Profession, Father, Status & Power

It is the general pattern that politics is the best profession for those born when the Virgo sign is occupying the tenth house. Even if it is not preferred as a full time occupation, the native can hope to secure substantial benefits from politicians.

Not that it is the only area that suits you. There are many others from which you can have your pick. They include being a public orator, bank employee, teacher, editing and publishing books, establishing close links with educational and religious institutions, or occultism. Company law, engineering, foreign assignments or civil contracts can also be pursued.

It would be in your interest to do business instead of service as there are hints of your making good profits in business like trading, import, export or valuable or engineering items.

You can be optimistic of securing favours from governmental agencies. If you prefer it, you can also take up a government job in which your worth will be recognized, yielding rewards. In case you are forced to enter into a litigation, you needn't despair as you will emerge from it unscathed.

It seems you have inherited quite a few of your father's qualities. He is an active, brisk individual who approaches issues with an alert mind and goes about his job in a methodical manner. At the same time, he is an expert in finding fault with others and castrating them for their shortcomings. You have many of these traits.

Unfortunately for you, the presence of Ketu in Virgo in the tenth house spells a very bad omen. The odds are you will have to go through a life of trials and tribulations, struggling to make both ends meet for sheer survival.

The problems may start from a very young age when you may be separated from your father and thereafter it will be a continuous battle to find a steady job which, however, may elude you. On top of all these, you may have to encounter difficulties from your own relatives, apart from persons in authority, who may try to entangle you in police cases.

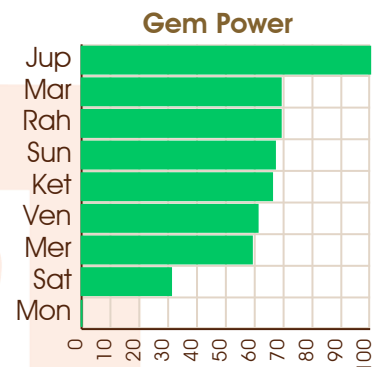

You have got to get hold of yourself and make a determined effort to overcome the obstacles by chalking out a well thought out strategy.

Gem Selection

Gems are advised to increase the benefic effects in a natives life. Scientifically, Gems are capable of collecting the cosmic rays of the planet concerned and pass on to one's body to enhance the effect of that planet. That is why, we only recommend Gem for a planet benefic to the horoscope. A planet is benefic if it is placed or is lord of Lagna, Trikona or Kendra and is malefic if it is lord of 6, 8, 12 houses. It is benefic if it is placed with or aspected by friends. It is considered malefic if it is lord of Badhak house that is 11th lord for moveable, 9th lord for fixed and 7th lord for mixed ascendants. Above considerations define the goodness of the planets for Gem Selection.

Table below describes the area of work and benefic factor of the planet is percentage along with graphical display. Power of different Gems in different dashas is given in the other table. It is suggested to wear Gems throughout life without bothering for dasha or transits of the planets obtains over 75% marks. For those who secure 50-75% marks, it is suggested to wear gems in dasha of friendly planet or it is required to enhance the requisite area of concern. Gems for planets which obtain less than 50% should be normally ignored unless it obtains more than 50% marks in particular dasha.

Rudraksha

Rudraksha is a Sanskrit word. If we split this word into two we get these two words Rudra and Aksha. Rudra means Lord Shiva and Aksha means Aansu(tears) of Lord Shiva. According to Hindu Mythology tears of Shiva fell on earth in the form of Rudraksha tree. The Rudraksha tree belongs to Elaeocarpaceae family and is as huge as the Banyan tree which has seed covered with pulp and outer skin. After drying the skin turns black and grooves appear on the surface running from apex to the bottom, there by demarcating clear areas called 'Mukha or faces'. The Rudraksha are classified on the basis of number of faces, which can range from one to twenty one.

Sometimes Rudraksha are found in twins which are considered to be symbols of Lord Shiva and Parvati (Goddess). They are known as Gauri Shankar Rudraakshas. In the same way if three Rudrakshas are together they are considered the symbol of Shiva, Shakti and Ganesha or Bramha, Vishnu, Mahesh. But these types of Rudrakshas are very rarely available. Scriptures like Rudraksha Jabalopanished, Shiva Purana, Devi Purana and Padma Purana extol the value of Rudraksha seeds.

Still, the temptation could be very real for some of you. Some travel would also be gainful, and the most advantageous direction would be north.

