However, you have a drawback that you must address so that things work out in your favor.

Your drawback is a restless mind, which tempts you to switch from one job to another constantly. You are so impatient that you expect immediate results. Consequently, you may be tempted to leave many tasks half-finished, which means you will not reap the benefits of your hard work. Therefore, take your time when making a decision and then stick to it.

You possess a tremendous ability to grasp information, which enables you to adopt the ideas of others and present them as your own. This leads people to seek your guidance and advice. Generally, your judgment regarding people and matters proves to be correct.

Your pleasant nature makes you popular among friends and relatives, all of whom respect you. Your popularity also stems from your sharp, intelligent mind and your sincere, reliable, and charitable disposition.

As a devout individual, you do not possess overly high ambitions. You do not aspire for the impossible but feel happy and satisfied with whatever returns you receive.

If you work with determination, wealth will come your way. Particularly from the age of 25, you will become opulent. Once the major worry regarding financial lack is resolved, you will attend to the comforts of your family members. You will enjoy a peaceful home with children providing many comforts; however, you should be cautious about your sexual life. It is advisable to choose a life partner born under the signs of Libra, Aquarius, Leo, or Aries.

Since you are fond of travelling, you will expand your circle of friends, many of whom will extend their wholehearted cooperation to you.

# Numerology Prediction

**Mr.**

Born on the 17th, your Radical number is 8 (1+7), ruled by Saturn. Influences also come from the Sun (1) and Ketu or Neptune (7). Saturn's influence means your rise in life will be gradual and marked by obstacles, requiring significant hard work and patience. Avoid laziness and despair, as they will hinder your progress; instead, focus on the theory of karma (dedicated effort). The Sun and Neptune provide you with sharp intuition and judgment, while the Sun ensures lasting fame. You are popular in high society and possess a strong will, which makes you firm in your views. Be careful not to be overly obstinate or short-tempered, as this could cause harm. By virtue of these planetary influences, you will achieve high esteem and serve as an example to others.

There will be many tasks in your life that may not bear fruit even after hard work within the desired period, and their progress may stall. However, one day you will achieve success in such endeavours. You will strive for change in your functional area; a mission to change old beliefs will drive you. You will distance yourself from old conventions and embrace modernity. You will be interested in fields involving science and learning, and tasks that others find difficult will be dear to you.
