## Disclaimer

Astrology is a science that deals with the effects of planets on living beings. To predict these effects, one must calculate the positions of the planets and their strengths. The calculations in this horoscope are highly accurate, and true apparent longitudes have been used for all planets. The Ayanamsa adopted is the Chitrapaksha Ayanamsa, unless another ayanamsa is requested.

Computer horoscopes are based mainly on the Parasara system. However, there is a fine blend of the Tajak system, Jaimini system, K. P. system, Horary (Prasna Marga) system, and Western system in the astrological calculations. Predictions are based on various ancient texts such as Brihat Parasara Hora Shastra, Mansagari, Saravali, Jataka Bharanam, Brihat Jatak, Phala Deepika, Jataka Parijat, and finally, on personal experience regarding the application of astrological rules. However, through astrology, we can only indicate the future; it is only Brahma (the creator of the universe) who can determine exactly what will transpire.

This horoscope is based on the date, time, and place of birth provided by the native, and we assume no responsibility for the accuracy of this data. All astrological calculations and predictions are based on this primary input provided by the native.

The predictions provided in this horoscope indicate tendencies and likelihoods rather than strict guidelines for action by the native. # ShodashVarga Charts

Divisional Charts are extensions of Lagna Chart. Every chart has some specific purpose as described along with the chart below. These charts are to be studied along with the basic lagna chart to know in detail about the subject it represents. However, care has to be exercised in looking into these charts, because there are no aspects of planets here. Planet's behaviour is normally limited to the extent of sign or house it occupies in these divisional charts.

## Detailed Analysis of Gems

### **Aushadhi-mani-mantranam, graha-nakshatra tarikaah. Bhagyakale bhavetsiddhiih abhagyām nishphalam bhavet. .**

Medicine, gems, and mantras are effective in overcoming diseases caused by planets and stars. If the time is favorable, the expected results are obtained; otherwise, all these remedial measures prove useless.

A gem enhances the physical charm of the wearer, increases power, and reduces the malefic influence of a planet with its mysterious powers. The flow of radiation emitted by planets in our body is enhanced by the power of gems. Therefore, planets that are auspicious in a horoscope but lack strength can be strengthened by wearing gems. Conversely, the gems of inauspicious planets multiply the malefic effects of such planets. This is why astrologers advise completely relinquishing the gems of inauspicious planets in a horoscope.

A planet is considered favorable when posited in the Lagna, Trikona, or Kendra, or if it has the lordship of these houses. It is inauspicious if connected to a Trik Bhava. The conjunction and aspect of friendly planets also enhance its auspiciousness. The lordship of a Badhak Bhava reduces its beneficence. In movable Lagnas, the 11th house; in stationary Lagnas, the 9th; and in dual Lagnas, the 7th house is termed a Badhak Bhava. The placement of planets in their enemy sign or sign of debilitation also decreases their auspiciousness.

For any horoscope, the gem of the Lagna lord is known as the 'life stone.' By wearing it, the wearer attains good results such as improved health, personality development, and an enhanced reputation. The gem of the 9th house lord is termed the 'lucky stone'; by wearing it, the development of destiny and an enhancement of status can be expected. Similarly, the gem of a Yoga Karaka planet is the 'Karak gem,' which has enough potential to provide financial gains, progress in tasks, and all-around development.

To gratify various desires, one might need to wear more than one gem. Detailed information about which gem would yield specific results in your horoscope is provided below. In addition, the method of wearing them is given along with the names of other gems that can be worn simultaneously. You can achieve maximum success in life with the right selection of gems.

A clear gem with a clean cut can absorb more radiation; therefore, only high-quality gems are capable of giving completely beneficial results. The weight of the gem should be in proportion to the weakness of the planet and the wearer's body weight. If the planet is very weak, the gem should be heavier. Except for diamonds, all gems should touch the skin. Gems worn on fingers in specific metals prove most beneficial.

