Significance of Matching

Horoscope Matching is suggested to ensure a happy married life.

In matching, first we do Ashtakoot matching. The eight natures of the native is determined by his Rashi and Nakshatra - Varun, Vashya, Tara, Yoni, Rashi Lord, Gana, Bhakoot, and Nadi give us the indication of compatibility between the two partners. By Varna matching we know about the compatibility of deeds, Vashya gives nature compatibility, Tara tells about fate, Yoni and Rashi Lord confirm the mutual relationship, Gana defines social understanding, Bhakoot shows the day to day behavior and Nadi confirms Health and Children. These eight natures have been assigned marks from 1 to 8 respectively totaling 36. A minimum of 50% marks is considered essential for match to be acceptable. Less than this may create problems in the married life.

Manglik Dosha matching is also very important along with Ashtakoot Matching . A Horoscope is said to have Mars Dosha if in Lagna chart Mars is positioned in 1,4,7,8 or 12th House. For compatibility against this Mars Dosha it is necessary that both boy and girl either have a non Manglik Horoscope or a Manglik Horoscope. The books on Astrology define other rules as well for propitiation of Manglik Dosha. If Mars Dosha is properly taken care of the chances of accidents or ill fate are diminished.

With the matching thus properly done a smooth happy and peaceful life to the couple is ensure.

Divisional Charts are extensions of Lagna Chart. Every chart has some specific purpose as described along with the chart below. These charts are to be studied along with the basic lagna chart to know in detail about the subject it represents. However, care has to be exercised in looking into these charts, because there are no aspects of planets here. Planet's behaviour is normally limited to the extent of sign or house it occupies in these divisional charts.

Sade-Sati Consideration

A horoscope is said to be under 'Sade-Sati' effect when the Saturn transits through the 12th, 1st and 2nd house from Natal Moon. Sagittarius on the rise at the time of your birth clearly denotes you will be a graceful, charming person with a well-proportioned body which can make a tremendous impression on others. Tall and lean, with a prominent forehead on an oval face, displaying a pair of expressive eyes, you can be termed as handsome.

An optimist, you always look at the brighter side of things, without adopting a negative approach. Jovial and generous, you take life in its stride. You are very particular of enlarging your circle of friends; especially foreigners for whom you have great fancy. By nature you are not timid, but pretty aggressive. The general indication provided by the Gemini sign rising in the seventh house at the time of your birth is that the native is slated to enjoy a happy and prosperous married life. Your sweet smile and ready wit have such a magnetic quality that they make not only your spouse but also your friends adore you. It is probably because of your popularity with others that you like to spend more time outside than at home.

You are adept in managing your family affairs. You don't unnecessarily interfere in your partner's affairs and treat the children like friends. If and when a controversy crops up, you handle it tactfully and solve it to the satisfaction of everyone concerned. Rarely, however, your spouse may be given to losing temper and even becoming aggressive, but since you are not rigid but flexible, you will adjust yourself according to the situation and everything ends well. It is due to your smooth behaviour that your spouse's outbursts don't last long.

In spite of your unbounded affection for your family, you are an individual who loves to retain personal freedom, more so in your activities beyond the walls of your house. This is probably the reason you attain maturity rather late in life.

Seeking change in everything all the time is part of your basic nature. So, you are apt to switch jobs and professions which will fortunately turn out to be fruitful.

However, so far as you are concerned, you may have to forget about a good marital life because of the presence of the Sun in Gemini in the seventh house. The odds are you will marry a stranger whose relatives will be opposed to the tie-up. And in spite of your bravado, you will realise that the wedding was not a success inasmuch as it has turned out to be an association of two individuals with divergent nature and interests. Fed up with constant bickerings, you may try to seek solace in the company of members of the opposite sex which will further muddle the atmosphere at home. So, it calls for a tremendous effort on your part to solve your matrimonial problems and lead a normal life.

If you prefer business to service, then better float your venture in partnership with someone else rather than going into it alone, as that will pay handsome dividends.

Veda S

Those born when Libra was in the seventh house will be fortunate enough to have a very desirable spouse. Generally, their ambition of having a partner who is not only attractive but also intelligent and competent, will be fulfilled.

But, endowed with such splendid qualities, the spouse is bound to hold the whiphand and virtually dictate terms. So, you will have to exercise tact and patience to avoid playing the second fiddle at home. To get a partner who will come up to your expectations you would do well to look for one belonging to the Libra, Sagittarius or Leo signs. Then you both will be a couple with a common wavelength.

Your marital relations will be quite good, especially because your spouse, very much interested in maintaining the family prestige, will turn out to be a good host. But in any gathering, you will have to think twice before praising others in front of your spouse. The latter will be too proud and jealous to tolerate boosting of others.

There is a small problem with both of you. You are given to intelligent in lavish expenditure, resulting in a decline in your bank balance. Hence, both of you will have to cultivate the savings habit so that you don't feel the pinch of money in your old age. As it is, your expenses will be on the high side as your spouse expects you look to after the entire family well by meeting all their requirements.

Most of the plus points of a Liberian may, However, be marred in your case, due to the presence of Mars in Libra in the seventh house. You may not be destined to enjoy a happy marital life as, while on the one hand you won't have the guts to stand up to your spouse, on the other you may have love affairs elsewhere. This could very well lead to a parting of ways.

Your romantic misadventures may also invite the wrath of others who may go to the extent of threatening your very existence.

