Disclaimer

Astrology is a science that deals with the effects of planets on living beings. To predict these effects, one must calculate the positions of the planets and their strengths. The calculations in this horoscope are highly accurate, and true apparent longitudes have been used for all planets. The Ayanamsa adopted is the Chitrapaksha Ayanamsa, unless another ayanamsa is requested.

Computer horoscopes are based mainly on the Parasara system. However, there is a fine blend of the Tajak system, Jaimini system, K. P. system, Horary (Prasna Marga) system, and Western system in the astrological calculations. Predictions are based on various ancient texts such as Brihat Parasara Hora Shastra, Mansagari, Saravali, Jataka Bharanam, Brihat Jatak, Phala Deepika, Jataka Parijat, and finally, on personal experience regarding the application of astrological rules. However, through astrology, we can only indicate the future; it is only Brahma (the creator of the universe) who can determine exactly what will transpire.

This horoscope is based on the date, time, and place of birth provided by the native, and we assume no responsibility for the accuracy of this data. All astrological calculations and predictions are based on this primary input provided by the native.

The predictions provided in this horoscope indicate tendencies and likelihoods rather than strict guidelines for action by the native. ShodashVarga Charts

Divisional Charts are extensions of Lagna Chart. Every chart has some specific purpose as described along with the chart below. These charts are to be studied along with the basic lagna chart to know in detail about the subject it represents. However, care has to be exercised in looking into these charts, because there are no aspects of planets here. Planet's behaviour is normally limited to the extent of sign or house it occupies in these divisional charts.

Detailed Analysis of Gems

**Aushadhi-mani-mantranam, graha-nakshatra tarikaah.
Bhagyakale bhavetsiddhih abhagyām nishphalam bhavet. .**

Medicine, gems, and mantras are effective in overcoming diseases caused by planets and stars. If the time is favorable, the expected results are obtained; otherwise, all these remedial measures prove useless.

A gem enhances the physical charm of the wearer, increases power, and reduces the malefic influence of a planet with its mysterious powers. The flow of radiation emitted by planets in our body is enhanced by the power of gems. Therefore, planets that are auspicious in a horoscope but lack strength can be strengthened by wearing gems. Conversely, the gems of inauspicious planets multiply the malefic effects of such planets. This is why astrologers advise completely relinquishing the gems of inauspicious planets in a horoscope.

A planet is considered favorable when posited in the Lagna, Trikona, or Kendra, or if it has the lordship of these houses. It is inauspicious if connected to a Trik Bhava. The conjunction and aspect of friendly planets also enhance its auspiciousness. The lordship of a Badhak Bhava reduces its beneficence. In movable Lagnas, the 11th house; in stationary Lagnas, the 9th; and in dual Lagnas, the 7th house is termed a Badhak Bhava. The placement of planets in their enemy sign or sign of debilitation also decreases their auspiciousness.

For any horoscope, the gem of the Lagna lord is known as the 'life stone.' By wearing it, the wearer attains good results such as improved health, personality development, and an enhanced reputation. The gem of the 9th house lord is termed the 'lucky stone'; by wearing it, the development of destiny and an enhancement of status can be expected. Similarly, the gem of a Yoga Karaka planet is the 'Karak gem,' which has enough potential to provide financial gains, progress in tasks, and all-around development.

To gratify various desires, one might need to wear more than one gem. Detailed information about which gem would yield specific results in your horoscope is provided below. In addition, the method of wearing them is given along with the names of other gems that can be worn simultaneously. You can achieve maximum success in life with the right selection of gems.

A clear gem with a clean cut can absorb more radiation; therefore, only high-quality gems are capable of giving completely beneficial results. The weight of the gem should be in proportion to the weakness of the planet and the wearer's body weight. If the planet is very weak, the gem should be heavier. Except for diamonds, all gems should touch the skin. Gems worn on fingers in specific metals prove most beneficial.

