## Disclaimer

Astrology is a science that deals with the effects of planets on living beings. To predict these effects, one must calculate the positions of the planets and their strengths. The calculations in this horoscope are highly accurate, and true apparent longitudes have been used for all planets. The Ayanamsa adopted is the Chitrapaksha Ayanamsa, unless another ayanamsa is requested.

Computer horoscopes are based mainly on the Parasara system. However, there is a fine blend of the Tajak system, Jaimini system, K. P. system, Horary (Prasna Marga) system, and Western system in the astrological calculations. Predictions are based on various ancient texts such as Brihat Parasara Hora Shastra, Mansagari, Saravali, Jataka Bharanam, Brihat Jatak, Phala Deepika, Jataka Parijat, and finally, on personal experience regarding the application of astrological rules. However, through astrology, we can only indicate the future; it is only Brahma (the creator of the universe) who can determine exactly what will transpire.

This horoscope is based on the date, time, and place of birth provided by the native, and we assume no responsibility for the accuracy of this data. All astrological calculations and predictions are based on this primary input provided by the native.

The predictions provided in this horoscope indicate tendencies and likelihoods rather than strict guidelines for action by the native. ## Detailed Analysis of Gems

**Aushadhi-mani-mantranam, graha-nakshatra tarikaah.  
Bhagyakale bhavetsiddhih abhagyām nishphalam bhavet. .**

Medicine, gems, and mantras are effective in overcoming diseases caused by planets and stars. If the time is favorable, the expected results are obtained; otherwise, all these remedial measures prove useless.

A gem enhances the physical charm of the wearer, increases power, and reduces the malefic influence of a planet with its mysterious powers. The flow of radiation emitted by planets in our body is enhanced by the power of gems. Therefore, planets that are auspicious in a horoscope but lack strength can be strengthened by wearing gems. Conversely, the gems of inauspicious planets multiply the malefic effects of such planets. This is why astrologers advise completely relinquishing the gems of inauspicious planets in a horoscope.

A planet is considered favorable when posited in the Lagna, Trikona, or Kendra, or if it has the lordship of these houses. It is inauspicious if connected to a Trik Bhava. The conjunction and aspect of friendly planets also enhance its auspiciousness. The lordship of a Badhak Bhava reduces its beneficence. In movable Lagnas, the 11th house; in stationary Lagnas, the 9th; and in dual Lagnas, the 7th house is termed a Badhak Bhava. The placement of planets in their enemy sign or sign of debilitation also decreases their auspiciousness.

For any horoscope, the gem of the Lagna lord is known as the 'life stone.' By wearing it, the wearer attains good results such as improved health, personality development, and an enhanced reputation. The gem of the 9th house lord is termed the 'lucky stone'; by wearing it, the development of destiny and an enhancement of status can be expected. Similarly, the gem of a Yoga Karaka planet is the 'Karak gem,' which has enough potential to provide financial gains, progress in tasks, and all-around development.

To gratify various desires, one might need to wear more than one gem. Detailed information about which gem would yield specific results in your horoscope is provided below. In addition, the method of wearing them is given along with the names of other gems that can be worn simultaneously. You can achieve maximum success in life with the right selection of gems.

A clear gem with a clean cut can absorb more radiation; therefore, only high-quality gems are capable of giving completely beneficial results. The weight of the gem should be in proportion to the weakness of the planet and the wearer's body weight. If the planet is very weak, the gem should be heavier. Except for diamonds, all gems should touch the skin. Gems worn on fingers in specific metals prove most beneficial.

If, for some reason, you need to remove the gem, it should be placed in a safe location after being washed with Gangajal on its designated day. If a gem is misplaced or stolen, it is an indication of the removal of the planet's malefic influence. Similarly, if the gem loses its luster, it indicates the same. If the gem cracks, it means the planet for which it is worn is very active; in this situation, that specific planet should be propitiated, and the gem should be replaced with a new one.