If, for some reason, you need to remove the gem, it should be placed in a safe location after being washed with Gangajal on its designated day. If a gem is misplaced or stolen, it is an indication of the removal of the planet's malefic influence. Similarly, if the gem loses its luster, it indicates the same. If the gem cracks, it means the planet for which it is worn is very active; in this situation, that specific planet should be propitiated, and the gem should be replaced with a new one.

To attain the auspiciousness of inauspicious planets in the horoscope, remedial measures such as wearing Rudraksha, chanting mantras, donating Karaka articles, Jal Visarjan, and fasting are recommended. If for some reason you are unable to wear the required gem, wear Rudrakshas or semi-precious stones as substitutes, or increase the strength of the planet through mantra chanting, donation, or fasting. Desired benefits are obtained by wearing the gem of an auspicious planet and through Jal Visarjan or the donation of articles and grains associated with inauspicious planets.

## Favourable Stone

Your favorable Gemstone - Topaz

Your ascendant is Sagittarius, and the lord of this sign is Jupiter. Topaz is worn to strengthen the planet Jupiter, which is considered the most benefic planet in astrology. The natal ascendant of a man is very important, as his name, fame, power, position, and prosperity depend on it. If the ascendant of a native is strong, he prospers well and achieves all-round development in life.

So, it is very beneficial for men born with a Sagittarius ascendant to strengthen their natal Jupiter. Jupiter can be strengthened by worshipping it in the prescribed manner and by reciting the proper mantra. The gemstone Topaz is recommended for Jupiter.

When a man born under the Sagittarius ascendant or Rashi wears a Topaz gemstone studded in a gold ring, he attains happiness, prosperity, and success in life. As Jupiter signifies wisdom and happiness, wearing Topaz helps him gain fame and recognition in society and earn honor due to his wisdom and intelligence. Jupiter also rules the liver; hence, wearing Topaz is highly beneficial for those suffering from ailments related to the liver or kidneys. The source of income may also increase for men facing monetary problems after wearing this stone.

The native receives the full blessings of his elders, teachers, and gurus after wearing this stone. Since Jupiter signifies wisdom, wealth, and happiness, it proves highly beneficial for those with liver problems and helps increase their source of income.

Wear the Topaz-studded ring on the index finger of the right hand, as this finger signifies Jupiter in palmistry. This ring should be worn on a Thursday, as Jupiter is the lord of this day. It should be worn during the first Hora of Thursday—within one hour of sunrise. Wearing this stone when the constellations of Jupiter (Punarvasu, Vishakha, or Purva Bhadrapada) fall on a Thursday will be exceptionally beneficial.

Clean the Topaz with Ganga water and a mixture of milk, curd, honey, clarified butter, and sugar. Afterward, place a yellow cloth on a wooden platform and set the Topaz upon it. Light incense sticks, a ghee lamp, and dhoop in front of it, then recite the Guru Mantra 108 times to energize the stone. Finally, touch it to your

forehead and wear it on the index finger of your right hand.

Mantra of Jupiter - Om Brim Brihaspataye Namah.

Donate chana dal, jaggery (gur), and 1¼ meters of yellow cloth to achieve better results. Recite the Guru Mantra 108 times daily after bathing. Offer water to a banana tree and recite the Vishnu Sahasranama on Thursdays. Worship Lord Vishnu every Thursday and offer Prasad of chana and jaggery to the Lord.

Men born under the Sagittarius ascendant who wear Topaz obtain good health, name, fame, power, position, and happiness, leading a life of success and reputation.

# Rudraksha

Rudraksha is a Sanskrit word. If we split this word into two, we get Rudra and Aksha. Rudra means Lord Shiva and Aksha means the tears (Aanshu) of Lord Shiva. According to Hindu mythology, the tears of Shiva fell on earth in the form of the Rudraksha tree. The Rudraksha tree belongs to the Elaeocarpaceae family and is as massive as the Banyan tree, with seeds covered by pulp and outer skin. After drying, the skin turns black and grooves appear on the surface running from the apex to the bottom, thereby demarcating clear areas called 'Mukhas' or faces. Rudrakshas are classified on the basis of the number of faces, which can range from one to twenty-one.

