Profession, Father, Status & Power

Instead of picking up just any job, those born when the Leo sign was rising in the tenth house will stand to benefit in the long run if they select a profession from among the following :

Research work, chemistry, medical (with spotlight on maternity), insurance, iron and steel, defence services or criminal investigation. The native can also join government service or a reputed private firm in which there will be good prospects of rising to a high position. Whatever you do, it appears you will be interested in running a music school for some time.

Religion and occultism are two sectors in which you are likely to evince interest. Your inclination for worshipping the Goddess is commendable. No doubt it will help you a lot in all areas of your activity.

In the event of being party to any litigation, the odds are you will emerge successful. There are no indications of your direct involvement in politics, but you have the mettle to secure benefits from politicians.

No doubt you can aspire to get your share of the ancestral property, but there are possibilities of having a tiff and misunderstanding with your father. It is better not to push your difference with him too far, because you may need his help some time or the other. You should bear in mind that he is a person endowed with vigour and vitality, and is ever willing to be of assistance to everyone.

The sad aspect in your case is the presence of Ketu in Leo in the tenth house which is very inimical to your interests. The indications are that you may lose your position due to deception and treachery by others and even face disciplinary action and punishment. This in spite of the fact that you are industrious and dedicated to your work. You may have to change your job and profession frequently, which won't be conducive for a smooth life. At home too you will find yourself at the receiving end, because you may not get any benefit from your father.

The lesson for you is clear: You will have to plan your actions properly and be cautious of the motives of other people and give up the habit of trusting everyone with whom you come in contact.

Gem Selection

Gems are advised to increase the benefic effects in a natives life. Scientifically, Gems are capable of collecting the cosmic rays of the planet concerned and pass on to one's body to enhance the effect of that planet. That is why, we only recommend Gem for a planet benefic to the horoscope. A planet is benefic if it is placed or is lord of Lagna, Trikona or Kendra and is malefic if it is lord of 6, 8, 12 houses. It is benefic if it is placed with or aspected by friends. It is considered malefic if it is lord of Badhak house that is 11th lord for moveable, 9th lord for fixed and 7th lord for mixed ascendants. Above considerations define the goodness of the planets for Gem Selection.

Table below describes the area of work and benefic factor of the planet is percentage along with graphical display. Power of different Gems in different dashas is given in the other table. It is suggested to wear Gems throughout life without bothering for dasha or transits of the planets obtains over 75% marks. According to Hindu Mythology tears of Shiva fell on earth in the form of Rudraksha tree. The Rudraksha tree belongs to Elaeocarpaceae family and is as huge as the Banyan tree which has seed covered with pulp and outer skin. After drying the skin turns black and grooves appear on the surface running from apex to the bottom, there by demarcating clear areas called 'Mukha or faces'. The Rudraksha are classified on the basis of number of faces, which can range from one to twenty one.

Sometimes Rudraksha are found in twins which are considered to be symbols of Lord Shiva and Parvati (Goddess). They are known as Gauri Shankar Rudraakshas.