To attain the auspiciousness of inauspicious planets in the horoscope, remedial measures such as wearing Rudraksha, chanting mantras, donating Karaka articles, Jal Visarjan, and fasting are recommended. If for some reason you are unable to wear the required gem, wear Rudrakshas or semi-precious stones as substitutes, or increase the strength of the planet through mantra chanting, donation, or fasting. Desired benefits are obtained by wearing the gem of an auspicious planet and through Jal Visarjan or the donation of articles and grains associated with inauspicious planets.

## Favourable Stone

Your favorable Gemstone - Lapis Lazuli

You are born under the Capricorn ascendant. The lord of the sign Capricorn is Saturn, also known as the planet of justice. The natal ascendant of a man is vital, as his name, fame, power, position, and prosperity depend on it. If his ascendant is strong, he prospers well and achieves all-round development in life.

Therefore, it is very beneficial for men born with a Capricorn ascendant to strengthen their natal Saturn. Saturn can be strengthened by worshipping it in the prescribed way and by reciting the proper mantra. The gemstone Lapis Lazuli is recommended for Saturn. When a man born under the Capricorn ascendant or Rashi wears Lapis Lazuli studded in a ring, he attains happiness, prosperity, and success. Saturn signifies service, meditation, discipline, and concentration. By wearing Lapis Lazuli, he can secure a good job, gain recognition and fame in his career, receive cooperation from authorities, and enhance his reputation.

The native receives full cooperation and support from his elders and subordinates after wearing this stone. Saturn signifies concentration and meditation. Wearing Lapis Lazuli can also aid in the relief of joint pain. This stone is highly beneficial in legal matters, helping the native achieve favorable results in pending cases.

Wear the ring studded with Lapis Lazuli on the middle finger of your right hand, as this finger signifies Saturn in palmistry. This ring should be worn on Saturday, as Saturn is the lord of this day. This ring should be worn on Saturday evening during the hora of Saturn. If this stone is worn during the constellations of Saturn—Pushya, Anuradha, or Uttara Bhadrapada—falling on a Saturday, it will be highly beneficial.

Clean the Lapis Lazuli with Ganga water and a mixture of milk, curd, honey, clarified butter, and sugar. After this, place a blue or white cloth on a wooden platform and keep the Lapis Lazuli on it. Light incense sticks, a ghee lamp, and dhoop in front of it, and recite the Saturn Mantra 108 times to energize the Lapis Lazuli. After this, touch it to your forehead and wear it on the middle finger of your right hand.

Mantra of Saturn: Om Sham Shanishcharaye Namah.

Donate mustard oil, black urad, and a blue or black cloth 1.25 meters in length to obtain better results. Recite the Saturn Mantra 108 times daily after bathing. Give clothes

or gifts to servants or subordinates from time to time to ensure constant auspicious results. Visit the Shani temple every Saturday and offer mustard oil to the idol of Shani Dev. Read the Shani Chalisa and visit the Shani temple on Saturdays. This will be highly beneficial.

Men who are born with a Capricorn ascendant and wear Lapis Lazuli obtain good health, name, fame, power, position, and happiness, leading a successful life with a great reputation.

# Rudraksha

Rudraksha is a Sanskrit word. If we split this word into two, we get Rudra and Aksha. Rudra means Lord Shiva and Aksha means the tears (Aanshu) of Lord Shiva. According to Hindu mythology, the tears of Shiva fell on earth in the form of the Rudraksha tree. The Rudraksha tree belongs to the Elaeocarpaceae family and is as massive as the Banyan tree, with seeds covered by pulp and outer skin. After drying, the skin turns black and grooves appear on the surface running from the apex to the bottom, thereby demarcating clear areas called 'Mukhas' or faces. Rudrakshas are classified on the basis of the number of faces, which can range from one to twenty-one.