Sometimes Rudrakshas are found in pairs (twins) which are considered to be symbols of Lord Shiva and Goddess Parvati. They are known as Gauri Shankar Rudrakshas. Similarly, if three Rudrakshas are joined together, they are considered symbols of Shiva, Shakti, and Ganesha, or Brahma, Vishnu, and Mahesh. However, these types of Rudrakshas are very rarely available. Scriptures like the Rudraksha Jabalopanishad, Shiva Purana, Devi Purana, and Padma Purana extol the value of Rudraksha seeds.

In general, all deities are fond of Rudrakshas, but it is believed that they are the most favorite of Lord Shiva. Modern scientific research has yielded positive results regarding Rudraksha. It has been found that they possess electromagnetic properties which influence human physiology. Each type of Rudraksha has its own unique influence and properties. Rudraksha is worn to achieve beneficial results and is helpful in managing conditions like epilepsy, hypertension, high blood pressure, stress, whooping cough, and wounds. Wearing Rudraksha not only pleases Lord Shiva but also brings the blessings of Lord Vishnu, Durga, Ganesha, and the Navgrahas (nine planets); it reduces the aging process and brings peace and harmony to life.

In Hindi, Bengali, Sanskrit, Bhojpuri, Gujarati, and Punjabi, it is known by the name Rudraksha. In Tamil, Kannada, and Telugu, it is known as 'Rudraksha Koti', in English as the Utrasum Bead, and in Latin as Elaeocarpus ganitrus Roxb. Rudrakshas can be found in India, Nepal, Tibet, Indonesia, Sumatra, China, Java, Malaysia, Madagascar, the Pacific Islands, etc. They are produced in Nepal in abundance. The one-faced Rudraksha is considered the property of the Royal family of Nepal and should be deposited in the national treasury. Anyone who dares to sell it shall be

punished.

According to Hindu mythology, the Rudraksha of Nepal is the best in the world. The Goddess of wealth always resides in the house where Rudraksha is worshipped. Rudraksha frees you from all sins committed knowingly or unknowingly. It fulfills your aspirations and prevents sudden death. It frees you from worries, satiates the wrath of the Gods, eliminates diseases, and brings auspiciousness. It grants mental peace and brings harmony to the home. It is auspicious for business, wealth, and prosperity, while also controlling one's temper and blood pressure. Wear Rudraksha for reputation, glory, and fame.

It enhances your willpower and memory. It is highly beneficial for high blood pressure, stomach disorders, and protection from negative spirits. ### **Your Horoscope and Rudraksha**

As your Lagna is Sagittarius, you are idealistic and enthusiastic. You are not very diplomatic and tend to overthink when someone deceives you; it is advisable to change this habit. You possess excellent financial management skills, and your prudence helps you avoid significant financial losses. You are God-fearing and prefer to avoid illegal activities. You value happiness and maintain a sense of profound seriousness in your conversation. You have the potential to become a wealthy and respected person in society. You can be an excellent advisor, though you generally only offer advice when asked. You are a highly capable financial consultant.

For your Sagittarius ascendant, Venus is the lord of the 6th and 11th houses. A poorly placed Venus can cause friction with your children. Differences of opinion with your spouse may lead to unhappiness or unfavorable behaviors.

The Moon is the lord of the 8th house, which can cause health issues during childhood, particularly those related to water. This placement can also lead to a loss of wealth and reputation. Mars is the lord of the 12th and 5th houses. A weak Mars can cause uncontrolled expenses and limited gains from education, children, or siblings. It may also hinder your influence and lead to issues with enemies or your

spouse.