If, for some reason, you need to remove the gem, it should be placed in a safe location after being washed with Gangajal on its designated day. If a gem is misplaced or stolen, it is an indication of the removal of the planet's malefic influence. Similarly, if the gem loses its luster, it indicates the same. If the gem cracks, it means the planet for which it is worn is very active; in this situation, that specific planet should be propitiated, and the gem should be replaced with a new one.

To attain the auspiciousness of inauspicious planets in the horoscope, remedial measures such as wearing Rudraksha, chanting mantras, donating Karaka articles, Jal Visarjan, and fasting are recommended. If for some reason you are unable to wear the required gem, wear Rudrakshas or semi-precious stones as substitutes, or increase the strength of the planet through mantra chanting, donation, or fasting. Desired benefits are obtained by wearing the gem of an auspicious planet and through Jal Visarjan or the donation of articles and grains associated with inauspicious planets.

Rudraksha

Rudraksha is a Sanskrit word. If we split this word into two, we get Rudra and Aksha. Rudra means Lord Shiva and Aksha means the tears (Aanshu) of Lord Shiva. According to Hindu mythology, the tears of Shiva fell on earth in the form of the Rudraksha tree. The Rudraksha tree belongs to the Elaeocarpaceae family and is as massive as the Banyan tree, with seeds covered by pulp and outer skin. After drying, the skin turns black and grooves appear on the surface running from the apex to the bottom, thereby demarcating clear areas called 'Mukhas' or faces. Rudrakshas are classified on the basis of the number of faces, which can range from one to twenty-one.

Sometimes Rudrakshas are found in pairs (twins) which are considered to be symbols of Lord Shiva and Goddess Parvati. They are known as Gauri Shankar Rudrakshas. Similarly, if three Rudrakshas are joined together, they are considered symbols of Shiva, Shakti, and Ganesha, or Brahma, Vishnu, and Mahesh. However, these types of Rudrakshas are very rarely available. Scriptures like the Rudraksha Jabalopanishad, Shiva Purana, Devi Purana, and Padma Purana extol the value of Rudraksha seeds.

In general, all deities are fond of Rudrakshas, but it is believed that they are the most favorite of Lord Shiva. Modern scientific research has yielded positive results regarding Rudraksha. It has been found that they possess electromagnetic properties which influence human physiology. Each type of Rudraksha has its own unique influence and properties. Rudraksha is worn to achieve beneficial results and is helpful in managing conditions like epilepsy, hypertension, high blood pressure, stress, whooping cough, and wounds. Wearing Rudraksha not only pleases Lord Shiva but also brings the blessings of Lord Vishnu, Durga, Ganesha, and the Navgrahas (nine planets); it reduces the aging process and brings peace and harmony to life.

In Hindi, Bengali, Sanskrit, Bhojpuri, Gujarati, and Punjabi, it is known by the name Rudraksha. In Tamil, Kannada, and Telugu, it is known as 'Rudraksha Koti', in English as the Utrasum Bead, and in Latin as *Elaeocarpus ganitrus* Roxb. Rudrakshas can be found in India, Nepal, Tibet, Indonesia, Sumatra, China, Java, Malaysia, Madagascar, the Pacific Islands, etc. They are produced in Nepal in abundance. The one-faced Rudraksha is considered the property of the Royal family of Nepal and should be deposited in the national treasury. Anyone who dares to sell it shall be

punished.

According to Hindu mythology, the Rudraksha of Nepal is the best in the world. The Goddess of wealth always resides in the house where Rudraksha is worshipped. Rudraksha frees you from all sins committed knowingly or unknowingly. It fulfills your aspirations and prevents sudden death. It frees you from worries, satiates the wrath of the Gods, eliminates diseases, and brings auspiciousness. It grants mental peace and brings harmony to the home. It is auspicious for business, wealth, and prosperity, while also controlling one's temper and blood pressure. Wear Rudraksha for reputation, glory, and fame.

It enhances your willpower and memory. It is highly beneficial for high blood pressure, stomach disorders, and protection from negative spirits. Rudraksha can be worn by anyone irrespective of age, gender, or Rashi (Moon Sign). It frees you from problems and helps in the gain of progeny. Rudraksha never causes any negative impact; it is beneficial in every condition. A pregnant woman feels secure, protected, and is relieved of any fear after wearing it. Rudraksha fosters union in the family and enhances mutual love, affection, and respect. It enhances the attraction of one's personality. Rudraksha is the favorite ornament of Lord Shiva. The one-faced Rudraksha possesses all the aforementioned qualities.