Prediction For September 2025

The stars are not in an obliging mood and therefore the prospects for your career are not very bright. Association with gifted people of learning would fail to produce the normally beneficial results this month. The same would be true of the little quantity of travel that is indicated, though there might be some marginal percentage for you in a sojourn Eastwards.

The redeeming feature of the period could be the inclination among most of you to lead a principled life and not deviate for the sake of convenience or quick gains. This would be a wise policy.

Prediction For October 2025

This month the augury for your career prospects is quite propitious. Association with gifted people of learning would enrich your life in every way. There would be material advantages, of course. But that is not all the satisfaction you derive from such association there is a very major gain also.

You would tend to work quite hard, but the rewards would amply compensate you for your efforts. All anticipated goal would be realized. Whether in business or service you would be fully secure. The working climate would also remain excellent, without conflicts. Overall, a fairly beneficial month.

Prediction For November 2025

The signs from the stars are not very encouraging for your professional prospects. You could well find yourself slogging away at work, with the rewards being nowhere near commensurate with the effort put in, working conditions, too, could be less than desirable. Most important, your association with people of learning would not bear the usual kind of fruit.

This would naturally make for dissatisfaction at your lot. Travel also will not bear fruit, though a journey Westwards may bring some marginal advantages. All told, a month during which there will be little for you to do except to patiently persevere with your work.

Prediction For December 2025

The augury from the stars is hardly favourable for your career prospects. This month your association with learned people of spiritual stature will not bring the

usual benefits. This would not only create a sense of dissatisfaction but also create uncertainty that could well snowball into major concerns.

Profession - 2026

First half of the year would be moderately auspicious for work and profession perspective. You would improve in your business performance due to the effect of Jupiter posited in Seventh House. You would bag cooperation of friends, co-workers and spouse in the field concerning your work. If you are doing business on wheels of partnership, you would be contented with your partner.

After June 02, time period is taking a turn towards adversity. During that time interval, a situation of ups and downs might prevail for your business. So do not initiate any novel entrepreneurship. Run the pre-existing business in a proper way. Jupiter in Eighth House points towards obstacles in business which could be created by your latent foes. Natives engaged in trades related to land or buildings might have losses.

Prediction For January 2026

There is nothing very favourable for your professional prospects this month, as far as the augury from the stars is concerned. Your ability to get workout of your subordinates would meet with stiff opposition. You might tend to exploit your workers or juniors, which would create seething discontent against you.

You would do well, therefore, to keep this situation under control otherwise work could come to a stand still. There would be a lot of travel, but this also would bear little fruit, because of a basically disorganised approach to your own affairs still any sojourn to the East would bring some gains but this, too, could only be marginal.

Prediction For February 2026

The augury about your career is quite bleak this month. There would be deeply felt resentment against you among your juniors or workers. Try and win them over with fair play and pleasant behaviour. Also it is important to curb your own exploitative tendencies, because in the final analysis, it is these that are the root causes of difficulties of this nature.

There would be a good bit of travel, but this too, under the circumstances would bear little or no fruit, though there might be some percentage in a sojourn to the south for you. You must also control your own sense of insecurity and dissatisfaction since this would cloud your thinking.

Prediction For March 2026

Nothing very encouraging in the augury from the stars about your professional prospects this month. You might have a streak of meanness that would goad you on to severely exploit your juniors or subordinates. This would be met by stiff opposition. Try not to let such a situation come about. Curb this streak and behave well with your juniors.

There would be a fair amount of travel which will, however, fail to bear any fruit. Though there might be some percentage in a sojourn towards the west. Contacts also would not be very helpful. The circumstances will also demand a great deal of hard work from you.

Prediction For April 2026

An excellent month during which you would tend to go for your targets like a bullet. Astral influences would endow you with a fine manner of handling your juniors and subordinates, so that you would be able to derive optimum benefit from their services. A certain instinct of the hunter would enable you to seize any opportunity that might come your way.

This is, however, all very well, but you should guard against becoming openly exploitative. This would boomerang upon you and create serious opposition. Travel will also bring gains, the most advantageous direction being north. Further there is the likelihood of some old person doing you a favour that could substantially boost your career prospects.

Prediction For May 2026

An excellent month during which you would function above par and take your career prospects much further. Astral influences would endow you with a quality of leadership that would enable you to derive optimum benefit from the services of your juniors and subordinates. This would be your most significant gain.

Work-load would not be heavy, and despite that you should be able to achieve most of your expected gains. Further, there is the likelihood of an old person rendering you a service which would prove extremely beneficial. Travel would also be fruitful, and the most advantageous direction would be east. Set out to do big things this month, because chances are you would succeed.
