Significance of Matching

Horoscope matching is suggested to ensure a happy married life.

In matching, we first perform Ashtakoot matching. Your eight natures are determined by your Rashi and Nakshatra: Varna, Vashya, Tara, Yoni, Rashi Lord, Gana, Bhakoot, and Nadi. These indicate the compatibility between you and your partner. Varna matching provides insight into the compatibility of deeds, Vashya gives nature compatibility, Tara reflects fate, Yoni and Rashi Lord confirm the mutual relationship, Gana defines social understanding, Bhakoot shows day-to-day behavior, and Nadi confirms health and children. These eight factors are assigned marks from 1 to 8 respectively, totaling 36. A minimum of 18 marks (50%) is considered essential for the match to be acceptable. A score lower than this may create problems in married life.

Manglik Dosha matching is also very important alongside Ashtakoot matching. A horoscope is said to have Manglik Dosha if, in the Lagna chart, Mars is positioned in the 1st, 4th, 7th, 8th, or 12th house. For compatibility, it is necessary that both partners have either non-Manglik or Manglik horoscopes. Astrological texts define various rules for the propitiation of Manglik Dosha. If Manglik Dosha is properly addressed, the chances of accidents or misfortune are diminished.

With matching properly conducted, a smooth, happy, and peaceful life for the couple is ensured.

Kaal Sarp Yoga

**Agre Rahurardha Ketuh Sarve Madhyagatah Grahah.
Yogoyam Kaalsarpakhyo Shighram Tam Tu Vinashaya.**

If all seven planets are situated between Rahu and Ketu, Kaal Sarp Yog is formed. Therefore, it is essential for such natives to arrange for remedies for Kaal Sarp Yog so that the auspicious planets in the horoscope can provide favorable results.

Depending on the position of Rahu in the 12 houses of the horoscope, there are 12 types of Kaal Sarp Yog. These are:

1. Anant, 2. Kulik, 3. Vasuki, 4. Shankhpal, 5. Padma, 6. Mahapadma, 7. Takshak, 8. Karkotak, 9. Shankhchud, 10. Ghaatak, 11. Vishdhar, 12. Sheshnag

Kaal Sarp Yog is of two types: Ascending and Descending. If all seven planets are positioned within Rahu's mouth, it is Ascending Kaal Sarp Yog. If all planets are situated behind Rahu, then Descending Kaal Sarp Yog is formed.

If all the houses situated between Rahu and Ketu contain planets, then Kaal Sarp Yog is fully effective. If the Sun or Moon is present with Rahu or Ketu, then this yoga becomes more intense. If Rahu, the Sun, and the Moon are all situated together, Grahan Kaal Sarp Yog is formed. This is 1,000 times more powerful. For such a native, it is essential to arrange for remedies and Shanti rituals for Kaal Sarp Yog.

If in a horoscope all seven planets are between Rahu and Ketu, but a few planets are partially outside the Rahu-Ketu axis, then Partial Kaal Sarp Yog is formed. Even if only one planet is outside the axis of Rahu and Ketu, Partial Kaal Sarp Yog is still formed.

The Effects of Kaal Sarp Yog

A native with Kaal Sarp Yog may suffer from mental unrest, hurdles in the acquisition of wealth, barriers to having children, and continuous disputes in married life. Usually, the native experiences bad dreams, and various fears and worries persist. The native may not receive full rewards for their talents, and success in work is typically delayed. Sudden loss of money or prestige is an indication of this yoga. Additionally, the native may suffer from unexplained diseases that are not easily cured by medicine.

The prescribed remedies for Kaal Sarp Yog can provide relief from these

problems. According to the horoscope, whenever the Mahadasha or Antardasha of Rahu or Ketu occurs, Kaal Sarp Yog becomes more effective. The transit of Rahu and Ketu over the natal Rahu, Ketu, or Moon also makes this yoga more influential. At such times, remedies or worship performed with devotion are highly beneficial. You can also light a mustard oil lamp for 43 days before a Kaal Sarp Yog Yantra to alleviate troubles and ensure all-around development.

Kaal Sarp Yog in Your Horoscope

Mr.

In your horoscope, the Karkotak Kaal Sarp Yog is present. This yog is in descending order. The descending Kaal Sarp Yog does not strictly meet the full definition of Kaal Sarp Yog, but it still exerts some influence. Consequently, there are partial hurdles in life and the native must struggle to move ahead. There may be obstacles in your job and you may suffer due to demotion. Termination is not ruled out. If in business, there may be continuous losses. In spite of hard work, the native may not achieve good results in his business or job.

The friends of the native may try to deceive him repeatedly. Due to Kaal Sarp Yog, the native may frequently suffer from diseases or experience ongoing worry. The native may face defamation from his own family or community. His near relatives may not hold him in high esteem.