The 6th, 8th, and 12th houses are known as Trik Bhavas. The lords of these houses, and the planets placed within them, create obstacles in life. The 6th house denotes diseases, debts, and troubles caused by enemies. Consequently, the house occupied by the 6th lord loses its auspiciousness. You may fall victim to ailments, debt, and enmity, which can severely impact your physical, mental, social, financial, and domestic well-being. Among the Trik Bhavas, the 8th house is the most notorious and inauspicious, as it destroys the positive results of the house it occupies. The maleficence of planets in the 8th house increases, leading to more unfavorable outcomes. The 12th house, the third Trik Bhava, is known as the house of loss and expenses. It represents taxes, sleep, bed pleasures, confinement, foreign journeys, and salvation. The lord and any planets placed in the 12th house can increase the inauspiciousness of this house.

Ketu's placement in the 6th house shall make you successful in winning over your enemies. You might suffer from health-related troubles, and you may also be vulnerable to the effects of black magic or the evil eye.

The placement of Rahu in the 12th house is not considered auspicious for your progress. It can make you diplomatic, dishonest, or notorious, and may cause eye-related diseases. You may worry about your spouse and lose money due to bad company.

To achieve the auspicious results of all these planets, you should wear a Rudraksha Kavach consisting of 2, 3, 6, 8, 9-faced Rudrakshas. This Kavach should be worn on a white thread on Monday after sanctifying it by sprinkling Gangajal and chanting the "Om Namah Shivay" mantra at least 108 times. Afterward, offer raw milk to Lord Shiva and make donations according to your capacity. This will help you overcome difficult life situations and provide substantial relief from serious problems. To further strengthen all the planets in your horoscope, you may also wear a Shivkripa Rudraksha Mala comprising 1 to 14-faced Rudrakshas, which yields miraculous results.

The above Kavacham can be worn throughout life, regardless of Dasha and Gochar considerations. This Kavach is essential for overcoming the malefic effects of the Lagna and the planets placed within the Lagna.

## Remedies of Sade-Sati

Ill effect of Saturn's sade-sati can be reduced by giving alms, performing pooja, fasting or reciting mantra.

Give alms of black cloth, Urad pulse (horse-bean), black mole, leather shoes, cereals or iron as per your capacity. Perform pooja of Lord Saturn on Saturdays. Keep fast on Saturdays. Restrict your food to Urad pulse, grams, gram flour, black mole, black salt and fruits. Recite or get it recited by a brahmin the following Mantra for 19000 times on a Saturday:-

### **Om Pram Preem Praum Sah Shanaishcharaya Namah.**

To get benefic effects of sade-sati on health, mental peace, family happiness, finance and profession you are suggested for Maha-mrityunjaya Japa. Get the following mantra chanted for 125000 times.

### **Om Tryambakam Yajamahe Sugandhim Pushtivardhanam Urvarukamiva Bandhanan-Mrityormukshiya Ma-Amritat.**

Optionally chant 108 times the following mantra everyday in the morning:-

### **Om Houm Joom Sah Om Bhur Bhuvah Svah Om.**

You are also suggested to wear an iron ring made of a horse-shoe or nail from a boat. Wear the iron ring on the middle finger of the right hand.

Wear this stone in waxing moon on Saturday in the evening half an hour before sun set. Pushya, Anuradha or Uttara Bhadrapad nakshatra on that day is preferred. Keep fast on Saturday.

Before wearing the ring, clean it in fresh milk and Ganga water, light an incense stick, perform pooja and recite the following mantra 108 times:-

### **Om Sham Shanaishcharaya Nama**

After wearing the ring give alms. This will reduce the ill effects of Saturn giving peace and prosperity.

## Manglik Vichar

In the boy's or the girl's horoscope, when Mars is in the ascendant, fourth house, seventh house, eighth house, or twelfth house, it is called Manglik dosh.

**Lagne vyaye cha patale jamitre chashtame kuje.  
Stree bhartuvinasham cha bharta cha stree vinashanam. .**

Manglik dosh is considered stronger when Mars is placed in the ascendant than when Mars is conjoined with the Moon in the ascendant. If, according to the Shastras, the Manglik dosh of both the boy and the girl is cancelled, they are guaranteed a happily married life. On the other hand, if this Manglik dosh is not cancelled, they are likely to face unnecessary problems and hurdles in life. Therefore, one must begin her married life after getting the horoscopes thoroughly matched. After getting the Manglik dosh properly cancelled, the native shall be bestowed with a peaceful and wealthy life.