Sometimes Rudrakshas are found in pairs (twins) which are considered to be symbols of Lord Shiva and Goddess Parvati. They are known as Gauri Shankar Rudrakshas. Similarly, if three Rudrakshas are joined together, they are considered symbols of Shiva, Shakti, and Ganesha, or Brahma, Vishnu, and Mahesh. However, these types of Rudrakshas are very rarely available. Scriptures like the Rudraksha Jabalopanishad, Shiva Purana, Devi Purana, and Padma Purana extol the value of Rudraksha seeds.

In general, all deities are fond of Rudrakshas, but it is believed that they are the most favorite of Lord Shiva. Modern scientific research has yielded positive results regarding Rudraksha. It has been found that they possess electromagnetic properties which influence human physiology. Each type of Rudraksha has its own unique influence and properties. Rudraksha is worn to achieve beneficial results and is helpful in managing conditions like epilepsy, hypertension, high blood pressure, stress, whooping cough, and wounds. Wearing Rudraksha not only pleases Lord Shiva but also brings the blessings of Lord Vishnu, Durga, Ganesha, and the Navgrahas (nine planets); it reduces the aging process and brings peace and harmony to life.

In Hindi, Bengali, Sanskrit, Bhojpuri, Gujarati, and Punjabi, it is known by the name Rudraksha. In Tamil, Kannada, and Telugu, it is known as 'Rudraksha Koti', in English as the Utrasum Bead, and in Latin as *Elaeocarpus ganitrus* Roxb. Rudrakshas can be found in India, Nepal, Tibet, Indonesia, Sumatra, China, Java, Malaysia, Madagascar, the Pacific Islands, etc. They are produced in Nepal in abundance. The one-faced Rudraksha is considered the property of the Royal family of Nepal and should be deposited in the national treasury. Anyone who dares to sell it shall be punished.

According to Hindu mythology, the Rudraksha of Nepal is the best in the world. The Goddess of wealth always resides in the house where Rudraksha is worshipped.

It frees you from worries, satiates the wrath of the Gods, eliminates diseases, and brings auspiciousness. It grants mental peace and brings harmony to the home. ### **Your Horoscope and Rudraksha**

As your Lagna is Capricorn, you are highly focused and goal-oriented. You are hardworking and persevere until your tasks are accomplished, making few mistakes. You possess excellent financial management skills. Your determination allows you to face difficult situations bravely. Though cooperative and jovial, you may live lavishly and spend money unnecessarily. You are adaptable but have zero tolerance for injustice. You achieve your goals through sensible and smart work. Your hard work and concentration ensure success across various fields. You value justice and loyalty, though failure can be discouraging. You avoid idle talk, preferring to plan for your future. You are disciplined, generous, and principled.

For your Capricorn ascendant, Mercury is the lord of the 6th and 9th houses. A poorly placed Mercury can lead to family disharmony, business losses, enmity, and health issues for your father.

The Sun is the lord of the 8th house, which may create hurdles during the early stages of your career and slow down your personal development. This placement can also lead to a loss of wealth and reputation. Jupiter is the lord of the 12th and 3rd houses; if poorly placed, it can cause uncontrolled expenses and limited benefits from siblings, friends, children, education, or intelligence.

The 6th, 8th, and 12th houses are known as Trik Bhavas. The lords of these houses and the planets placed therein create obstacles in life. The 6th house denotes diseases, debts, and troubles created by enemies. Because of this, the house occupied by this planet loses its auspiciousness. The native becomes a victim of troubles such as diseases, debts, and enmity, which can severely affect physical, mental, social, financial, and domestic

conditions. Among the Trik Bhavas, the 8th house is the most notorious and inauspicious. It destroys the positive results of any house it occupies. The maleficence of planets occupying the 8th house increases, and eventually, inauspicious results also intensify. The third Trik Bhava is the 12th house. It denotes various types of expenses and is therefore known as the house of loss. This is the house of expenditures, taxes, sleep, bed pleasures, confinement, foreign journeys, and salvation. The lord of the 12th house and any planet placed within it increase the inauspiciousness of this house.