Your Horoscope and Rudraksha

Your Lagna is the watery sign Scorpio, which bestows leadership qualities upon you. You possess stability in life and perform tasks with pinpoint concentration due to your research-oriented mind. While you are usually calm and composed, provocation can make you aggressive and revengeful. Therefore, you are advised to control your temper to avoid self-created problems. You mingle with people easily and adapt well to various environments. Your memory is excellent, and your tolerance is remarkable. Though you may have a quick temper, you are soft-hearted. You have zero tolerance for indiscipline. You are emotional and generous, though your mind can sometimes be wavering.

For your Scorpio ascendant, Mars is the lord of the 1st and 6th houses. A poorly placed Mars can cause a lack of confidence, trouble from enemies, obstacles in progress, and loss of reputation.

Mercury is the lord of the 8th and 11th houses; an afflicted Mercury could cause problems with enemies and difficulties related to your native place. Venus is the lord of the 12th and 7th houses. Its weak position might lead to uncontrolled expenses, a lack of interest in religion, a problematic childhood, limited support from

friends and relatives, and weak eyesight.

The 6th, 8th, and 12th houses are known as Trik Bhavas. The lords of these houses, and the planets placed within them, create obstacles in life. The 6th house denotes diseases, debts, and troubles caused by enemies. Consequently, the house occupied by the 6th lord loses its auspiciousness. You may fall victim to ailments, debt, and enmity, which can severely impact your physical, mental, social, financial, and domestic well-being. Among the Trik Bhavas, the 8th house is the most notorious and inauspicious, as it destroys the positive results of the house it occupies. The maleficence of planets in the 8th house increases, leading to more unfavorable outcomes. The 12th house, the third Trik Bhava, is known as the house of loss and expenses. It represents taxes, sleep, bed pleasures, confinement, foreign journeys, and salvation. The lord and any planets placed in the 12th house can increase the inauspiciousness of this house.

Mars causes strained relations with your life partner; you might be cheated by friends, experience less comfort from children, engage in quarrels with your own people, suffer loss of wealth, and face blood-related diseases.

The placement of Rahu in the 6th house can create many difficulties in your life; however, you shall emerge victorious in the struggles it causes. You will have control over your enemies due to your influential nature. This Yoga equips you with significant energy to cope with the stress generated by mental tension and pressure.

Because of the Sun's placement in the 8th house, there are persistent troubles in the areas of education and child-related matters. Sudden life events with little support from the government, authorities, bosses, or father figures are common. It also causes long-term heart-related issues. You may fail to establish good relations with the police and in-laws. This position of the Sun may hinder your path to becoming a learned person, introduce bitterness into your speech, and create obstacles in accumulating wealth. You may experience differences of opinion with family members and might occasionally resort to untruths.

Ketu's placement in the 12th house brings inauspicious results. Consequently, you may be extravagant, worried, or eccentric, and might live away from your motherland. It can lead to a feeble mind. You will likely spend money on religious activities and should try to control your desires. You might have to struggle throughout your life to achieve your goals.

To achieve the auspicious results of all these planets, you should wear a Rudraksha Kavach consisting of 1, 4, 6, 8, 9-faced Rudrakshas. This Kavach should be

worn on a white thread on Monday after sanctifying it by sprinkling Gangajal and chanting the "Om Namah Shivay" mantra at least 108 times. Afterward, offer raw milk to Lord Shiva and make donations according to your capacity. This will help you overcome difficult life situations and provide substantial relief from serious problems. To further strengthen all the planets in your horoscope, you may also wear a Shivkripa Rudraksha Mala comprising 1 to 14-faced Rudrakshas, which yields miraculous results.

The above Kavacham can be worn throughout life, regardless of Dasha and Gochar considerations. This Kavach is essential for overcoming the malefic effects of the Lagna and the planets placed within the Lagna.