Due to Kaal Sarp Yog, the native may find it difficult to control their speech, which can sometimes be abrasive. The native often feels irritated and may suffer losses due to involvement in quarrels. Furthermore, money lent to others is unlikely to be recovered.

There is a possibility that the native may face life-threatening situations involving poisoning or being hit by a weapon. While enemies may hatch conspiracies and attempt to cause harm, they will likely be unsuccessful. A sudden passing would not be unexpected given these planetary positions.

If you are experiencing the disturbances mentioned above, perform the following remedies for relief:

1. Install a Kaal Sarp Dosha Removal Yantra in your home and worship it regularly.
2. Offer a coconut in flowing water, such as a river, on three auspicious

The Rashi lord for both of you is Mars, which indicates a friendly planetary position. Owing to your fiery sign, both you Mr. and Ms. are fiercely independent, bright, and courageous. The sexual sharing of love between you will be an ecstatic exchange.

Physique, Health & Nature

Mr.

Cancer Ascendant was rising at the time of your birth, indicating that you are an unassuming individual with a moderate personality who does not attract undue attention at gatherings. Generally, Cancerians are of average height with small hands and feet but a broad chest. A round face with full cheeks often denotes good health. However, as Cancer rules the chest and stomach, you must take good care of your digestive system and throat. Vigilance is also essential to prevent potential afflictions such as lung issues, asthma, indigestion, rheumatism, and nervousness. While these conditions are not certain to affect you, it is prudent to be on guard by avoiding alcohol and sticking to a balanced diet.

Your nature is characterized by strong mental and moral fiber, though you may be apprehensive of physical danger. While you are normally talkative, you can become discreet and withdraw into your shell at the slightest hint of criticism. To make your mark in society, you must overcome this tendency toward an inferiority complex. Abandon a timid approach and move forward with self-assurance, which will prove highly beneficial. Additionally, exercise restraint over your temper, as it may occasionally erupt without provocation. Fortunately, these outbursts are short-lived, as you tend to cool down quickly.

It would serve Cancerians well to develop their spiritual side alongside their material pursuits. This would help steady an overworked mind while elevating them to a higher plane, providing a better start in their subsequent life. Since Cancer rules the chest and stomach, try to avoid alcohol and take precautions against respiratory conditions like asthma.

Family Life, Marriage & Business Partner

Mr.

Capricorn was in the seventh house at the time of your birth, making you a homebody. For you, the greatest pleasure in life is an enjoyable home atmosphere. You will always be ready to make sacrifices to keep your family members comfortable and happy.

Loyal and sincere, you will shower abundant love on your spouse. By adopting a flexible approach, you will be prepared to make any necessary adjustments to ensure cordial marital relations. To find a suitable partner, you should look for someone born under the signs of Cancer, Scorpio, or Pisces.

Outwardly, you appear frank and outspoken, but you harbor secret thoughts that you do not share with anyone. Consequently, you may become moody at times. It is necessary to express your romantic emotions to your spouse openly so that they do not have reservations regarding your affection. You will be so devoted to your life partner that your intimate life may even become monotonous.

You can excel in either service or business, though the latter is preferable as a commercial career suits you best. You may find success in transport, shipping, travel, and import-export. Businesses connected to irrigation, civil contracts, hotels, and restaurants will also be beneficial. Beyond these options, one field is ideal for you: politics.

Profession, Father, Status & Power

Mr.

A commercial career is ideal for those born when Aries was rising in the tenth house. This broad category includes a wide range of professions that align with the Arian character. You can, therefore, choose an occupation related to import-export, airlines, shipping, transport, travel, restaurants, heavy machinery, factories, sporting goods, or irrigation. A career in the military or police force would also suit you.

Because you are highly diplomatic in your dealings, you could enter politics and likely emerge with great success. As a smooth operator, you know how to build friendships and get along with others. This quality will be useful in establishing a strong rapport with government authorities, which will yield significant benefits.

You have another advantage: you are very prudent with money. Knowing its value because you earned it through hard work, you avoid squandering even small amounts and will build up substantial reserves.

Your qualities stand in sharp contrast to those of your father. A lover of personal freedom, your father does not tolerate nonsense and may lose his temper quickly. Aggressive and extravagant in his habits, he may not accumulate significant assets. His main goal, however, is to ensure his children are provided with both the necessities of life and a sound education so they can be independent. He would not hesitate to spend any amount to achieve this.

The presence of the Moon in Aries in the tenth house promises you prestigious treatment. Regardless of your profession, you can be optimistic about rising to a position of rank and authority. After a pleasant youth, during which your father cared for you well, you will be in a position to enjoy life. However, there are indications that you may adopt certain vices, which could mark the beginning of a decline. Ultimately, you may face a difficult period in old age. Do not let early success go to your head; lead a disciplined life to ensure your reputation remains untarnished.
