The intense love and mutual harmony between them will create an atmosphere of love, laughter, peace, and prosperity in the family.

Tara

The Tara of Mr. is Janma and that of Ms. is also Janma; therefore, this matching is excellent because the Tara of both is the same. As a result, there shall be great affection, cooperation, mutual trust, and understanding between them. In addition, both will trust each other and will be able to fulfill the responsibilities of the family completely. Their children shall be intelligent, dutiful, and successful.

Yoni

The Yoni of Mr. is Ashwa and that of Ms. is Ashwa. Since their Yonis are different and share a deep enmity, this is considered a very poor match. As a result, domestic discord may become a daily routine, and at times, conflicts could become severe or even dangerous. There will likely be a lack of love and harmony, replaced by mutual suspicion. Such intense tension could lead to litigation or a desire for separation; the couple may feel as though they are divorcing even while living under the same roof. A lack of mutual trust will create significant struggle and stress. To protect the marriage, both must make an extraordinary effort to cooperate and trust one another, as unchecked hostility could lead to physical or emotional injury. Differences of opinion should be rectified through intelligence and understanding; otherwise, unnecessary fighting will never provide a solution to their problems.

Nadi

The Nadi of Mr. is Adya and the Nadi of Ms. is also Adya. This means both have the same Nadi, which is not considered flawless according to the principles of Ashtakoota matching; therefore, this match is not favorable.

Since the Nadi of both Mr. and Ms. is the same, both may suffer from wind-related diseases. According to astrological rules, the children of a couple with the same Nadi may suffer from blood-related disorders and hemoglobin deficiency. But your terms with your father-in-law shall not be very good. Owing to the generation gap between you, you are likely to have differences of opinion on various matters. However, the chance of adjustment is not ruled out. Even with your brother-in-law and sister-in-law, you will not see eye to eye.

The attitude of your in-laws towards you shall be fairly good.