Sade-Sati Consideration

A horoscope is said to be under 'Sade-Sati' effect when the Saturn transits through the 12th, 1st and 2nd house from Natal Moon. Remedies of Sade-Sati

Ill effect of Saturn's sade-sati can be reduced by giving alms, performing pooja, fasting or reciting mantra.

Give alms of black cloth, Urad pulse (horse-bean), black mole, leather shoes, cereals or iron as per your capacity. Perform pooja of Lord Saturn on Saturdays. Keep fast on Saturdays. Restrict your food to Urad pulse, grams, gram flour, black mole, black salt and fruits. Recite or get it recited by a brahmin the following Mantra for 19000 times on a Saturday:-

Om Pram Preem Praum Sah Shanaishcharaya Namah.

To get benefic effects of sade-sati on health, mental peace, family happiness, finance and profession you are suggested for Maha-mrityunjaya Japa. Get the following mantra chanted for 125000 times.

**Om Tryambakam Yajamahe Sugandhim Pushtivardhanam
Urvarukamiva Bandhanan-Mrityormukshiyā Ma-Amritat.**

Optionally chant 108 times the following mantra everyday in the morning:-

Om Houm Joom Sah Om Bhur Bhuvah Svah Om.

You are also suggested to wear an iron ring made of a horse-shoe or nail from a boat. Wear the iron ring on the middle finger of the right hand.

Wear this stone in waxing moon on Saturday in the evening half an hour before sun set. Pushya, Anuradha or Uttara Bhadrapad nakshatra on that day is preferred. Keep fast on Saturday.

Before wearing the ring, clean it in fresh milk and Ganga water, light an incense stick, perform pooja and recite the following mantra 108 times:-

Om Sham Shanaishcharaya Nama

After wearing the ring give alms. This will reduce the ill effects of Saturn giving peace and prosperity.

Manglik Vichar

In the boy's or the girl's horoscope, when Mars is in the ascendant, fourth house, seventh house, eighth house, or twelfth house, it is called Manglik dosh.

**Lagne vyaye cha patale jamitre chashtame kuje.
Stree bhartuvinasham cha bharta cha stree vinashanam. .**

Manglik dosh is considered stronger when Mars is placed in the ascendant than when Mars is conjoined with the Moon in the ascendant. If, according to the Shastras, the Manglik dosh of both the boy and the girl is cancelled, they are guaranteed a happily married life. On the other hand, if this Manglik dosh is not cancelled, they are likely to face unnecessary problems and hurdles in life. Therefore, one must begin his married life after getting the horoscopes thoroughly matched. After getting the Manglik dosh properly cancelled, the native shall be bestowed with a peaceful and wealthy life.

At the time of your birth, Mars was positioned in the sixth house, which represents enemies, diseases, and debt. This placement makes you a courageous and chivalrous man. You will defeat all your enemies, and you will generally remain free from major illnesses. You will be naturally inclined toward professions like the police or military. You will rarely need to take loans; even if you do, you will be able to repay them on time, preserving your dignity and self-respect. You will acquire wealth and luxuries, and those around you will be influenced by your presence.

Mars, placed in the sixth house, casts its fourth aspect on the ninth house. Consequently, you may lose interest in traditional religious activities, placing more faith in hard work than in destiny. Most of your significant achievements will result from your own efforts. Mars' seventh aspect on the twelfth house suggests a tendency toward extravagance. Although hurdles may arise on your path to success, your married life will generally be peaceful. Its aspect on the ascendant may lead to minor health issues caused by excessive heat or bile, but these will not cause major harm, and you will pursue success with great zest and enthusiasm.

Mars' position in the sixth house is beneficial for you. It will help you accumulate significant wealth and luxuries. You will provide your family with various comforts, fostering an atmosphere of peace and harmony. Your family members will offer you their full support and cooperation.