The placement of Rahu in the 6th house can create many difficulties in your life; however, you shall emerge victorious in the struggles it causes. You will have control over your enemies due to your influential nature. This Yoga equips you with significant energy to cope with the stress generated by mental tension and pressure.

Ketu's placement in the 12th house brings inauspicious results. Consequently, you may be extravagant, worried, or eccentric, and might live away from your motherland. It can lead to a feeble mind. You will likely spend money on religious activities and should try to control your desires. You might have to struggle throughout your life to achieve your goals.

To achieve the auspicious results of all these planets, you should wear a Rudraksha Kavach consisting of 1, 4, 5, 8, 9-faced Rudrakshas. This Kavach should be worn on a white thread on Monday after sanctifying it by sprinkling Gangajal and chanting the "Om Namah Shivay" mantra at least 108 times. Afterward, offer raw milk to Lord Shiva and make donations according to your capacity. This will help you overcome difficult life situations and provide substantial relief from serious problems. To further strengthen all the planets in your horoscope, you may also wear a Shivkripa Rudraksha Mala comprising 1 to 14-faced Rudrakshas, which yields miraculous results.

The above Kavacham can be worn throughout life, regardless of Dasha and Gochar considerations. This Kavach is essential for overcoming the malefic effects of the Lagna and the planets placed within the Lagna.

## Manglik Vichar

In the boy's or the girl's horoscope, when Mars is in the ascendant, fourth house, seventh house, eighth house, or twelfth house, it is called Manglik dosh.

**Lagne vyaye cha patale jamitre chashtame kuje.  
Stree bhartuvinasham cha bharta cha stree vinashanam. .**

Manglik dosh is considered stronger when Mars is placed in the ascendant than when Mars is conjoined with the Moon in the ascendant. If, according to the Shastras, the Manglik dosh of both the boy and the girl is cancelled, they are guaranteed a happily married life. On the other hand, if this Manglik dosh is not cancelled, they are likely to face unnecessary problems and hurdles in life. Therefore, one must begin her married life after getting the horoscopes thoroughly matched. After getting the Manglik dosh properly cancelled, the native shall be bestowed with a peaceful and wealthy life.

You will own significant landed property and profit from its trade. In society, you will hold a respectable position, and people will recognize your influence. You will lead a lavish and comfortable life.

Mars' fourth aspect on the second house from the eleventh house suggests there may be occasional family disputes, but they will not become serious. You may use harsh words at times. In your early years of education, you may face obstacles. Mars' aspect over the fifth house indicates that the birth of your children may be delayed, though they will provide cooperation. You will attain a high level of education through hard work. High-ranking officials will assist you whenever needed. So, possessing various luxuries and comforts, you will lead a peaceful married life. You will provide your family members with comfort and luxury. They will extend their wholehearted support to you. Your relationship will be harmonious and full of love.

# Kaal Sarp Yoga

**Agre Raurardha Ketuh Sarve Madhyagatah Grahah.  
Yogoyam Kaalsarpakhyo Shighram Tam Tu Vinashaya.**

If all seven planets are situated between Rahu and Ketu, Kaal Sarp Yog is formed. Depending on the position of Rahu in the 12 houses of the horoscope, there are 12 types of Kaal Sarp Yog. These are:

1. Anant, 2. Kulik, 3. Vasuki, 4. Shankhpal, 5. Padma, 6. Mahapadma, 7. Takshak, 8. Karkotak, 9. Shankhchud, 10. Ghaatak, 11. Vishdhar, 12. Sheshnag

Kaal Sarp Yog is of two types: Ascending and Descending. If all seven planets are positioned within Rahu's mouth, it is Ascending Kaal Sarp Yog. If all planets are situated behind Rahu, then Descending Kaal Sarp Yog is formed.