\*\*\*\*\*

At the time of your birth, Mars was placed in the seventh house in your horoscope, making you a Manglik. Since your Manglik Dosh is not cancelled in your horoscope, its effects mean your husband's health will be good. Due to his aggressive nature, the two of you may have disputes, but none of these tiffs will be serious. You may suffer from diseases caused by excessive heat or bile. Due to Mars' effect, your marriage may be slightly delayed, and there may be setbacks even during the settlement. However, after marriage, your life will be peaceful.

Due to Mars' position in the seventh house, your health may not be very good, and you may remain mentally tense. With the effect of Mars' aspect over the tenth house, you will have to struggle significantly to achieve success in life. You will be respected in society to some extent. Mars' aspect over the ascendant shows that you will be slightly aggressive and short-tempered. With the effect of Mars' aspect over the second house, there may be disputes within the family, which may slightly affect the atmosphere at home.

To make your life happier, you must marry a Manglik man with whom your Dosh is mutually cancelled. For this, in the man's horoscope, malefic planets like Saturn and Rahu should be placed in the Manglik houses, namely the first, fourth, seventh, eighth, and twelfth houses. If you start your married life after the Manglik Dosh is cancelled, you will lead a happy married life. There will be no dearth of

wealth or luxuries in your life.

# Kaal Sarp Yoga

**Agre Rahurardha Ketuh Sarve Madhyagatah Grahah.  
Yogoyam Kaalsarpakhyo Shighram Tam Tu Vinashaya.**

If all seven planets are situated between Rahu and Ketu, Kaal Sarp Yog is formed. Depending on the position of Rahu in the 12 houses of the horoscope, there are 12 types of Kaal Sarp Yog. These are:

1. Anant, 2. Kulik, 3. Vasuki, 4. Shankhpal, 5. Padma, 6. Mahapadma, 7. Takshak, 8. Karkotak, 9. Shankhchud, 10. Ghaatak, 11. Vishdhar, 12. Sheshnag

Kaal Sarp Yog is of two types: Ascending and Descending. If all seven planets are positioned within Rahu's mouth, it is Ascending Kaal Sarp Yog. If all planets are situated behind Rahu, then Descending Kaal Sarp Yog is formed.

A native with Kaal Sarp Yog may suffer from certain shortcomings in life and might not receive full rewards for their talents. Success in work is typically delayed. The native may also suffer from unexplained diseases that are difficult to cure with medicine. Propitiation of Kaal Sarp Dosh becomes necessary to lead a normal life.

## Kaal Sarp Yog in Your Horoscope

Your horoscope does not contain Kaal Sarp Yog. Therefore, you do not require a Shanti Pooja for Kaal Sarp Yog. You will lead a happy life.

# Pitridosha Vichar

## What is Pitridosha?

Our deceased ancestors are termed as Pitar or Pitri. Pitri is a class between us and God. If they are happy the man is able to live a decent and successful life but if they are dissatisfied because of some reason then the native becomes victim of various types of diseases and troubles.

Later these Pitri either get Mukti (Liberation from the bondage of birth and death) or else take birth on this earth again. If all the Pitri in a family have taken rebirth or attained Mukti then for some time there are no Pitri for that specific family. In this situation the native gets fortunes and misfortunes on the basis of his own horoscope. Therefore, all family members should serve the Pitri by Tarpan etc. till the time they are there in Pitriloka. If Pitri are contented then they grant all round prosperity to the native.

The reason of unhappiness of Pitris resulting into Pitridosha can be untimely death of an ancestor or the unfulfilment of the last wish of the ancestor else the infliction of curse of someone on the soul of the ancestor. These ancestors need food in spite of being in Pitri Yoni. If family people do not offer food by Karmas like Tarpan etc then they become distressed and troubled. Pitri experience various types of troubles till the time they are not propitiated by Karmas like Puja Paath, Pindadaan and Tarpan etc.