Kaal Sarp Yoga

**Agre Raurardha Ketuh Sarve Madhyagatah Grahah.
Yogoyam Kaalsarpakhyo Shighram Tam Tu Vinashaya.**

If all seven planets are situated between Rahu and Ketu, Kaal Sarp Yog is formed. Depending on the position of Rahu in the 12 houses of the horoscope, there are 12 types of Kaal Sarp Yog. These are:

1. Anant, 2. Kulik, 3. Vasuki, 4. Shankhpal, 5. Padma, 6. Mahapadma, 7. Takshak, 8. Karkotak, 9. Shankhchud, 10. Ghaatak, 11. Vishdhar, 12. Sheshnag

Kaal Sarp Yog is of two types: Ascending and Descending. If all seven planets are positioned within Rahu's mouth, it is Ascending Kaal Sarp Yog. If all planets are situated behind Rahu, then Descending Kaal Sarp Yog is formed.

A native with Kaal Sarp Yog may suffer from certain shortcomings in life and might not receive full rewards for their talents. Success in work is typically delayed. The native may also suffer from unexplained diseases that are difficult to cure with medicine. Propitiation of Kaal Sarp Dosh becomes necessary to lead a normal life.

Kaal Sarp Yog in Your Horoscope

Your horoscope does not contain Kaal Sarp Yog. Therefore, you do not require a Shanti Pooja for Kaal Sarp Yog. You will lead a happy life.

Pitridosha Vichar

What is Pitridosha?

Our deceased ancestors are termed as Pitar or Pitri. Pitri is a class between us and God. If they are happy the man is able to live a decent and successful life but if they are dissatisfied because of some reason then the native becomes victim of various types of diseases and troubles.

Later these Pitri either get Mukti (Liberation from the bondage of birth and death) or else take birth on this earth again. If all the Pitri in a family have taken rebirth or attained Mukti then for some time there are no Pitri for that specific family. In this situation the native gets fortunes and misfortunes on the basis of his own horoscope. Therefore, all family members should serve the Pitri by Tarpan etc. till the time they are there in Pitriloka. If Pitri are contented then they grant all round prosperity to the native.

The reason of unhappiness of Pitris resulting into Pitridosha can be untimely death of an ancestor or the unfulfilment of the last wish of the ancestor else the infliction of curse of someone on the soul of the ancestor. These ancestors need food in spite of being in Pitri Yoni. If family people do not offer food by Karmas like Tarpan etc then they become distressed and troubled. Pitri experience various types of troubles till the time they are not propitiated by Karmas like Puja Paath, Pindadaan and Tarpan etc.

Pitri Dosha generally happens not because of own Karmas rather because of the Karmas of parents and ancestors. This Dosha exists in the horoscope since birth but karmas get created after birth therefore the reason of Pitridosh remains inexplicable and only its symptoms are visible. We do not get auspicious results for our deeds in spite of having favorable Dasha and transit. At home there remains tension, disease, lack of peace and scarcity of funds. There are no issues or else one gets mentally retarded children who face obstacles in their progress or marriage.

Therefore when we face such above mentioned troubles continuously without having any visible reason in the horoscope then in that situation we must do propitiation of Pitridosha till the situation does not turn favorable.

Symptoms of Pitridosha

- * Sudden death or accident in family.
- * Suffering from hereditary diseases and long chronic illness.

How to Recognize Pitris?

- * Chant 11th chapter of Srimadbhagavadgita daily. Your Pitris shall show their face to you in your dreams.
- * At night wash your hands and feet and pray in your mind and request your Pitris to give their Darshana to you.
- * If you are facing obstacles in the accomplishment of your task then remember your Pitris and request them for the success of your tasks. I will do Shantipaath for you. If your this type of request results into the accomplishment of your task then it shall imply that you need to do Pitri Shanti.

Pitri Dosha In Your Horoscope

* The Lagna lord, placed in the 6th House house, is under the influence of Saturn and Rahu.

In your horoscope, Pitridosha is formed due to Mars.

With Mars being the Karaka of Pitridosha in your horoscope, the sins committed by a male member of the family in a fit of anger are the root cause of your Pitridosha. To rectify this Pitridosha, you are advised to please your younger brother or servant by donating something to them.