But there is a silver lining which is that you may succeed in business, as you will manage to find a financially sound partner. But if you are not prudent, you may squander money as you are a person with an itch to indulge in speculation.

Profession, Father, Status & Power

Vishwas K M

It is the general pattern that politics is the best profession for those born when the Virgo sign is occupying the tenth house. Even if it is not preferred as a full time occupation, the native can hope to secure substantial benefits from politicians.

Not that it is the only area that suits you. There are many others from which you can have your pick. They include being a public orator, bank employee, teacher, editing and publishing books, establishing close links with educational and religious institutions, or occultism. Company law, engineering, foreign assignments or civil contracts can also be pursued.

It would be in your interest to do business instead of service as there are hints of your making good profits in business like trading, import, export or valuable or engineering items.

You can be optimistic of securing favours from governmental agencies. If you prefer it, you can also take up a government job in which your worth will be recognized, yielding rewards. In case you are forced to enter into a litigation, you needn't despair as you will emerge from it unscathed.

It seems you have inherited quite a few of your father's qualities. He is an active, brisk individual who approaches issues with an alert mind and goes about his job in a methodical manner. At the same time, he is an expert in finding fault with others and castrating them for their shortcomings. You have many of these traits.

Veda S

The normal trend is that anyone born when the Capricorn sign was rising in the tenth house will be simultaneously working at more than one place, primarily to earn more money. But there can also be another reason for it. Which is : The native, ever desirous of a change, will be wanting to shift and hop as frequently as possible. In this, one can be said to be lucky as there is a wide range of professions to choose from.

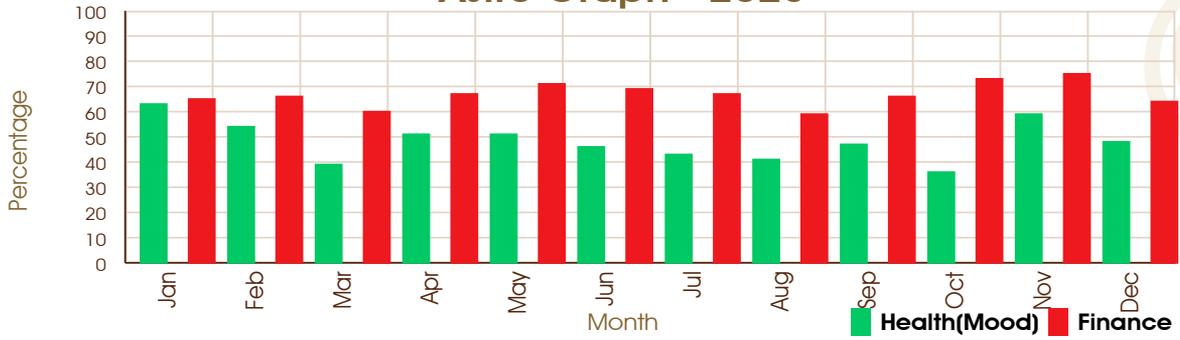

You can select an occupation connected with law, teaching, sports goods, iron and steel, factories in general, oils, land, contracts in the irrigation and

agricultural sectors, or animals. But you will have to be very cautious about one thing and that is you should make sure not to sustain financial losses through impulsive actions and rash investments. If you play safe and go about your job after doing the necessary homework, you may hope to succeed.

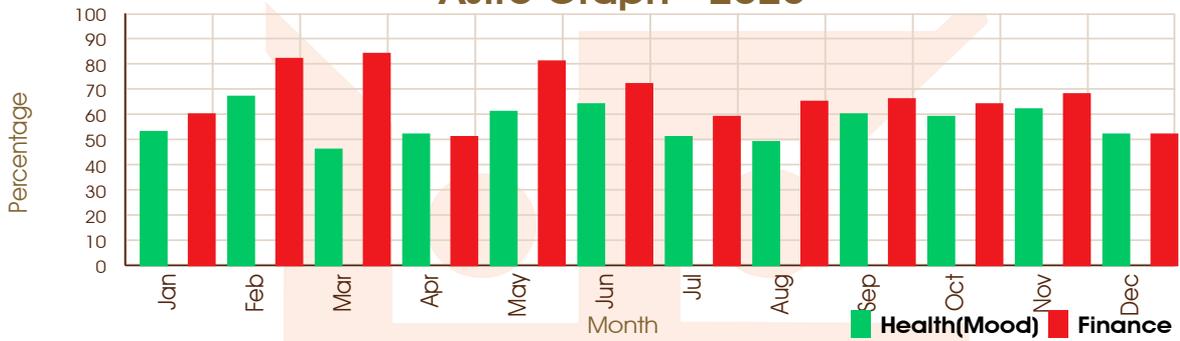

In all your actions, you would do well to follow in the footsteps of your father, an honest and straightforward individual ever eager to toe a righteous path. Intelligent, endowed with a sound reasoning faculty and an elephantine memory, he has the inherent power to read others thoughts. This, naturally, gives him the advantage of planning his moves adroitly. It is due to his commendable qualities that he attracts many close and reliable friends who will sacrifice anything to render him assistance in times of need.

A hard life of trouble and incessant fighting against adversities is indicated to you by the presence of Ketu in Capricorn in the tenth house, but you don't have to despair about it as you have abundant courage to overcome obstacles and emerge victorious ultimately. After getting separated from your father at an early age, you may face suspension or dismissal and be forced to seek a new profession. But since you are a tenacious person, you are capable of waging a successful battle against authority. You will not only get justice, you will also be rewarded financially.