Pitri Dosha generally happens not because of own Karmas rather because of the Karmas of parents and ancestors. This Dosha exists in the horoscope since birth but karmas get created after birth therefore the reason of Pitridosh remains inexplicable and only its symptoms are visible. We do not get auspicious results for our deeds in spite of having favorable Dasha and transit. At home there remains tension, disease, lack of peace and scarcity of funds. There are no issues or else one gets mentally retarded children who face obstacles in their progress or marriage.

Therefore when we face such above mentioned troubles continuously without having any visible reason in the horoscope then in that situation we must do propitiation of Pitridosha till the situation does not turn favorable.

- \* If you are facing obstacles in the accomplishment of your task then remember your Pitris and request them for the success of your tasks. I will do Shantipaath for you. If your this type of request results into the accomplishment of your task then it shall imply that you need to do Pitri Shanti.

### **Pitri Dosha In Your Horoscope**

Your horoscope is free from Pitridosha Yogas; therefore, you shall never suffer from any troubles associated with Pitridosha.

#### **Note:**

Tripindi Shraadh and Narayan Naagbali are the main remedies for Pitridosha. These are done primarily in Tryambakeshwar. In Tripindi Shraadh the symbolic small statues of ancestors are made and Mantras are chanted on these. Finally they are flown in running water like Asthi Visarjanam.

Narayan Naagbali is done with the objective of fulfillment of desires of ancestors for their Moksha. In this Shamshankriya is done for two days and Manglik Puja on third day. If there are obstacles in getting married or begetting children because of Pitridosha then they get eradicated after observing these remedial measures.

## Numerology Prediction

As your date of birth is 1, your Radical number is 1. You will be a person of stable beliefs. Due to the influence of Radical number 1, you will possess steady convictions. Whenever you give your word to anyone, you will strive to fulfill it. Your willpower will be unshakable. There will be stability in your mental and friendly relationships. Whatever ideas you form regarding your intimate relations, you will always try to maintain them for a long time. Your love and long-term relations will be everlasting. If, for any reason, you develop acrimony or a dispute with someone, it will likely be long-lasting as well. By virtue of your independent nature, you may find it inconvenient to work according to the wishes of others. Rather than working under someone else's authority, you will thrive in a self-determined environment. It will be your consistent endeavor that whatever you perform should be unbiased and unconstrained. The interference of anyone will be taboo to you. As the Sun is the lord of Radical number 1, solar traits will be present in you to some extent. Due to the Sun's influence, you will have a tendency to help and cure others. You would like to shine like the Sun in social circles. An urge to lead social associations will always be with you. You will earn these positions through your hard work and dedication.

Your rise in life will be within the sphere of arts and crafts, as the lord of your Lucky number 6 is Venus. Venus imparts skills in the arts, so you will have an interest in various forms of fine art. Your livelihood will be tied to the world of art. Beautiful objects will bring you monetary benefits. You will devote your money and effort toward the opposite sex, as you have a natural attraction to them. This, along with your inclination toward beauty, may be your weakness.

You may find yourself spending money constantly to maintain the decor of your workplace and residence. You will be fond of fine clothes and ornaments. Your financial position will be good, and you will maintain a sense of pomp and dazzle. People will perceive you as rich, even though you may occasionally face financial distress. Choosing a vocation in any segment of the arts will certainly help you move forward.

Your Radical Number is 1 and your Lucky Number is 6. Since the Sun, the lord of Radical Number 1, and Venus, the lord of Lucky Number 6, are mutual enemies, you will experience mixed results from these planets. Under the influence of the Sun and Venus, your social status will be favorable. Venus bestows an appreciation for the arts, while the Sun confers talent and brilliance. Due to the combined effects of these two, you may develop skills in an artistic field, bringing

you both fame and wealth. You may achieve acclaim in any of the 64 classical arts. However, if you choose the arts as your profession, you will gain significant recognition but may face a shortage of funds. You might also experience some issues related to your eyes.

