Saham

Sahams are special positions or points signifying important events in life. Unlike planets or houses one saham relates to only one aspect of life. There are 50 Sahams according to Neelkantha. If the Saham and its lord are well associated or aspected, it produces good results of the event it signifies. As per Tajak system Saham gives its result within a particular period calculated on the basis of its position, lord and the duration of the sign in which it is placed. Below we give the calculation of Saham and its expected date of happening which may be helpful for further predictions.

The 7th aspect of Sun situated in 4th house will fall on the house profession and turns the results of house of profession adverse. Thus causes losses to all kinds of pleasures and happiness by destroying comforts and minimizing mental peace to a great extent.