A native with Kaal Sarp Yog may suffer from certain shortcomings in life and might not receive full rewards for their talents. Success in work is typically delayed. The native may also suffer from unexplained diseases that are difficult to cure with medicine. Propitiation of Kaal Sarp Dosh becomes necessary to lead a normal life.

## Kaal Sarp Yog in Your Horoscope

Your horoscope does not contain Kaal Sarp Yog. Therefore, you do not require a Shanti Pooja for Kaal Sarp Yog. You will lead a happy life.

# Pitridosha Vichar

## What is Pitridosha?

Our deceased ancestors are termed as Pitar or Pitri. Pitri is a class between us and God. If they are happy the man is able to live a decent and successful life but if they are dissatisfied because of some reason then the native becomes victim of various types of diseases and troubles.

Later these Pitri either get Mukti (Liberation from the bondage of birth and death) or else take birth on this earth again. If all the Pitri in a family have taken rebirth or attained Mukti then for some time there are no Pitri for that specific family. In this situation the native gets fortunes and misfortunes on the basis of his own horoscope. Therefore, all family members should serve the Pitri by Tarpan etc. till the time they are there in Pitriloka. If Pitri are contented then they grant all round prosperity to the native.

The reason of unhappiness of Pitris resulting into Pitridosha can be untimely death of an ancestor or the unfulfilment of the last wish of the ancestor else the infliction of curse of someone on the soul of the ancestor. These ancestors need food in spite of being in Pitri Yoni. If family people do not offer food by Karmas like Tarpan etc then they become distressed and troubled. Pitri experience various types of troubles till the time they are not propitiated by Karmas like Puja Paath, Pindadaan and Tarpan etc.

Pitri Dosh generally happens not because of own Karmas rather because of the Karmas of parents and ancestors. This Dosh exists in the horoscope since birth but karmas get created after birth therefore the reason of Pitridosh remains inexplicable and only its symptoms are visible. We do not get auspicious results for our deeds in spite of having favorable Dasha and transit. At home there remains tension, disease, lack of peace and scarcity of funds. There are no issues or else one gets mentally retarded children who face obstacles in their progress or marriage.

Therefore when we face such above mentioned troubles continuously without having any visible reason in the horoscope then in that situation we must do propitiation of Pitridosha till the situation does not turn favorable.

### **Pitri Dosha In Your Horoscope**

- \* Sun is under the influence of both Saturn and Rahu.
- \* The lord of the 9th House house is under the influence of Saturn and Rahu.

In your horoscope, Pitridosha is formed due to Sun and Mercury.

Since the Sun is the Karaka of Pitridosha in your horoscope, the sins committed by your father are the root cause of your Pitridosha. To rectify this Pitridosha, you are advised to perform Gayatri Jap, Suryopasna, and the Aditya Hridaya Stotram. Perform Hawan with the Samidha of Aak and offer jaggery and wheat to a cow on Sunday.

With Mercury being the Karaka of Pitridosha in your horoscope, sins committed against children by a female member of the family are the root cause of your Pitridosha. To rectify this Pitridosha, you are advised to serve your sister and aunt to receive their blessings. Offer green chilies to a parrot and release it from its cage.

However, if you are not experiencing the problems mentioned in the 'Symptoms of Pitridosha', then despite the presence of Pitridosha in your chart, there is no need for any remedies. It is quite probable that your ancestors are pleased by your auspicious deeds or have attained Moksha and are no longer troubling you.

**Note:**

Tripindi Shraadh and Narayan Naagbali are the main remedies for Pitridosha. These are done primarily in Tryambakeshwar. In Tripindi Shraadh the symbolic small statues of ancestors are made and Mantras are chanted on these. Finally they are flown in running water like Asthi Visarjanam.

Narayan Naagbali is done with the objective of fulfillment of desires of ancestors for their Moksha. In this Shamshankriya is done for two days and Manglik Puja on third day. If there are obstacles in getting married or begetting children because of Pitridosha then they get eradicated after observing these remedial measures.