However, if you are not experiencing the problems mentioned in the 'Symptoms of Pitridosha', then despite the presence of Pitridosha in your chart, there is no need for any remedies. It is quite probable that your ancestors are pleased by your auspicious deeds or have attained Moksha and are no longer troubling you.

Note:

Tripindi Shraadh and Narayan Naagbali are the main remedies for Pitridosha. These are done primarily in Tryambakeshwar. In Tripindi Shraadh the symbolic small statues of ancestors are made and Mantras are chanted on these. Finally they are flown in running water like Asthi Visarjanam.

Narayan Naagbali is done with the objective of fulfillment of desires of ancestors for their Moksha. In this Shamshankriya is done for two days and Manglik Puja on third day. If there are obstacles in getting married or begetting children because of Pitridosha then they get eradicated after observing these remedial measures.

As your Radical and Lucky numbers have inimical relations, there may be a slight reduction in the positive influences of both numbers.

Many important events in your life will take place on dates, months, calendar years, and years of age that correspond to your Radical and Lucky numbers.

Whenever the dates, months, years, and your lucky days of the week coincide, those days will be especially auspicious for starting new work, writing important letters, or meeting senior officials. Despite lacking a formal education of significant note, you will be shrewd enough to provide a comfortable home for your family and enjoy a pleasant domestic life.

Rahu

Rahu in the 6th house allows you to maintain influence within your enemies' camp. However, you will still be significantly disturbed by their actions.

You may suffer from minor ailments and contagious diseases, leading to a life filled with struggle and worry. Insomnia, headaches, pimples, burns, and high fevers may be causes for concern.

While a Scorpio Lagna suggests good servants, Rahu's influence may cause you to suffer at their hands, as they might be tempted to steal.

As you may face financial difficulties and losses, you could find yourself in debt. Your creditors may damage your reputation.

Scorpio Lagna indicates that you should have good maternal relatives, but Rahu's influence contradicts this. They may be of no assistance and might not support you even when you need their help.

Ketu

You possess a strong disposition for saving. Whatever you earn, you will save, likely due to your ability to look ahead and anticipate difficult times.

Journeys within your own country and abroad are indicated, but they will be so infrequent that it may seem as though you do not travel at all; there will be very few journeys in your life.

Although a Scorpio ascendant typically does not indicate affliction of the left eye, Ketu in Libra in the twelfth house causes a slight affliction, and Ketu's influence remains significant.

House Reading

House Reading provides accurate information and predictions for the specific portfolio signified by a particular house.

Every horoscope is divided into twelve houses, which represent various areas of life such as health, longevity, wealth, property, career, education, income, social life, parents, enemies, marriage, and expenses. The reading of a house is based on three crucial factors: the house itself, the house lord, and the karakas (significators) of the house. This section provides accurate information and predictions for the portfolios signified by each house. You may experience favorable results during auspicious periods, while unfavorable outcomes can occur depending on the nature and position of the house lord currently in operation.

Physique, Health & Nature

Born under the Scorpio sign, you possess an impressive personality, characterized by a well-knit, muscular physique with a tendency toward stoutness, long arms, and short, curly hair. You present yourself as a self-assured individual who does not tolerate nonsense from anyone.

Since Scorpio governs the reproductive organs, you should be particularly mindful of your health in these areas, especially from middle age onward.

You possess a dual nature. You do not believe in unnecessarily interfering in others' paths, as you are primarily interested in your own affairs. However, if others provoke you, you will make them regret their actions by stinging like a scorpion. You are quick, shrewd, and a keen individual. You possess a penetrating mind and incisive judgment regarding people and matters. What serves you best in your pursuits is your strong, forceful mind, which allows you to make your own decisions without relying on the guidance of others. You have very strong likes and dislikes; if you favor something, you will support it to the very end. Conversely, if you are averse to something, you will spare no effort to dismantle it. You will be a very good friend to a true friend but a formidable adversary to a foe. Since you place great emphasis on enjoying physical intimacy, your reputation may be affected.

You are prone to conditions such as insomnia and somnambulism. Therefore, please take the necessary precautions.