The rise of your fortune will begin between the ages of 19 and 24. There will be a significant upswing between the ages of 28 and 33, and by age 42, your career will reach its peak.

Your Radical Number 1 is friendly with 4 and 8. The Lucky Number 6 is a friend of 3 and 9. Therefore, the numbers 1, 3, 4, 6, 8, and 9 will be important and lucky for you. These numbers will coincide with several significant occurrences in your life.

As your Radical and Lucky numbers are inimical to each other, there may be some reduction in their beneficial effects. Many important events in your life will take place on dates, in months, or during years (both calendar and age) that correspond to your Radical and Lucky numbers.

Whenever the dates, months, years, and your lucky days of the week coincide, such days will be auspicious for starting new work, writing important letters, or meeting senior officials. If you review the significant events of your past, you will find that many occurred during months, years, or on days associated with your Radical and Lucky numbers or their friendly numbers.

After analyzing the past events of your life, the numbers you find to be favorable are also suitable for your future planning.

The months of January, March, April, June, August, and September are important for you. You should initiate significant tasks on a day when the day, date, month, and year are all compatible with your Radical and Lucky numbers, ensuring maximum auspiciousness.

Similarly, the years of your life that total 1, 3, 4, 6, 8, or 9 are lucky for you.

1: 10, 19, 28, 37, 46, 55, 64, 73

3: 12, 21, 30, 39, 48, 57, 66, 75

How and when the remedies described in the Lal Kitab should be performed?

1. Remedies should be performed during the day--in between sunrise to sunset. They might cause evil effects if performed at night. Only for the lunar eclipse, they might be performed at night.
2. No certain day such as Monday or Tuesday etc. Sankranti, Amavasya or Poornima is considered to start the remedies.
3. Any of your blood relations as brother, sister, parents, grandfather, grandmother, son or daughter etc. can perform the remedies. This will be fruitful.
4. A remedy a day is advised. Crossing one mark will not be fruitful and even the things done earlier may fall flat.
5. Pay special attention to the restraints advised, i.e. you should not consume meat, fish and liquor. Keep your conduct firm. Don't speak lies; don't take or feed leftover food and don't keep your intention mala fide. For a man, it is advised not to establish relations with another man's wife and likewise a woman should not establish relations with a person other than her husband.
6. A remedy should be performed up to the point of time it is fixed for.
7. If you have to stop performing the remedies for some unavoidable reason, wash some rice grains with milk and keep them with you tied in a piece of white cloth a day before you stop performing the same. Offer the grains to a place of worship or drop the same into flowing water or in a garden if you restart. If done so, the remedies will be supposed to be complete and will yield good results in all respects.
8. A remedy has to be performed for 43 days or 43 weeks or 43 months or 43 years. If it is discontinued even on 39th day, all the things done earlier will prove to be futile or you may not get good results.

In the first half of the year, Jupiter will be in Gemini in the Seventh House; on June 02, it transits to Cancer in the Eighth House. On October 31, Jupiter will rapidly enter Leo in the Ninth House. This year, Mars will move at its normal pace. At the beginning of the year, Venus remains combust until February 01, and again for fourteen days in October.

### Profession

The first half of the year will be moderately auspicious from a professional perspective. You will see improvements in your business performance due to the influence of Jupiter in the Seventh House. After June 02, the period takes a turn toward adversity. During this interval, fluctuations may prevail in your business. Therefore, do not initiate any new entrepreneurship. Continue running your existing business in a proper manner. Jupiter in the Eighth House points toward obstacles in business that could be created by hidden enemies. Those engaged in trades related to land or buildings may face losses.

### Wealth, Property

The first half of the year will yield a rich harvest from an economic perspective. Due to the aspectual effect of Jupiter on the Eleventh House, there will be a continuous flow of income. You will be dedicated to accumulating wealth. The cooperation of your brothers and spouse will be at your disposal to consolidate your financial status.
